

shall review the information submitted pursuant to paragraph (4) and issue findings regarding the effectiveness of the implementation of the Department-wide policy and oversight efforts of the management of real property facilities, personal property, mobile assets, equipment and the Department's other material resources as required under this section."

(b) **REPORTING.**—The Secretary of Homeland Security shall submit to the Committee on Homeland Security of the House of Representatives and the Committee on Homeland Security and Governmental Affairs of the Senate copies of the regional strategies developed in accordance with section 710(a) of the Homeland Security Act of 2002 (as added by subsection (a) of this section) not later than 90 days after the date of the development of each such strategy.

(c) **CLERICAL AMENDMENT.**—The table of contents in section 1(b) of the Homeland Security Act of 2002 is amended by inserting after the item relating to section 709 the following new items:

"Sec. 710. Chief Facilities and Logistics Officer.

"Sec. 711. Long term real property strategies."

The **SPEAKER** pro tempore. Pursuant to the rule, the gentleman from Florida (Mr. RUTHERFORD) and the gentleman from Mississippi (Mr. THOMPSON) each will control 20 minutes.

The Chair recognizes the gentleman from Florida.

#### GENERAL LEAVE

Mr. RUTHERFORD. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include any extraneous material on the bill under consideration.

The **SPEAKER** pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. RUTHERFORD. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in strong support of H.R. 2190, the Streamlining DHS Overhead Act.

Despite being the Nation's third largest Federal department, the Department of Homeland Security continues to struggle with challenges from its integration of 22 different Federal departments and agencies.

One example of these challenges is the Department's management of its real estate portfolio. DHS pays \$2 billion a year to occupy more than 100 million square feet of space. Weak internal oversight and a lack of property management processes have further intensified the problem.

Collaboration and coordination is important in these instances, and doing nothing has led to a footprint larger than what DHS needs to carry out its mission.

This legislation directly addresses these challenges by mandating the development of regional real property strategies that focus on consolidating leases, where appropriate, to the mission. It also gives the Under Secretary for Management oversight tools to ensure DHS property is being managed efficiently.

Another important part of this legislation is its outlining of responsibilities for the Chief Facilities and Logistics Officer to achieve cost savings.

As we have seen from the 2-year majority staff investigation, increased accountability and promoting efficiency is needed so DHS can more effectively use its resources to focus on its mission of securing the homeland while also saving taxpayer funds.

Improving the Department's operation and promoting efficiencies within its real property portfolio is an issue that both sides of the aisle and the Department should be able to work together on.

H.R. 2190 is commonsense legislation. I urge my colleagues' support.

I reserve the balance of my time.

□ 1915

Mr. THOMPSON of Mississippi. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 2190, the Streamlining DHS Overhead Act. Each year, the Department of Homeland Security spends nearly one-fourth of its entire budget on acquisitions.

DHS has a vast and diversified portfolio of assets and real property. Given the importance of these assets to DHS' mission, it is essential that DHS manage its real property investments efficiently and effectively. This legislation establishes a chief facilities and logistics officer to not only oversee real property, but to seek efficiencies in how the properties are managed.

H.R. 2190 also requires a 5-year regional real property strategy to help decisionmakers pinpoint opportunities to reduce overhead costs through co-location or consolidation efforts. This bipartisan bill was approved unanimously by the Committee on Homeland Security on May 3.

Mr. Speaker, in closing, I urge passage of H.R. 2190, Streamlining DHS Overhead Act. Enactment of this legislation conveys our interest in ensuring that the Department makes smart choices when it comes to managing its vast real estate property portfolio.

Mr. Speaker, I yield back the balance of my time.

Mr. RUTHERFORD. Mr. Speaker, I urge my colleagues to support H.R. 2190, as amended, and I yield back the balance of my time.

The **SPEAKER** pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. RUTHERFORD) that the House suspend the rules and pass the bill, H.R. 2190, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

#### RECOGNIZING THE AMERICAN ENTREPRENEURSHIP AWARD

(Ms. ROS-LEHTINEN asked and was given permission to address the House

for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise tonight to recognize George Logothetis, the CEO and chairman of the Libra Group, a private organization based in my congressional district that is dedicated to bolstering local communities through educational and business programs.

George is a visionary who recognizes the value of promoting startup businesses as a catalyst for financial self-sufficiency, economic development, and job creation. In 2015, George created the American Entrepreneurship Award, a nonprofit with one goal in mind: to make free enterprise accessible to every underserved community across our Nation.

This Friday, June 23, George will host AEA's annual awards ceremony in our home city of Miami, where George will announce the winners of the 2017 Business Plan Competition from Miami and the Bronx. The awardees will receive a cash prize as well as vital consultation and mentorship to get their new business ventures off the ground.

I would like to thank George for his leadership in promoting innovation, and I look forward to his future success, as well as the AEA's.

#### THE SENATE'S SECRET HEALTHCARE BILL

(Mr. KRISHNAMOORTHY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KRISHNAMOORTHY. Mr. Speaker, the healthcare bill the Senate leadership is writing has not been subjected to any public hearings or debate and, to this day, the contents of the bill remain a secret. This bill is being written by 13 men—Republican men. And because it is being written in secret, only those in the room have a say.

Under normal circumstances, every Senator would have the chance to read and debate a bill, just as we had in the House. But these are not normal circumstances.

As that secret committee reshapes our healthcare system behind closed doors, no woman has a seat at the table, no Democrat has a seat at the table, and 77 percent of Americans do not have a Senator at the table.

The Senate leadership has deprived nearly 250 million Americans of representation in the writing of this healthcare bill because they thought no one would notice. They will be proven wrong.

#### RECOGNIZING ALZHEIMER'S AND BRAIN AWARENESS MONTH

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise today to recognize Alzheimer's and Brain Awareness Month. Alzheimer's is

the sixth-leading cause of death in the United States, and more than 5 million Americans are currently living with it. Every 66 seconds, someone in the United States cultivates the disease.

This disease is not only deadly, but it is also costly. Alzheimer's, as well as other forms of dementia, cost the Nation roughly \$259 billion annually.

Our communities are stepping up. Last year, I joined the Walk 2 End Alzheimer's event at Target Field, where more than 12,000 people turned out for the cause. It is this passion that has led to initiatives like the Alzheimer's Breakthrough Act, of which I am a cosponsor. This is an important step in finding a cure through the forming of public-private partnerships to pursue different and new research opportunities.

Mr. Speaker, we are at a reflection point—an important reflection point for Alzheimer's research. The more commitment we put forward, the more progress that we will make in finding a cure. While we have made significant progress, we will not be satisfied until a cure has been found.

#### RECOGNIZING THE ST. PETE PRIDE PARADE

(Mr. CRIST asked and was given permission to address the House for 1 minute.)

Mr. CRIST. Mr. Speaker, I rise today to recognize the St. Pete Pride Parade for the significance to Pinellas County, Florida, and our LGBTQ community.

Every June, for the past 15 years, the St. Pete Pride Parade has brightened the streets of my hometown, leaving joy, love, and equality in its wake. It has become one of the largest pride celebrations in the country, hosting over 200,000 attendees last year alone; all possible, thanks to our large, diverse LGBTQ community and city leadership that understands this community as a source of our strength.

As we mark 1 year since the 49 souls were taken from us at the Pulse Nightclub in Orlando, this pride is much more than a celebration. It is a vibrant act of strength for a community that has endured persecution simply for being who they are and who they love.

As St. Pete looks forward to the celebration this weekend, I wish the community happy pride. Be loud and be proud because we are proud of you.

#### RECOGNIZING THE PROFESSIONAL ACCOMPLISHMENTS OF PAUL LYSKAVA

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize the professional accomplishments of Paul Lyskava, who has served diligently as the executive director of the Pennsylvania Forest Products Association since 2002.

Paul has been instrumental in working closely with members of the forest products industry. Even through a recession, Paul worked to put the Commonwealth in a good position. Today, Pennsylvania is the leading hardwood lumber producing State in the Nation.

In 2015, Paul was the recipient of the Joseph T. Rothrock Conservationist of the Year Award, which recognizes actions and service that contribute to the continued conservation of Pennsylvania's forest resources in the spirit of Pennsylvania Forestry Association founder, Joseph T. Rothrock.

Never before has the award been presented to an individual that served in a capacity at all similar to Paul's. For the 4 years before he took the helm at the Pennsylvania Forest Products Association, Paul served as the executive director of the Pennsylvania Hardwoods Development Council.

On behalf of the people of Pennsylvania, I want to recognize Paul for all he has done for the Commonwealth of Pennsylvania.

We are deeply grateful for your dedication and knowledge, Paul. Thank you, my friend.

#### WORLD REFUGEE DAY

(Mr. TED LIEU of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TED LIEU of California. Mr. Speaker, I rise in recognition of World Refugee Day.

We are facing the worst refugee crisis in history, with over 65 million refugees; half of them are children.

When I served on Active Duty in the U.S. Air Force, I participated in Operation Pacific Haven. The U.S. military went into northern Iraq. We extracted thousands of Kurdish refugees, brought them to Andersen Air Force Base in Guam, and then sent most of them to the United States. We saved their lives, and, to this day, the Kurds remain one of America's strongest allies.

Helping refugees is not only the moral thing to do; it helps our national security. That is why I am honored to introduce bipartisan legislation with Representative ROS-LEHTINEN to promote the health, safety, and well-being of refugees.

#### LITTLE KIM THE TERRORIST

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, North Korea released Otto Warmbier last week after 17 months of imprisonment and torture. Otto returned home in a coma, never again to speak or see his parents. Yesterday, he died—murdered, actually—from brain damage because of the Korean beatings that he endured.

North Korea had humiliated Otto for allegedly stealing a pro-government placard, forcing him to publicly beg for

forgiveness. Now, these are the tactics of terrorists.

We need to ramp up the pressure on North Korea. Three other Americans are still being held in North Korea for apparent political reasons. We must prioritize saving their lives.

It is time to call it like it is: designate North Korea as a state sponsor of terrorism. Doing so would isolate the country and publicly categorize North Korea with many other rogue nations.

The House has already passed my bill to designate North Korea as a state sponsor of terrorism. Now the Senate needs to do the same.

Little Kim has American blood on his hands. Give him and his outlaw regime the designation it deserves, a terrorist state.

And that is just the way it is.

#### TRUMPCARE IS FUNDAMENTALLY FLAWED

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, when President Trump calls your healthcare legislation mean and coldhearted, you know that it is time to reconsider your approach to the Nation's healthcare system. The President was referring, of course, to the House-passed TrumpCare legislation, which pulls the rug from under millions of Americans, raising their costs, gutting their protections, and, for many, taking away their coverage.

And while we do not know the extent of the damage the Senate Republicans' secret health bill would cause, we do know its consequences would be disastrous. We do know, for instance, that the Senate Republicans plan to gut essential health benefits and destroy the Medicaid expansion.

TrumpCare is fundamentally flawed. Higher costs, less coverage, fewer protections, that is the gift from the Republican Party to the American people. The bill would also destroy millions of jobs—nearly 14,000 jobs in my State of New Jersey next year alone.

TrumpCare is an ugly bill being advanced through an ugly process. Senate Republicans can hide the details from their bill, but they cannot hide that simple fact from the American people.

#### WORLD REFUGEE DAY

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise today to honor World Refugee Day, a day that is very special to the famous city of Utica, New York, in the heart of the 22nd Congressional District, a place that I have represented and lived my entire life.

Utica was recognized recently as the home to refugees, and I am so honored
