

lead the House in the Pledge of Allegiance.

Ms. NORTON led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

PRESIDENT TRUMP'S SUCCESSFUL G20 SUMMIT

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, President Donald Trump's success during his overseas trip to Poland and the G20 summit in Germany makes it clear that America is once again the clear leader of the free world.

In Poland, the President reaffirmed that Western nations will stand together against threats to our security and our way of life. His remarks focused on his strategy of peace through strength—increasing defense spending, confirming our commitment to NATO, and promoting American energy as an alternative to Russian sources in Eastern Europe.

During the G20, President Trump made it clear that, under his leadership, America remains committed to blocking the funding of terrorism and extremism, empowering women across the world, affirming the right of nations to defend themselves, and pledging to end unfair trade. Additionally, working with other foreign leaders, he successfully negotiated a cease-fire in Syria.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism. Sadly, Canada has forgotten the 26 Canadians murdered on 9/11 by awarding millions of dollars to a confessed terrorist who killed U.S. Army Sergeant First Class Christopher Speer, putting American families and Canadian families at risk.

TRUMPCARE

(Ms. NORTON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. NORTON. Mr. Speaker, despite attempts at resuscitation, TrumpCare is close to impasse, charitably speaking. The Senate bill does so much harm to all concerned—to Americans who depend on Medicaid or Medicare or have a preexisting condition, and actually raises costs out of pocket with less coverage while kicking 22 million people, including 61,000 D.C. residents, off their healthcare plans altogether—that some may be tempted to cheer the coming demise of TrumpCare.

Defeat of TrumpCare may be better than repeal of the Affordable Care Act, but to leave it there is to show contempt for the American people.

Republicans argue that ObamaCare was flawed because it was the product

of only one party. If so, Republicans should avoid the same mistake. The best way for Congress to spend the remaining weeks before recess is with Democrats and Republicans at the same table.

PERMISSION FOR MEMBER TO BE CONSIDERED AS FIRST SPONSOR OF H.R. 392

Mr. YODER. Mr. Speaker, I ask unanimous consent that I may hereafter be considered to be the first sponsor of H.R. 392, a bill originally introduced by Representative Chaffetz of Utah, for the purposes of adding cosponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Kansas?

There was no objection.

RECOGNIZING COLONEL JOE "SOLO" KUNKEL

(Mr. DUNN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DUNN. Mr. Speaker, I rise today to recognize an outstanding member of the United States Air Force, Colonel Joe "Solo" Kunkel. Solo has been selected for reassignment from Tyndall Air Force Base in the Second District of Florida, where he served as the vice commander of the 325th Fighter Wing.

He will continue his service at Mountain Home Air Force Base in Idaho as commander of the 366th Fighter Wing, the "Gunfighters."

Colonel Kunkel has been an exceptional leader at Tyndall, where he oversaw more than 4,000 people who train and support F-22 Raptor pilots and crews.

He has worked tirelessly to improve the lives of his officers, airmen, and their families. He improved mission performance, facilities, and family programs at Tyndall.

Mr. Speaker, please join me in extending congratulations and gratitude to Colonel Kunkel; his wife, Jenny; and their children, Madeline, Drew, Riley, and Brayden.

May God continue to bless our Nation with his kind of exemplary patriotism and service.

MAJORITY OF AMERICANS DO NOT TRUST THE MEDIA

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Texas. Mr. Speaker, a recent NPR/PBS NewsHour/Marist poll found that a combined 68 percent of Americans said that they do not trust the media very much or not at all. The same poll also found that Americans trust President Trump more than the media.

It is no surprise that Americans do not trust the media. The media have stopped reporting and have started attacking. As The Federalist's David Harsanyi noted in a recent article, "News organizations have become obsessed with fighting the President rather than covering him."

A Harvard study recently found that 80 percent of the news coverage of President Trump in his first 100 days in office was negative, a new unfortunate record.

The media is so fixated on attacking the President that they rush to print unfounded stories using a single anonymous source.

Last month, three CNN employees resigned for their role in a botched Trump-Russia story. This debacle revealed the media's insatiable appetite to print any story—no matter how groundless—that is critical of the President.

The liberal media should stop fighting the President and start covering his Presidency in a fair and unbiased manner. Then they will regain the trust of the American people.

CONGRATULATING ERIN SMITH

(Mr. YODER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. YODER. Mr. Speaker, I rise today to congratulate 17-year-old Erin Smith of Shawnee Mission West High School in Overland Park in my district at home in Kansas.

Erin recently won the International BioGENEius Challenge held in San Diego, California, earning \$7,500 for her research with the award from the Biotechnology Institute.

The International BioGENEius Challenge pushes high school students from across the world to find solutions to healthcare, sustainability, and environmental needs through biotechnology.

Erin's research and work focused on Parkinson's disease which affects about 7 to 10 million people worldwide and about 60,000 new patients in America each year. Erin coded a website that can record the facial expressions of subjects using special software which enabled her to discover early indicators of Parkinson's disease. She then built an algorithm that could be used as a diagnostic tool.

Mr. Speaker, Erin sounds like one of the world's foremost researchers, but she is only a rising senior at Shawnee Mission West. She is truly incredible.

I congratulate her and wish her the best in what is just the beginning of a long journey helping many people living with this dreaded disease.

HONORING VICE ADMIRAL DIEGO "DUKE" HERNANDEZ

(Miss GONZÁLEZ-COLÓN of Puerto Rico asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Miss GONZÁLEZ-COLÓN of Puerto Rico. Mr. Speaker, I am proud to stand before the House today to recognize Vice Admiral Diego "Duke" Hernandez, a decorated war hero and patriot who passed away on Friday, July 7, at 83 years old.

Admiral Hernandez was born and raised in Puerto Rico, the son of two schoolteachers who became a three-star admiral and the highest ranking Hispanic officer in the United States Navy at the time. Throughout his distinguished 35-year career, he served as a commander to various naval forces earning the Silver Star, the Distinguished Flying Cross, and the Purple Heart. He exemplified the valor and commitment that his brothers in arms from Puerto Rico have demonstrated since the Great War.

On July 14, 1998, Admiral Hernandez testified before the Senate and highlighted Puerto Rican participation in our Nation's wars and the reality of their marginalization from the democracy they fought to defend and uphold. He urged Congress to respond to the people of Puerto Rico so they can achieve political self-determination.

In his honor, I echo the same. Today, I ask the House to join me in expressing our profound gratitude to Admiral Hernandez and his contributions to the United States of America.

MEDICAL CONTROLLED SUB- STANCES TRANSPORTATION ACT OF 2017

Mr. BURGESS. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1492) to amend the Controlled Substances Act to direct the Attorney General to register practitioners to transport controlled substances to States in which the practitioner is not registered under the Act for the purpose of administering the substances (under applicable State law) at locations other than principal places of business or professional practice.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 1492

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Medical Controlled Substances Transportation Act of 2017".

SEC. 2. REGISTRATION FOR TRANSPORT OF CONTROLLED SUBSTANCES TO STATES IN WHICH THE PRACTITIONER IS NOT REGISTERED UNDER THE CONTROLLED SUBSTANCES ACT FOR THE PURPOSE OF ADMINISTERING THE SUBSTANCES AT LOCATIONS OTHER THAN PRINCIPAL PLACES OF BUSINESS OR PROFESSIONAL PRACTICE.

Section 303 of the Controlled Substances Act (21 U.S.C. 823) is amended by adding at the end the following:

"(k) REGISTRATION FOR TRANSPORT OF CONTROLLED SUBSTANCES TO STATES IN WHICH THE PRACTITIONER IS NOT REGISTERED FOR THE PURPOSE OF ADMINISTERING THE SUBSTANCES AT LOCATIONS OTHER THAN PRIN-

CIPAL PLACES OF BUSINESS OR PROFESSIONAL PRACTICE.—

"(1) IN GENERAL.—Upon application by a practitioner (other than a pharmacy) who is registered under subsection (f), the Attorney General shall issue a separate registration to the practitioner authorizing the practitioner—

"(A) to transport one or more controlled substances in schedule II, III, IV, or V from the practitioner's registered location in a State to one or more States in which the practitioner is not registered under subsection (f) for the purpose of the practitioner administering the substances at locations other than a principal place of business or professional practice; and

"(B) to so administer the substances.

"(2) REQUIREMENTS.—For a practitioner to be authorized to transport and administer controlled substances pursuant to a registration issued under paragraph (1), all of the following conditions must be satisfied:

"(A) The practitioner must be licensed, registered, or otherwise permitted by the State in which the controlled substances are administered to carry out such activity at the location where it occurs.

"(B) The practitioner must—

"(i) limit the time of transport and administering of any controlled substance pursuant to such registration to not more than 72 consecutive hours; and

"(ii) by the conclusion of such 72 hours, return any such controlled substance so transported but not administered to the registered location from which such substance was obtained.

"(C)(i) The practitioner must maintain records of the transporting and administering of any controlled substance pursuant to this subsection.

"(ii) Such records shall be maintained, in accordance with the requirements of section 307(b), at the practitioner's registered location from which the controlled substances were obtained and shall include—

"(I) the location where the controlled substance was administered; and

"(II) such other information as may be required by regulation of the Attorney General with respect to records for dispensers of controlled substances.

"(iii) Notwithstanding clause (ii), the exception in subsection 307(c)(1)(B) shall not apply to records required by this subparagraph.

"(3) GROUNDS FOR DENIAL OR REVOCATION.—The Attorney General may deny an application for registration under this subsection, or a renewal thereof, or revoke such registration, based on the criteria listed in section 304(a), except that the applicant shall not be required, as a condition of initially obtaining such registration, to present proof of State authorization to administer controlled substances.

"(4) AUTOMATIC TERMINATION.—A registration issued under this subsection shall automatically terminate if the practitioner no longer has an active registration under subsection (f) due to revocation, suspension, surrender, or other termination.

"(5) DEFINITION.—In this subsection, the term 'registered location' means, with respect to each registration issued to a practitioner under subsection (f), the address that appears on the certificate of registration."

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Texas (Mr. BURGESS) and the gentleman from Texas (Mr. GENE GREEN) each will control 20 minutes.

The Chair recognizes the gentleman from Texas (Mr. BURGESS).
