

SWEARING IN OF THE HONORABLE JIMMY GOMEZ, OF CALIFORNIA, AS A MEMBER OF THE HOUSE

The **SPEAKER**. Will Representative-elect Gomez and the members of the California delegation present themselves in the well.

All Members will rise and the Representative-elect will please raise his right hand.

Mr. **GOMEZ** appeared at the bar of the House and took the oath of office, as follows:

Do you solemnly swear that you will support and defend the Constitution of the United States against all enemies, foreign and domestic; that you will bear true faith and allegiance to the same; that you take this obligation freely, without any mental reservation or purpose of evasion; and that you will well and faithfully discharge the duties of the office on which you are about to enter, so help you God.

The **SPEAKER**. Congratulations, you are now a Member of the 115th Congress.

WELCOMING THE HONORABLE JIMMY GOMEZ TO THE HOUSE OF REPRESENTATIVES

The **SPEAKER**. Without objection, the gentlewoman from California (Ms. **MAXINE WATERS**) is recognized for 1 minute.

There was no objection.

Ms. **MAXINE WATERS** of California. Mr. Speaker, on behalf of the Democratic delegation of California, I am so very pleased to welcome the newest member of the California delegation, Congressman **JIMMY GOMEZ**.

Congressman **GOMEZ** will represent the people of the 34th Congressional District.

Congressman **GOMEZ** was elected to the California State Assembly in 2012 and reelected in 2014, and most recently in 2016, with over 86 percent of the vote, to represent California's 51st assembly district.

In the assembly, Congressman **GOMEZ** was a national champion of paid family leave. Congressman **GOMEZ** authored and passed legislation, Assembly Bill 908, the Nation's most progressive expansion of paid family leave, that President Obama held as a model for Congress.

JIMMY also authored legislation to address public health, environmental justice, water conservation, and access to education.

We are all looking forward to Representative **GOMEZ** expanding and continuing his work in the United States Congress. I hope Members will all join me in welcoming him to Congress.

Mr. Speaker, I yield to the gentleman from California (Mr. **GOMEZ**).

Mr. **GOMEZ**. Mr. Speaker, I want to thank everyone for the warm welcome.

I also want to thank Majority Leader **KEVIN MCCARTHY** for all the attention he has given me for the past several weeks. Thank you so much.

I am truly honored to be here and to be joined by my mother, Socorro; my

brother, Gerry; my mother-in-law, Sally; and, of course, my amazing wife, Mary.

My approach to public policy, politics, and government is shaped by the experiences of my family and of my community. As the son of immigrants who believes in this country and everything it promises, I am a living embodiment of that promise. I have a profound commitment to protecting the rights of immigrants no matter where they are from and no matter what God they worship.

I am also a fighter for universal healthcare, because when I was 7 years old, I ended up in the hospital with pneumonia, and that 1-week stay in the hospital almost bankrupted my family.

I also believe that young people from working families should have access to debt-free education, because I know from my own personal experience that a high school degree is not always enough, and that is why a higher education can actually transform an individual's life.

I believe everyone deserves access to clean air and clean water and that climate change has exacerbated that challenge.

And lastly, I don't believe in the hype and the false divides that progressives can't be for working families and for families from all over America.

To the people of the 34th Congressional District, I know why they sent me to Congress. They want me to fight for our families, our State, and our values, and I will do that every single day, and I won't let them down.

ANNOUNCEMENT BY THE SPEAKER

The **SPEAKER**. Under clause 5(d) of rule XX, the Chair announces to the House that, in light of the administration of the oath to the gentleman from California, the whole number of the House is 434.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE
The SPEAKER pro tempore (Mr. CARTER of Georgia) (during the vote). There are 2 minutes remaining.

□ 1910

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

The title of the bill was amended so as to read: "A bill to authorize the Secretary of the Interior to acquire approximately 44 acres of land in Martinez, California, for inclusion in the John Muir National Historic Site, and for other purposes."

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. HURD. Mr. Speaker, had I been present, I would have voted "yea" on rollcall No. 345, and "yea" on rollcall No. 346.

PERSONAL EXPLANATION

Ms. MOORE. Mr. Speaker, I attended the funeral of a close family member and was unable to fly back to the Capitol in time for votes today. Had I been present to vote, I would have voted "yea" on H.R. 1397, To authorize, direct, facilitate, and expedite the transfer of administrative jurisdiction of certain Federal land, and for other purposes, and "yea" on H.R. 1719, the John Muir National Historic Site Expansion Act.

PERMISSION FOR MEMBER TO BE CONSIDERED AS FIRST SPONSOR OF H.R. 622

Mr. STEWART. Mr. Speaker, I ask unanimous consent that I may hereafter be considered to be the first sponsor of H.R. 622, a bill originally introduced by Representative Chaffetz of Utah, for the purposes of adding cosponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Utah?

There was no objection.

PERMISSION FOR COMMITTEE ON ARMED SERVICES TO FILE SUPPLEMENTAL REPORT ON H.R. 2810, NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2018

Mr. THORNBERRY. Mr. Speaker, I ask unanimous consent that the Committee on Armed Services be authorized to file a supplemental report on the bill, H.R. 2810.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

VENEZUELA

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, for more than 100 days, the Venezuelan people have been courageously protesting peacefully on the streets against the abusive regime of Nicolas Maduro.

Since June, more than 1,400 people have been injured, over 3,600 have been detained, and over 100 people have been killed by Maduro's thugs.

Just days ago, Maduro moved opposition leader Leopoldo Lopez to house arrest after more than 3 unjust years in prison. But this diversion tactic is not enough. All political prisoners must be released.

Maduro's fraudulent constituent assembly must be stopped. And more names must be added to the sanctions list, especially those human rights abusers who are responsible for the violent actions against innocent civilians.

This will send a strong message that the United States stands with the people in their struggle for democracy and for justice for all Venezuelans.

UTILIZING UAS FOR INTERNATIONAL HUMANITARIAN ASSISTANCE AND DISASTER RELIEF

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, during the full committee markup of the fis-

cal year 2018 National Defense Authorization Act, the House Armed Services Committee came together to produce a strong bipartisan bill that will ensure investment in and oversight of our military. We also recognized how valuable the Department is to international humanitarian assistance and disaster relief efforts as well.

During markup, I offered an amendment that will require the Department to assess the viability of unmanned aircraft systems in support of international humanitarian aid missions. Although it is well understood that the DOD has operated UAS platforms effectively for over a decade in offensive roles, I believe it is also important we recognize the capabilities of UAS platforms to increase the speed and quality of response forces providing disaster relief and medical assistance to those suffering around the world. Think of critical disaster efforts, whereby vital medicine and supplies are needed quickly. UAS could very well make all the difference between life and death.

I am pleased that this amendment was adopted during markup, and I thank my colleagues for their support of this endeavor.

OFFICER DOWN: MIOSOTIS FAMILIA

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, as fireworks boomed in the sky above the Bronx, 48-year-old law officer Miosotis Familia sat in a mobile command unit. She was a good officer.

Known for her no-nonsense approach to law enforcement, she was friendly with the neighborhood, spoke Spanish, and was always quick with a smile and a wave. But suddenly, an evil outlaw appeared at her window and, with a heart fatally bent on mischief, pointed a .38-caliber revolver through the window and pulled the trigger, cold-bloodedly murdering Officer Familia.

She wore the uniform with the badge, the shield over her heart.

Officer Familia was one of 10 siblings from an immigrant family from the Dominican Republic, and she had three children of her own.

Our men and women in blue are being targeted, gunned down for simply wearing the uniform, gunned down by the scourge that prey on the police.

Congress should take action and protect those who serve our Nation every day, all day, on the streets of America. Senator CORNYN and I have introduced the Back the Blue Act of 2017, which increases the penalties for the soulless criminals who intentionally target the law enforcement community.

Peace officers are the last strand of wire in the fence between the law and the lawless, between good and evil.

Taps has been played for the end of watch for Officer Familia. Her life may
