

to those States to insist on it. When there are wildfires that take place in the West, including the gentleman from Arizona's home State, we don't go back to Arizona and force them to pay for all of it. This is simply an amendment that is cute, and it is a gotcha amendment. But it is also wrong.

It was also pointed out the grants went to the community. The community is not being required under this amendment to pay it back, it is the State, which simply means the amendment is also poorly written if it ever was indeed supposed to be a sincere amendment.

This is one of those things that we don't need to go through. The options are very clear. We have gone through the process. Vote against this particular amendment.

Mr. YOUNG of Alaska. Vote "yes" on the bill and "no" on the amendment.

Mr. Chairman, I yield back the balance of my time.

The CHAIR. The question is on the amendment offered by the gentleman from Arizona (Mr. GRIJALVA).

The question was taken; and the Chair announced that the noes appeared to have it.

Mr. GRIJALVA. Mr. Chairman, I demand a recorded vote.

The CHAIR. Pursuant to clause 6 of rule XVIII, further proceedings on the amendment offered by the gentleman from Arizona will be postponed.

Mr. BISHOP of Utah. Mr. Chair, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. HOLDING) having assumed the chair, Mr. PALMER, Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 218) to provide for the exchange of Federal land and non-Federal land in the State of Alaska for the construction of a road between King Cove and Cold Bay, had come to no resolution thereon.

ANNOUNCEMENT BY THE ACTING CHAIR
The Acting CHAIR (during the vote).
There is 1 minute remaining.

□ 1144

So the amendment was rejected.
The result of the vote was announced as above recorded.

The Acting CHAIR (Mr. BOST). The question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The Acting CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. COLLINS of Georgia) having assumed the chair, Mr. BOST, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 218) to provide for the exchange of Federal land and non-Federal land in the State of Alaska for the construction of a road between King Cove and Cold Bay, and, pursuant to House Resolution 454, he reported the bill back to the House with an amendment adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on the amendment to the amendment reported from the Committee of the Whole?

If not, the question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mr. GARAMENDI. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. GARAMENDI. In its current form, I am.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Garamendi moves to recommit the bill H.R. 218 to the Committee on Natural Resources with instructions to report the same back to the House forthwith with the following amendment:

Page 6, after line 24, insert the following:

SEC. 8. REQUIREMENT REGARDING USE OF AMERICAN-MADE MATERIALS AND CONSTRUCTION EQUIPMENT.

The road and road corridor described in section (4)(b) shall be constructed using only materials and equipment manufactured in the United States.

The SPEAKER pro tempore. The gentleman from California is recognized for 5 minutes.

Mr. GARAMENDI. Mr. Speaker, I have something very, very special for us in the next 3 minutes. This is an opportunity for us to vote on something everybody in this Chamber wants. That is right.

Everybody in this Chamber wants American jobs, they want American manufacturing to succeed, and they want American—how should we put this?—made in America, right? Manufactured in America, right? Yes, that is it.

Let me read to you this amendment, which, if accepted, would not stop this bill from passing, which I suspect it will, whether this is accepted or not. But here is your chance, colleagues.

This amendment reads: “The road and road corridor described in section (4)(b) shall be constructed using only materials and equipment manufactured in the United States.”

Who is opposed to that? Surely, my colleagues on the left and the right want to have American equipment used in manufacturing this road or any other road, any other pipeline, or any other infrastructure project. This is what we all want, all of us.

This amendment is about as simple as it could be, and it is about as important as we would find on any of the amendments.

I am not going to do a gotcha thing today. All too often these MTRs are simply gotcha votes. I am not going to do that to you today.

But I want all of us to consider the art of the possible. Consider for a moment the art of the possible, that we could come together and we could amend this piece of legislation and other pieces of legislation that will be coming to us on infrastructure and roads and highways and water, and we could put into each and every one of those a very simple sentence that says they will be built with American equipment, American labor, and American materials. That is it.

I know my Republican colleagues want it as much as my Democratic colleagues, although you are shy and you are not willing to shout up in support. But I will tell you what I will give you the opportunity to do. I am aware of that talk as much as any of you are, and here is my promise to my Republicans colleagues and to my Democratic colleagues. Give us a resounding

“yes” so that the very clear ear of our Speaker can hear a “yes” vote from all of us, and let’s go home.

Mr. Speaker, I yield back the balance of my time.

Mr. BISHOP of Utah. Mr. Speaker, I claim the time in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman is recognized for 5 minutes.

Mr. BISHOP of Utah. Mr. Speaker, I appreciate the efforts of the gentleman from California. I would remind him, when he was in the Clinton administration and the Clinton administration forced the community to buy a hovercraft instead of building this road, that was made in Canada.

However, I want you to know that I am actually livid for the people of King Cove, Alaska, because they lack a life-saving lane on the land to link this lonesome locality that has been left alone while lofty litigious liberals lamely lament losing a little landscape.

Mr. Speaker, the arguments are limited and they lack love for the Aleuts who are there.

This amendment is a loser. Vote “no.” Vote “yes” on passage, and let’s get out of here.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

Mr. GARAMENDI. Mr. Speaker, without regard to the argument in opposition to my amendment, I think we ought to go home and let it be. I am not going to ask for a recorded vote.

The SPEAKER pro tempore. The gentleman is not recognized for debate.

The motion to recommit was rejected.

The SPEAKER pro tempore. The question is on the passage of the bill.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. BISHOP of Utah. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The vote was taken by electronic device, and there were—yeas 248, nays 179, not voting 6, as follows:

PERSONAL EXPLANATION

Mrs. NAPOLITANO. Mr. Speaker, I was absent during rollcall vote Nos. 403 through 406 due to my spouse’s health situation in California. Had I been present, I would have voted “no” on H.R. 2825—DHS Authorization Act of 2017, “yea” on the Tsongas Amendment, and “yea” on the Grijalva Amendment, and “no” on final passage of H.R. 218—King Cove Road Land Exchange Act.

ANNOUNCING THE PASSING OF THE HONORABLE RALPH REGULA

(Mr. CHABOT asked and was given permission to address the House for 1 minute.)

Mr. CHABOT. Mr. Speaker, as dean of the Ohio delegation, I am greatly saddened to inform the Members that our former colleague, Ralph Regula, who was the dean of the Ohio delegation, has passed away.

Ralph was 92 years of age. He had the honor of serving his constituents back home in Ohio for 36 years. He was a key player on the Appropriations Committee for many years. He will be truly missed.

I wanted to inform the Members that Congressman BOB GIBBS—Ralph was a
