SUPPORT DREAMERS

(Ms. ROS-LEHTINEN asked and was given permission to address the House

for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, the tragic announcement made by the Trump administration to kill the DACA program is heartbreaking, reckless, and wrong. This decision means that our country is turning its back on 800,000 young, hardworking immigrants who only know America as their home. Each of these DREAMers has a compelling story and a desire to pursue their educational and professional opportunities, while strengthening our Nation.

Mr. Speaker, that is why I am proud to have introduced the DREAM Act along with my good friend, Congresswoman LUCILLE ROYBAL-ALLARD, to give these young individuals the certainty to plan for a future in our great country, their great country. For too long, their dreams have been put on hold and they have been living under constant fear.

I call on each one of my colleagues, Republicans and Democrats, to come together so that we can pass a legislative solution that is humane. This is long overdue, Mr. Speaker. Let's not wait months for a vote. The lives of hundreds of thousands of bright, talented, and patriotic young men and women are at stake.

Mr. Speaker, let's show now that Congress does indeed have a heart.

HURRICANE HARVEY

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, to all of my colleagues and the American people, thanks so much for the outpouring of love from volunteers, first responders, and so many rescuers that came to Hurricane Harvey.

Let me thank my mayor, Mayor Turner; the county judge, Judge Emmett; all of the commissioners and council members. Let me thank, most of all, our first responders and all of those who sacrificed their lives; some who died, an officer who died. Let me thank the Marines, the Navy, the Army, and the Texas National Guard. Let me thank the people who suffered through and are still suffering through this disaster, the most significant historic natural disaster in the history of the United States.

They are needing food and shelter still. They are needing the help of this great Congress. They are needing love and prayers, and I am prayerful that we will go together, walking together, and providing the money that these victims need.

Let me give you a sad story. As I left Houston today, announcements were coming to those in apartments: You are evicted, with no place to go.

Yes, the apartments were destroyed, but there is no place to go. We need a continuing effort to be able to help them. We need the EPA to inspect the various chemical plants, and we need

FEMA to be staffed more, and to be able to address some of the funding needs that we have.

The debris is unbelievable; maybe \$200-plus billion, but all I can say is that the lives were lost, but we are still prayerful.

To the Saldivar family who lost four children in a drowning: My prayers are with you.

We continue to lift them up, and work as Americans to make sure they are whole.

God bless the people in the southeast where Irma might come.

Mr. Speaker, I conclude by simply saying: Please don't let the DACA young people be thrown out in this devastating time. They, too, need to be embraced.

ANNUAL AUGUST BUS TOUR

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, each August, I conduct a bus tour of South Carolina's Second Congressional District with my wife, Roxanne, and dedicated staff members from all offices. I would like to specifically recognize scheduler Emily Saleeby for this year's very meaningfully coordinated schedule.

It was humbling and inspiring to meet with constituents and visit 30 locations from small businesses and schools to local chambers of commerce and large employers. I took the opportunity to thank employees for their service, and employers for creating jobs in all five counties I represent.

Many of the businesses were multigeneration success stories, such as Form Tool Technology in Elgin founded by Mike and Roxann Robbins; The Marwin Company in West Columbia led by Andy Davis; Anovotek in Barnwell founded by Don Alexander; and Hansen International in Lexington led by Lisa Beebe. The pro-development policies of South Carolina were also highlighted by Kimberly-Clark corporation's largest manufacturing facility in North America located in Beech Island with 2,000 employees.

I am additionally grateful for Principal Anna Miller of Chapin Middle School; Dr. Sandra Jordan, chancellor of USC-Aiken; Director Sandra Sigmon of North Family Community School; and Principal Jacqualine Kasprowski of Cardinal Newman High School for their emphasis on proactive education across the district.

A final stop was to thank Gary David of WVOC Radio in promoting relief efforts for the recovery of Hurricane Haryev in Houston.

Additional stops included BAE Systems hosted by Michael Eaton, Aiken Rotary Club hosted by John McMichael, Jr., Hubbell Power Systems hosted by Pete Swales, Ahh Sunshine hosted by Jim Hanna, CVS Caremark

Distribution Center hosted by Elizabeth Brooks, Frank Donaghy, and Tom Moriarty, Alley Downtown Taproom hosted by Norman Dunagan, Irmo Chamber of Commerce hosted by Kerry Powers, K2Tech hosted by Zach Minton, Cayce-West Columbia Rotary hosted by Marnie Robinson, Menchie's Frozen Yogurt hosted by Jorge Gonzales, Mathnasium hosted by Annette Sudduth, Coca-Cola hosted by Alison Patient, FN America hosted by Greg Butler, South Carolina Vocations & Individual Advancement (SCVIA), a division of Goodwill Industries of Upstate/Midlands, SC, Inc. hosted by Mike Adams. Duck Donuts hosted by Katie McCanna, Brittons of Columbia hosted by Perry Lancaster, Shealy's Bar-B-Que hosted by Tommy Shealy, and Ansaldo STS hosted by Joseph Eiseman.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

ENDING THE DEFERRED ACTION FOR CHILDHOOD ARRIVALS PROGRAM

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, from its earliest days, the Trump administration has embraced disastrous immigration policies. First was the unconstitutional Muslim ban rooted in fear rather than fact. Then came the obsession with an ineffective and expensive border wall. But today we have reached a new low.

In our justice system, people are held responsible for their actions. With the announcement of the end of DACA, we are throwing aside this principle. Instead, we are punishing youth who, through the actions of their parents, happen to be in the country without authorization. The average DACA recipient was barely 6 when she came to the U.S., yet the administration today has said that she should be deported to a land that she has never called home.

DACA recipients—the students, workers, and servicemembers in Rhode Island and around the Nation—are our friends. They are our neighbors. We cannot and we must not abandon them.

RECOGNIZING U.S. FOREST SERV-ICE CHIEF TIDWELL ON HIS RE-TIREMENT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize the distinguished career of U.S. Forest Service Chief Tom Tidwell, who has dedicated himself to public service for more than 40 years. Tom retired on Friday, September 1.

Over the last four decades, Chief Tidwell climbed the ranks, starting as a firefighter and becoming a district ranger, then forest supervisor, before leading more than 30,000 employees of the U.S. Forest Service.

Chief Tidwell worked on collaborative approaches to combat wildfires, maintain support for forests and grasslands, and support community-based partnerships to reduce appeals and increase work.

Since Tom was named chief in 2009, the Forest Service has enhanced treatments to improve and protect the health and strength of our forests and grasslands. Because of Chief Tidwell's vision, we have seen an emphasis on active management, forest products, and clean water.

Under Tom's leadership, the agency has made strides in helping the ecosystem remain sustainable while addressing the many challenges threatening America's forests, grasslands, and rural communities.

We are deeply grateful for Tom's 40 years of commitment and service. Mr. Speaker, I thank Chief Tidwell for his friendship and his service, and I wish him the best in his retirement.

PROTECTING DREAMERS

(Mr. KRISHNAMOORTHI asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KRISHNAMOORTHI. Mr. Speaker, today the President made clear that he refuses to protect DREAMers. It is now imperative that Congress acts to protect DREAMers before DACA ends.

This issue is personal for me because I, too, was brought to our country by my parents as a child. The hope for a better life which carried my parents here from oceans away was no different from that of the parents of DREAMers and generations of immigrants before.

DREAMers play a vital role in our economy, and ending DACA would cost our country nearly half a trillion dollars over 10 years. But the contributions of DREAMers go beyond any single statistic: DREAMers have built their lives here, started families here, built businesses here, and bled in uniform for the only home they have ever known.

I urge Speaker RYAN and my colleagues from both parties to come together to defend DREAMers and to develop a comprehensive approach to immigration built on American values.

HONORING SHERIFF THOMAS MILLS ON HIS RETIREMENT

(Mr. FASO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FASO. Mr. Speaker, today I rise to honor and congratulate Delaware County Sheriff Thomas Mills of Meredith, New York, on the occasion of his retirement from a 54-year career of service to his Nation and local community.

A lifelong resident of Delaware County, Sheriff Mills enlisted with the U.S. Marine Corps for 3 years after graduating from Franklin High School, and

he was also deployed to Santo Domingo during the Dominican Civil War in 1965.

Sheriff Mills attained the rank of corporal before returning to upstate New York, where he dedicated himself to protecting his local community through law enforcement at the State and local levels.

Sheriff Mills retired on August 28, 2017, after more than 18 years of service as sheriff of Delaware County, during which time he built the new public safety building and jail as well as implemented the countywide 9/11 system.

Sheriff Mills is a pillar of our Delaware County community, and I thank him and salute him and his family for their service, sacrifice, and never-ending desire to give back to their neighbors

TERMINATING DEFERRED ACTION FOR CHILDHOOD ARRIVALS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, President Trump's decision to end the DACA program is wrong. Today's announcement impacts over 22,000 New Jerseyans and over 800,000 people across the country. The primary beneficiaries of DACA are young people who were brought here to this country by no decision of their own.

In New Jersey, most DACA recipients are in the group of 18 to 21 years of age. At that age, they should be focused on college, developing trades, and overall sharpening their skills that will ultimately benefit our Nation.

Unfortunately, their future is now at the mercy of Congress. This issue transcends party, Mr. Speaker. Our decisions in the next 6 months will determine the future of hundreds of thousands of young people. We must make the right decision to protect DREAMers.

RECOGNIZING 75TH ANNIVERSARY OF WHITNEY POINT LAKE AND DAM

(Ms. TENNEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. TENNEY. Mr. Speaker, I rise today to recognize the 75th anniversary of Whitney Point Lake and dam in Broome County, New York.

A popular tourist destination, Whitney Point Lake welcomes more than 115,000 people annually. The 4,578-acre lake offers fishing, swimming, trails, playgrounds, and more than 100 picnic sites.

As an important fixture in our communities, Whitney Point Lake and dam brings more than \$3 million annually to our local economy and plays a pivotal role in limiting flooding.

Unfortunately, as we have seen this year, our region is also subject to devastating floods. While it is impossible
