# OBJECTING TO THE ADMINISTRATION'S EXECUTIVE ORDER SUSPENDING VISAS AND THE U.S. REFUGEE ADMISSIONS PROGRAM

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise today to object to the administration's recent executive order suspending the U.S. Refugee Admissions Program and visas from certain countries in the Middle East and east Africa. Protecting our national security, of course, must always be our number one priority.

This executive order, however, Mr. Speaker, does not focus on the precise challenges that we face. We can keep our homeland safe by immediately implementing more thorough screening procedures rather than pursuing this broad brush approach.

Although this measure is temporary and some individuals will continue to be admitted on a case-by-case basis, Congress needs to work to ensure that this order does not apply to U.S. residents, does not apply to those who have already been issued a visa, or does not apply to those who have already been granted refugee status.

I urge the administration to work with Congress and Federal agencies to find a measured plan that protects our national security, honors our existing commitments, and follows the letter and spirit of the law.

## EXECUTIVE ORDER ON REFUGEES

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, I believe that we live in the greatest country on Earth, and I am proud to say so. But I have to say that last week's executive order by President Trump on refugee resettlement is shaking that faith.

How can we hold ourselves as a beacon of hope when we turn away tens of thousands of the most desperate and vulnerable of our men, women, and children of this planet? How can we be the light of the world when our policies are driven by darkness and fear?

I am going to keep that light alive. I am going to fight to keep it that way because that is what we are, that is what we represent. I am going to fight because I still believe that we are that shining city on the hill. And I am going to fight for my State of Rhode Island, which was founded on the principle of free religious practice, not fear of the other. I am going to fight against injustice with my amazing constituents who joined together for the second weekend in a row of rallying at our State House to keep that light alive.

Mr. Speaker, we are a strong country, but we are strong because of our

values and our principles embodied in our Constitution. Let's continue to build that shining city on the hill for the world. I am going to continue this fight, and I hope my colleagues will, too.

## ACCESS TO INPATIENT REHABILITATION THERAPY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, before coming to Congress, I worked as a certified therapeutic recreation specialist and rehab services manager. There is no greater joy in the health profession than to see your patient make progress after a debilitating disease or disability.

I rise today to speak about how we can allow more patients the ability to live full and healthy lives through therapy. Last week, with Congressman G.K. BUTTERFIELD of North Carolina, I reintroduced the Access to Inpatient Rehabilitation Therapy Act. This bill would allow physicians to prescribe what they consider to be most medically necessary treatments for Medicare beneficiaries within the comprehensive inpatient rehab setting.

In 2010, Medicare narrowed its coverage options and limited therapeutic services to just physical therapy, occupational therapy, speech therapy, and orthotics and prosthetics. Meaning that if a doctor thought that a patient would be served by recreational therapy, it is currently not an option covered by Medicare. Well, that is wrong. Medicare coverage should support a patient's recovery plan as directed by their physician. Such therapies are intended to help those who have suffered a life-altering injury recover their functions and transition back to living a full life.

I urge my colleagues to support this bipartisan commonsense bill.

## EXECUTIVE ORDER AGAINST LEGAL IMMIGRATION

(Mr. KRISHNAMOORTHY asked and was given permission to address the House for 1 minute.)

Mr. KRISHNAMOORTHY. Mr. Speaker, I rise in strong opposition to President Trump's executive order against legal immigration.

I was sworn to uphold the Constitution and I was elected to grow our economy and help unify our country.

Unfortunately, this order is an assault on the Constitution, it harms the economy by harming working families, and it divides the country.

On Saturday night, I went to O'Hare International Airport to help American, legal permanent residents be freed from detention. They are people integral to the success of our community and our economy.

I ask my honorable Republican colleagues to stand with them and oppose the executive order.
