

the courts have said that this information is not confidential.

This amendment would rig the system against worker safety by depriving OSHA of the information they need to target the workplaces, so I request a "no" vote on this amendment.

Mr. GIBBS. Mr. Chairman, I ask support of my amendment to make sure that we protect the private health records of our employees at the work site and any illnesses that they might have. I don't think we should risk that.

As I said earlier, I think OSHA inspectors have the ability to come in and inspect those records on the workplace site. Putting it out on the internet doesn't make a lot of sense.

Mr. Chairman, I urge support of the amendment, and I yield back the balance of my time.

□ 2200

Ms. CLARK of Massachusetts. Mr. Chairman, Congress should support OSHA's efforts to protect workers and use their data to target safety and health efforts to the most dangerous workplaces.

Mr. Chair, I urge my colleagues to reject this rider and to move forward with the underlying bill.

Mr. Chair, I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Ohio (Mr. GIBBS).

The question was taken; and the Acting Chair announced that the ayes appeared to have it.

Ms. CLARK of Massachusetts. Mr. Chair, I demand a recorded vote.

The Acting CHAIR. Pursuant to clause 6 of rule XVIII, further proceedings on the amendment offered by the gentleman from Ohio will be postponed.

It is now in order to consider amendment No. 188 printed in House Report 115-297.

It is now in order to consider amendment No. 189 printed in House Report 115-297.

Mr. COLE. Mr. Chair, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. GIBBS) having assumed the chair, Mr. ARRINGTON, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 3354) making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2018, and for other purposes, had come to no resolution thereon.

SECURE RURAL SCHOOLS PROGRAM

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I rise this evening to highlight the impor-

tance of the Secure Rural Schools program. It was created to fill a void in the economics left by restrictive forest management practices and regulations that have basically cut off our Federal forests and left many rural communities without the forests that once drove their economy: timber harvest.

The program was established in 2000 as only a temporary program to help rural America until we could restore active forest management, which would allow communities to then be self-sufficient, create jobs, work the land, and keep their schools running.

Indeed, the temporary program has not seen the practices towards forest management, towards timber harvest that is needed, as we see the West up in smoke once again.

We need, in Congress, to put policies in place that allow for timber harvest, for better air quality, for the safety of the habitat, for the economy, and for secure rural schools so they will see funding they need, and for counties as well that rely on that for road money.

In Modoc County, they are afraid they may have to close one of their high schools, which means another 50-mile drive through bad weather over a ridge for some of the students there.

Congress must implement common-sense forest management for a myriad of reasons: again, forest health, school funding, jobs, all the things that make sense for the West. We need to pass Secure Rural Schools funding.
