HONORING THE LIFE AND SERVICE OF DR. JAMES DURELL TUBERVILLE

The SPEAKER pro tempore. Under the Speaker's announced policy of January 3, 2017, the Chair recognizes the gentleman from Louisiana (Mr. JOHNSON) for 30 minutes.

Mr. JOHNSON of Louisiana. Mr. Speaker, it is with profound sadness that I rise today to recognize the life and dedicated service of one of the Lord's most humble and outstanding servants, Dr. James Durell Tuberville. He made it his life's work to help others during difficult times, and he was a beacon of light and a towering figure in the life of countless many people, including my own family. His lasting influence on our community cannot be expressed enough, and I am humbled to rise and pay tribute to his life today, his faithful stewardship, and his unwavering commitment to the people of our region in northwest Louisiana.

James Durell Tuberville was born on October 25, 1958, in Shreveport, Louisiana, and on Sunday, August 13, 2017, he left this world to be with our Lord.

After graduating from Southwood High School in Shreveport, Dr. Tuberville continued his education at Grawood Christian School and Southwestern Assemblies of God College. He majored in pastoral ministry at Southwestern University, and received a master of arts in counseling from Louisiana Tech University.

He did all things for the glory of God, Mr. Speaker, and he brought care and compassion to multitudes. Dr. Tuberville served his early ministry as a youth pastor in Luna and then in Natchitoches, Louisiana. He later served as pastor of the Bethel Assembly of God in Shreveport for more than 11 years, before becoming counselor on the pastoral staff at Shreveport Community Church and president of Personal Solutions, Inc.

He selflessly aided those suffering through some of the largest disasters of our lifetime, including the horrific earthquake in Haiti, the Oklahoma City bombing, and the great tragedy on September 11, 2001.

Known and loved by all, Dr. Tuberville also served selflessly as chaplain for the Caddo Parish Sheriff's Office, Caddo Fire District 3, and as national chaplain of the firefighters Brother's Keepers Motorcycle Club.

It is difficult to imagine our community without the leadership and the larger-than-life presence, always encouraging, of Dr. Tuberville. His legacy and example are an enduring lesson for all of us, and we are comforted to know he has been received by the Lord with that ultimate affirmation: "Well done, good and faithful servant."

Mr. Speaker, on behalf of the United States Congress, it is a privilege to honor Dr. James Durell Tuberville today and to celebrate a life exceptionally well lived.

My wife, Kelly, and I extend our continued prayers and sincerest condolences to his wife and soulmate, Susan, and their two sons, Joshua Durell and Dustin Bruce, to the entire Tuberville family, and to all those whose lives were changed by this true giant of a man.

RECOGNIZING THE SERVICE AND ACHIEVEMENT OF MAJOR GENERAL JOANNE SHERIDAN

Mr. JOHNSON of Louisiana. Mr. Speaker, I rise today to recognize a hero from my home State, Major General Joanne Sheridan, for her steadfast service to the safety and security of the people of the State of Louisiana in the Louisiana National Guard.

Five years ago, Major General Sheridan became the first female general in the Louisiana National Guard's history, and today I would like to commend her for raising the bar once again and becoming the first female two-star general in the history of our Louisiana National Guard.

Originally from Maine, Major General Sheridan moved to Leesville, Louisiana, when the Army stationed her father, Command Sergeant Major Joe S. Fernald, at Fort Polk. There, she attended Leesville High School, and she went on to earn her bachelor of arts degree in sociology at Northeast Louisiana University in Monroe, Louisiana, where she received her commission through her Reserve Officers' Training Corps in May 1983. Later, she received a master's degree in strategic studies from the prestigious U.S. Army War College.

A true soldier for her community and in our country, Major General Sheridan began her impressive military career as an Active-Duty servicemember in the U.S. Army in February 1984 at Fort Polk Army Base. Throughout her 33-year career, in both her Active-Duty and National Guard service, her leadership has earned her the respect of her peers and included many major accomplishments.

□ 1800

She became the first female to command a battalion leading the 415th Military Intelligence Battalion, commander of the 199th Regiment Regional Training Institute, and the first female to helm a major command when she led the 61st Troop Command.

Currently, she serves as the assistant general for the Louisiana National Guard and is responsible, as the principal military adviser to the adjunct general, in assisting in the deployment and coordination of programs, policies, and plans for the Louisiana Army and Air National Guard.

The National Guard is unique in defending Louisiana both at home and abroad. Major General Sheridan served as a citizen soldier through Hurricane Katrina. She was deployed to Baghdad in support of Operation Iraqi Freedom in 2008, and led rescue and recovery efforts in the historic Louisiana flooding of 2016.

She previously served as president of the National Guard Association of Louisiana, and she now serves as the secretary of the National Guard Association of the entire United States.

Her dedication to the National Guard extends way beyond what is required of anyone. Twice—and this is even more inspiring—Major General Sheridan has battled breast cancer, and with her last round of treatment in August, she has again prevailed in that battle. Her incredible strength and courage serve as a beacon of hope for countless many others.

Mr. Speaker, it is my privilege to honor Major General Sheridan's many accomplishments and to recognize her honorable service to the State of Louisiana and to our great Nation. She has set a tremendous example, and I hope her accomplishments inspire others to aspire to her level of excellence.

My wife, Kelly, and I thank Major General Sheridan for all she does to defend our community and country, and we wish her continued success.

Mr. Speaker, I yield back the balance of my time.
