

This bill is not a partisan issue but, instead, a moral issue. By passing this law, every year we would be saving over 12,000 babies who can feel pain and hear our voices. It should be noted that this proposal has seen bipartisan support across the country. In fact, 60 percent of Americans support prohibiting abortions after 20 weeks, including 63 percent of those who consider themselves pro-choice.

This legislation is about nothing less than protecting those who cannot protect themselves. We remain one of only seven countries in the entire world that continues to allow abortions after 20 weeks.

We must act to change this. I urge my colleagues to join me today in supporting the Pain-Capable Unborn Child Protection Act, or Micah's Law.

#### A CALL TO RENEW YOUR STATUS UNDER DACA

(Ms. BARRAGÁN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BARRAGÁN. Mr. Speaker, I rise today because this Thursday, October 5, is an important deadline: 154,000 young men and women have until this Thursday to renew their status under the Deferred Action for Childhood Arrivals program, or DACA. Those 154,000 DACA recipients, whose authorization expires before March 6, 2018, must renew their application.

If you are one of them, please send in your application today. Under the new DACA rules, you are entitled to receive two more years of deferral, but only if the U.S. Citizenship and Immigration Services receives your application by October 5. If you have not already sent in your application, send it in the fastest way possible. A regular first class stamp will likely not arrive in time.

My district is home to many DACA beneficiaries known as DREAMers. Do not wait. To all the other DREAMers, I say: Don't lose hope. You have the support of the vast majority of the American people, and we are fighting every day to get the Dream Act to the House floor.

#### CELEBRATING NATIONAL 4-H WEEK

(Mr. MARSHALL asked and was given permission to address the House for 1 minute.)

Mr. MARSHALL. Mr. Speaker, the first week of October marks the celebration of an organization very near and dear to my parents' hearts, as well as many friends. It is National 4-H Week. It is a time to reflect on the importance of youth development and mentoring within our communities. 4-H was founded to be focused on youth within rural and agricultural areas. It teaches essential skills and the importance of community service.

Today, 4-H has evolved into a global network covering over 50 countries. As

the Nation's largest youth leadership organization, 4-H exemplifies the kind of learning, engagement, and leadership that is needed in our country. Their many programs focus on health, science, agriculture, and citizenship in a positive mentoring environment. The experience teaches young people leadership lessons, as well as the value of practical skills and hands-on learning.

#### HONORING ELAINE NEKRITZ

(Mr. SCHNEIDER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHNEIDER. Mr. Speaker, I rise today to honor a dedicated public servant, terrific mentor, and good friend, Elaine Nekritz, who retired this week as State representative for Illinois' 57th District.

For more than 14 years, Elaine has ably represented the communities of Buffalo Grove, Arlington Heights, Northbrook, Wheeling, Palatine, Mount Prospect, and Prospect Heights in the Illinois House of Representatives.

During this time, she has been an outspoken advocate for her constituents, a passionate defender of the environment, and a champion for women's rights.

Future generations in Illinois will benefit from Elaine's work to invest in infrastructure, including a high-speed rail link between Chicago and St. Louis.

Her smart backing of criminal justice reform ensures more young offenders have an opportunity to reform their lives through juvenile court.

The residents of the 57th District will miss her energy, dedication, and tireless communication with her constituents.

I am personally grateful for Elaine's service and wish her the best and her husband, Barry, the very best in whatever comes next.

#### HONORING PASTOR LORAN LIVINGSTON

(Mr. PITTINGER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTINGER. Mr. Speaker, I rise today in honor of Pastor Loran Livingston and his wife, Sandra, in recognition of their 40 years of ministry at Central Church of God in Charlotte, North Carolina.

God has used the Livingstons to grow and lead a church that truly impacts the Charlotte community and the world. Each week, over 6,000 people gather together for a wonderful praise and worship experience, along with a dynamic biblical message from Pastor Livingston.

Under their leadership, the congregation actively serves those in poverty, provides help for women facing an unplanned pregnancy all the way through

life, and programs to assist seniors. Central Church also hosts an annual 5K race to raise awareness in the fight against human trafficking.

If you want to address race relations in Charlotte, a good place to start is Central Church, where 40-plus nationalities worship together every Sunday hearing the love of Jesus.

Thank God for Pastor and Mrs. Livingston and their dedication to Christ, Central Church, the Charlotte community, and their various missions around the world.

#### SENDING CONDOLENCES TO NEVADAN FAMILIES AND VICTIMS OF LAS VEGAS SHOOTING

(Mrs. DAVIS of California asked and was given permission to address the House for 1 minute.)

Mrs. DAVIS of California. Mr. Speaker, the resilience of Nevadans, brave and caring, is in sharp contrast to the murdering of innocent victims we just witnessed.

Our hearts go out to the families of the victims throughout our country who were only interested in a peaceful and joyful evening.

One of those was Jennifer Irvine, a young San Diego lawyer who was killed in the attack. Let's also recognize the heroes, like Tyler Winston, a San Diegan who saved dozens of victims at the concert by driving a makeshift ambulance and taking people to the hospital. Every single life lost to gun violence should elicit sorrow and action.

Mr. Speaker, then why is it so hard for us to talk about this? Why can't we come together in a bipartisan, bicameral way? Where is the concern?

We have had too many moments of silence in this Chamber for mass shootings.

Why are we not moved when people are dying in our districts daily?

The American people send condolences and they deserve action.

#### PROTECTING THE GOD-GIVEN SOULS OF THE UNBORN

(Mr. ARRINGTON asked and was given permission to address the House for 1 minute.)

Mr. ARRINGTON. Mr. Speaker, I cannot think of a more important issue to get right than protecting the God-given souls of the unborn and their right to life, liberty, and the pursuit of happiness.

I will never forget listening to the heartbeat of my first child, Nathan. I cried all the way to the car, praising God for this miracle, and the words of the Psalmist came to me: "You formed me in my inward parts; you knit me together in my mother's womb."

Currently, the United States is one of only seven developed countries that allow elective abortions after 20 weeks. That puts us on the same moral equivalent, in this regard, to China and North Korea.

Mr. Speaker, I rise in support of H.R. 36. I stand with the vulnerable and the

voiceless, and I kneel in submission to the author of life and ask for His blessings on this country and this initiative.

HONORING PALM SPRINGS POLICE OFFICERS JOSE VEGA AND LESLEY ZEREBNY

(Mr. RUIZ asked and was given permission to address the House for 1 minute.)

Mr. RUIZ. Mr. Speaker, I rise to honor the lives of Palm Springs Police Officers Jose "Gil" Vega and Lesley Zerebny, who were tragically shot and killed 1 year ago in the line of duty.

Officer Vega lived by the mantra of "To Serve and Protect." He served our community for nearly 35 years and was just 2 months away from retirement when he was taken from his family and our community.

Officer Lesley Zerebny had recently returned to work following the birth of her daughter, Cora. Now a year old, Cora will never hold her mother. Lesley's community will always remember her as a fighter and a protector.

This weekend, the entire Coachella Valley community will honor their memory by dedicating a 4-mile stretch of Highway 111 in their honor. I am proud of our community for supporting the Vega and Zerebny families. Let's come together to ensure they have what they need to mourn, recover, and prosper.

Officers Vega, Zerebny, and family: We honor you for your sacrifice, and we are grateful for your service. Officer Vega and Officer Zerebny, end of watch, October 8, 2016.

IN SUPPORT OF TAX REFORM

(Mr. JOHNSON of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Louisiana. Mr. Speaker, I rise today to speak in support of H. Con. Res. 71. It has been said frequently that our Federal Tax Code today is more than 60 times longer than the Bible, and it contains none of the good news.

It has been more than 30 years since we updated our tax system, and many Americans are struggling to make ends meet, to find decent paying jobs and prepare for retirement.

No matter where I travel in my district, Mr. Speaker, Louisiana's Fourth District, I hear story after story about how our excessive Tax Code and burdensome regulations continue to hinder our businesses and stunt our economic growth.

Congress must act now and deliver a Tax Code that meets the current demands of the 21st century economy.

Fortunately, my Republican colleagues and I have put forth a framework to do exactly that. Our plan will create more jobs, fairer taxes, and bigger paychecks for working class Americans and small businesses.

When the people are allowed to keep more of their hard-earned dollars instead of turning them over to an already bloated Federal Government, we will unleash the free market again.

It is well past time we get our economy back on track, and passing meaningful tax reform is a crucial first step in completing that mission.

PAYING TRIBUTE TO RICHARD THELEN

(Mr. BISHOP of Michigan asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of Michigan. Mr. Speaker, I rise today to pay tribute to an incredible constituent in my district, Richard Thelen.

Seventy-two years ago, Mr. Thelen was aboard the USS *Indianapolis* with nearly 1,200 others when it was hit by two Japanese torpedoes and sank within a matter of minutes. He and 318 men of the crew survived 5 days in the ocean surrounded by sharks without any food or drinking water. He defied truly remarkable odds.

After this ordeal, Mr. Thelen went on to finish high school and was honorably discharged from the Navy. He was a truck driver for more than 40 years and raised six children. Today, he is 89 years young, and it is a privilege to have him as a part of the Eighth District community.

Mr. Speaker, I would like to inform this body that I am prepared to introduce legislation to honor Mr. Thelen of Lansing, Michigan, and the rest of his shipmates, with the Congressional Gold Medal award.

As we remember the survivors of this terrible tragedy, those we lost, and the recent finding of the ship itself, we thank you, Mr. Thelen, for your valiant service to our country.

COMMUNITY HEALTH CENTERS

(Mr. BARR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARR. Mr. Speaker, I rise today to urge my colleagues to act quickly to reauthorize the Community Health Center Fund, which expired last week on September 30.

Community health centers provide cost-effective and accessible primary care, mental health counseling, and substance abuse treatment for over 27 million patients nationally, including over 200,000 of my constituents in Kentucky's Sixth District.

The upfront Federal investment in community health centers leads to savings down the road by fighting the cycle of opioid addiction, preventing more complex health conditions, and diverting patients away from higher cost centers of care, such as the emergency room.

I have visited community health centers in my district, including White House Clinics, Sterling Health Solutions, Family Care of Bluegrass, and HealthFirst Bluegrass, and I have witnessed firsthand what a difference these organizations make in providing much needed care to at-risk Kentuckians.

Without the support of the Community Health Center Fund, these CHCs may soon be forced to cut back services, lay off staff, or even shut down clinics.

Mr. Speaker, admittedly, there is a robust debate in this country and a wide diversity of opinion about healthcare reform, the ACA, and what repeal and replacing the ACA should look like, but we should all agree that community health centers are part of the solution.

PROTECTING THE UNBORN

(Mr. ABRAHAM asked and was given permission to address the House for 1 minute.)

Mr. ABRAHAM. Mr. Speaker, I rise today to offer my support to the Pain-Capable Unborn Child Protection Act.

This legislation is crucial toward protecting the most vulnerable among us: the unborn.

As a doctor, it is my job to stay current with the latest medical research, and I have done so in my job in Congress, too.

The research overwhelmingly shows that children 20 weeks or less are capable of showing pain. This is brought forth by the fact that when an *in-utero* procedure is done, both the mother and the unborn child are given anesthesia. Not to do so allows that child to recoil in pain and show a stress response in the uterus.

I have heard, personally, as a physician, heartbeats in babies as early as 6 weeks of age in utero.

So this legislation is critical, it is needed, it is past due, and I urge my colleagues to support this.
