□ 1901

So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. TAYLOR. Mr. Speaker, I was unavoidably detained. Had I been present, I would have voted "Yea" on rollcall No. 559.

PERSONAL EXPLANATION

Mr. KNIGHT. Mr. Speaker, on Tuesday, October 10, I missed two votes to attend to constituent business in my district. Had I been present for the day's vote series, I would have voted "yea" on rollcall No. 558, the passage of H.R. 1858, to designate the facility of the United States Postal Service located at 4514 Williamson Trail in Liberty, Pennsylvania, as the "Staff Sergeant Ryan Scott Ostrom Post Office"; and "yea" on rollcall No. 559, the passage of H.R. 2464, to designate the facility of the United States Postal Service located at 25 New Chardon Street Lobby in Boston, Massachusetts, as the "John Fitzgerald Kennedy Post Office".

CELEBRATING THE MIAMI LIGHTHOUSE FOR THE BLIND LEARNING CENTER AND PRE-K PROGRAM

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise to congratulate the Miami Lighthouse for the Blind on its new Lighthouse Learning Center and Pre-K program.

The Miami Lighthouse has served south Florida since 1931, offering life-changing programs and resources for those who have visual impairments. President Virginia Jacko and her staff are making history once again with the Lighthouse Learning Center.

The Miami Lighthouse is partnering with Miami-Dade County Public Schools to provide a comprehensive learning program for pre-K students using an evidence-based curriculum to support and empower visually impaired students to achieve their potential. Children in this program will receive the training they need to perform at the same level as their sighted peers by the time they enroll in school.

Mr. Speaker, it fills me with great pride to recognize Virginia Jacko and the entire staff at the Miami Lighthouse for the Blind for their tireless work in launching this wonderful learning center in the heart of Little Havana, located in my congressional district.

CONGRESS NEEDS TO REAUTHORIZE CHIP FUNDING

(Mr. KRISHNAMOORTHY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KRISHNAMOORTHY. Mr. Speaker, since 1997, the Children's Health Insurance Program, or CHIP, has provided low-cost health insurance for millions of children across the United States of America.

Unfortunately, in another apparent sabotage to our Nation's healthcare system, Congress failed to reauthorize CHIP funding before it expired on September 30. Without immediate action, States will soon have to curtail care for our neediest children.

In my home State of Illinois, alone, over 295,000 children rely on CHIP for everything from routine checkups to immunizations. Congress' continued failure to reauthorize this critical program is jeopardizing the well-being of millions of America's children.

Congress will be going into recess again next week without taking any action to reauthorize this bipartisan and essential program for children. Meanwhile, millions of kids could go without care because of our failure to act. We must do better.

MICHIGAN'S UPPER PENINSULA CELEBRATES 40 YEARS OF COMMUNITY REVITALIZATION

(Mr. BERGMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BERGMAN. Mr. Speaker, I rise today to celebrate 40 years of community revitalization in Michigan's Upper Peninsula.

When Kincheloe Air Force Base closed in 1977, a renewal of the Saulte Ste. Marie community began as it transitioned from military to civilian use. These 40 years stand as a testament to the hard work and resilience of the folks of Chippewa County, who have overcome the job loss and revenue loss associated with Kincheloe's closing.

The transition from military to civilian is not always an easy one, but I am proud to represent a region that has remained focused on investing in the future of our communities. On this anniversary, we not only celebrate our current successes, but we also remember the contributions of our past.

Kincheloe Air Force Base played a significant role in shaping our national defense and making our community into what it is today. We are forever grateful to the Chippewa County community for preserving that history throughout these 40 years.

TRUMP RAMPS UP DEMANDS FOR NEW DACA DEAL

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, I join with my colleague from Illinois and demand that the Children's Health Insurance Program that will help millions of children have healthcare be re-

authorized now, and certainly it should be done before we leave for the work recess.

I also want to hold up the headline of the Houston Chronicle that says: "Trump Ramps Up Demands for New DACA Deal."

Sometimes we think that these are just statements that don't impact people's lives. The name of the young lady on this front page is Karen, who watches her parents work 17 hours a day, trying to ensure that the children who came here through no fault of their own can be contributing Americans.

We stood together yesterday with 122,000 in the State of Texas. We thought we had a reasonable deal to be able to work together to help these young people. But with the ridiculous demands that have been made by this administration—\$15 billion border wall, cutting legal immigration, sending out the door unaccompanied children—it is absolutely ludicrous.

Does anyone care about human life.

Then we stood together with the chief of police, the sheriff, the constables, and Moms Demand Action and fought against ridiculous nonregulation of guns that can kill people, military guns. We need gun safety legislation, and we need to do it now.

THE VIETNAM WAR MEMORIAL TRAVELING WALL VISITS CENTRE COUNTY, PENNSYLVANIA

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, over the weekend, I had the opportunity to participate in both the opening and the closing ceremonies for the traveling version of the Vietnam War Memorial Wall. The traveling wall was in State College last Thursday through Sunday, and it was a truly moving experience for all those who visited.

The theme for Centre County was "Welcome Home." We all know that in many instances, our Vietnam veterans did not receive a warm welcome home when they returned from war. This is a scar on our history and one that we are working to heal.

The traveling wall serves as a reminder of the efforts to promote liberty and freedom that our Vietnam veterans put forth. It finally recognizes their struggles and thanks them for their service after years of underappreciation.

Mr. Speaker, the wall tells the story of so many Americans. They were sons and daughters. They were our friends and our neighbors. They are American heroes.

It is never too late to honor our veterans to ensure that they receive the recognition that they deserve.

RELIEF EFFORT IN PUERTO RICO AFTER HURRICANE MARIA

(Ms. KAPTUR asked and was given permission to address the House for 1
