ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

□ 1344

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

MOMENT OF SILENCE FOR VICTIMS OF CALIFORNIA WILDFIRES

(Mr. THOMPSON of California asked and was given permission to address the House for 1 minute.)

Mr. THOMPSON of California. Mr. Speaker, the worst fires in the history of California have devastated nearly 300,000 acres, destroyed some 8,000 homes, caused billions of dollars in damage, burned to the ground many businesses, and, most sadly, taken the lives of 42 people—and that number may very well rise.

These fires were like no other, propelled by winds that reached speeds of over 70 miles per hour. The worst of the fires were in my district. They moved so fast, burning at times 200 feet per second. That is three football fields every 30 seconds.

People had little time to escape their burning homes. They fled with only the clothes on their back and, in some cases, with their homes already in flames.

The most covered area on the news is a neighborhood in my district in Santa Rosa called Coffey Park. There, alone, the entire neighborhood, some 1,300 homes, were burned to the ground. The winds were so high that they pushed the blaze across eight lanes of freeway and over two frontage roads to destroy the homes and lives of those 1,300 families.

Eleven thousand firefighters, thousands of law enforcement and National Guard soldiers put their lives on the line to stop the raging inferno and protect Californians in the line of the fire. Some of those first responders lost their own homes, but they worked 24/7 to help others. The actions of civilian heroes and heroines saved an untold number of lives.

The fallout from this disaster will be felt for years, if not decades. You can't just rebuild 8,000 homes and entire neighborhoods overnight.

My colleagues and I from California appreciate all of your words of comfort and offers to help, and the people hurt by this monster fire will need all of our help.

Mr. Speaker, I ask that the House now observe a moment of silence for those who lost their lives in this terrifying fire and to show our commitment to help rebuild the lives of the many thousands of people who have lost everything.

INTERNATIONAL NARCOTICS TRAFFICKING EMERGENCY RESPONSE BY DETECTING INCOMING CONTRABAND WITH TECHNOLOGY ACT

The SPEAKER pro tempore (Mr. HULTGREN). Without objection, 5-minute voting will continue.

There was no objection.

The SPEAKER pro tempore. The unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 2142) to improve the ability of U.S. Customs and Border Protection to interdict fentanyl, other synthetic opioids, and other narcotics and psychoactive substances that are illegally imported into the United States, and for other purposes, as amended, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania (Mr. FITZPATRICK) that the House suspend the rules and pass the bill, as amended.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 412, nays 3, not voting 17, as follows:

FAMILY OFFICE TECHNICAL CORRECTION ACT OF 2017

Mr. BARR. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 3972) to clarify that family offices and family clients are accredited investors, and for other purposes, as amended.

The Clerk read the title of the bill. The text of the bill is as follows:

H.R. 3972

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Family Office Technical Correction Act of 2017”.

SEC. 2. ACCREDITED INVESTOR CLARIFICATION.

(a) IN GENERAL.—Subject to subsection (b), any family office or a family client of a family office, as defined in section 275.202(a)(1)(G)-1 of title 17, Code of Federal Regulations, shall be deemed to be an accredited investor, as defined in Regulation D of the Securities and Exchange Commission (or any successor thereto) under the Securities Act of 1933.

(b) LIMITATION.—Subsection (a) only applies to a family office with assets under management in excess of \$5,000,000, and a family office or a family client not formed for the specific purpose of acquiring the securities offered, and whose purchase is directed by a person who has such knowledge and experience in financial and business matters that such person is capable of evaluating the merits and risks of the prospective investment.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Kentucky (Mr. BARR) and the gentleman from California (Ms. MAXINE WATERS) each will control 20 minutes.

The Chair recognizes the gentleman from Kentucky.

GENERAL LEAVE

Mr. BARR. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the bill.

The SPEAKER pro tempore (Mr. WOMACK). Is there objection to the request of the gentleman from Kentucky?

There was no objection.

Mr. BARR. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise today in support of H.R. 3972, the Family Office Technical Correction Act, which passed out of the House Financial Services Committee earlier this month with the unanimous support of my Republican and Democratic colleagues.

This timely legislation provides a technical clarification that makes it very apparent that family offices are considered accredited investors under regulation D.

Under Dodd-Frank, a family office or, in other words, a company that only has family clients, is owned by the family, and is not a public investment adviser can give financial advice to family members without the office registering under the Investment Advisers Act.

The rationale behind this was that family members will look out for one another. Thus, this legislation, for the same reason, allows family offices to count as accredited investors, which would allow them to make private placement investments.

The end result is that more capital will be available for investment in
