

submitted to Secretary Kelly. It has been signed by over 110 of my colleagues in the House. It requests that we have an immediate emergency meeting and briefing. I include in the RECORD the entire letter, and I will just read a short portion.

“The Executive Order is both controversial and confusing. For example, the International Rescue Committee called the Order ‘harmful and hasty’ noting ‘America has the strongest, most successful resettlement program in the world.’ Over 4,000 academics, including 25 Nobel Laureates, have signed a petition denouncing the Order, writing ‘this measure is fatally disruptive to the lives of these immigrants, their families, and the communities of which they form an integral part. It is inhumane, ineffective, and un-American.’”

HOUSE OF REPRESENTATIVES,
Washington, DC, February 1, 2017.

Hon. JOHN F. KELLY,
Secretary of Homeland Security, Department of Homeland Security, Washington, DC.

SECRETARY KELLY: We write to strongly condemn the President’s executive order issued January 27, 2017, titled “Protecting the Nation From Foreign Terrorist Entry into the United States,” and the ensuing actions taken by the U.S. Department of Homeland Security (DHS) and its agencies, in particular Customs and Border Protection (CBP), to implement the order, and to request an urgent briefing regarding the same. We hope you will urge the President to immediately rescind the Executive Order, which has created profound chaos and fear among refugees and immigrants who have been admitted to the United States, as well as their families. As a nation of immigrants that has been a refuge for people fleeing persecution from around the world, these actions are contrary to who we are as a nation.

We understand that you met yesterday at 4:30 PM with Chairs and Ranking Members of relevant Committees to discuss “recent executive actions.” You should understand that such a time limited meeting with a subset of Members and Senators in no way obviates the need for the briefing we are requesting for all Members. Such full Member briefings are a frequent occurrence on Capitol Hill after important events such as the issuance of the January 27 Executive Order. They allow all Members to benefit from the knowledge and experiences of the executive branch so that we may be well informed in our legislative and oversight affairs and serve our constituents best. The full Member briefing regarding the Executive Order is particularly needed given the unsettling events of last evening—the abrupt firing of Acting Attorney General Sally Yates and the termination without explanation of Daniel Ragsdale as acting Director of Immigration and Customs Enforcement (ICE). The need to brief the full Democratic Caucus is also necessary as we now understand that guidance concerning the January 27 Executive Order has been provided to Members of the Republican Conference, but not the Democratic Caucus. According to yesterday’s Washington Post, “substantive guidance [concerning the Executive Order was given] to congressional Republicans . . . late Saturday. . . . In a two-page memo that offered some details on the policy . . .”

The Executive Order harms our families, economy, and national security. Over the weekend, individuals—some of whom have been lawful permanent residents for decades—were found stranded outside the

United States, leaving families in turmoil. Technology companies, including industry leaders like Microsoft, Google, and Apple, report that the Executive Order could directly impact their employees and hinder their ability to attract the best talent from around the world. In addition, the policy reflected in the Executive Order is counterproductive to our national security. We understand that scores of American diplomats stationed across the globe are drafting a formal “dissent memo” to register their objections, stating that the order will “not achieve its aim of making our country safer” and will instead result in a “drop in international good will towards Americans and a threat to our economy.” We need to develop relationships with Muslim countries and others seeking to combat terrorism. Unfortunately, the Order alienates many of the groups we need to have working alongside us.

The Executive Order is both controversial and confusing. For example, the International Rescue Committee called the Order “harmful and hasty” noting “America has the strongest, most successful resettlement program in the world.” Over 4,000 academics, including 25 Nobel Laureates, have signed a petition denouncing the Order, writing “[t]his measure is fatally disruptive to the lives of these immigrants, their families, and the communities of which they form an integral part. It is inhumane, ineffective, and un-American.” The Order has resulted in widespread confusion, as hundreds of individuals have been improperly detained at our airports, at least four federal courts have issued stays concerning the Order, and protests have broken out at airports and other venues nationwide. At the time this letter was sent, 16 State Attorneys General have condemned the Executive Order.

In the interest of exercising proper Congressional oversight of DHS and CBP and of holding agencies accountable, we write to urgently request an emergency briefing this week with you and others at DHS and the Administration concerning the Executive Order. Among other things, we would like to receive the following, either at or in advance of the briefing:

Any DHS guidance, directive, or policy regarding interpretation and implementation of the Executive Order, specifically is it pertains to current visa holders seeking entry into the United States, visa applicants, lawful permanent residents, dual citizens, and U.S. citizens, as well as clarification on the status of the individuals from the seven designated countries in the Order who are applying for or renewing immigration benefits.

Details on individuals who have been prevented from entering the country, including the airport at which they arrived, location of detention, number provided with interpretation services, number who have been released broken down by airport, number of individuals who were sent back broken down by nationality, and a breakdown of the immigration status of those being detained and those who were sent back.

The manner in which DHS is complying with the various court-issued stays of removal, including the number of individuals who have been provided access to counsel.

What, if, any accommodations are being considered for interpreters and translators from the seven designated nations who have worked with our military and intelligence, as well as notable academics coming to do research in the U.S.

The manner in which the exceptions to the Executive Order’s application with respect to “religious minorities” will be applied, particularly given Mr. Trump’s series of statements concerning his preference for Christian refugees.

In addition, and among other things, we would like to be briefed by you on the accuracy of President Trump’s assertion that the Executive Order can be justified because then-president Obama had “banned visas for refugees from Iraq for six months” in 2011. It is our understanding that in 2011 the Iraqi resettlement program was subject to a simple reduction for a short time while new security measures were added. In stark contrast, Mr. Trump’s Executive Order calls for a suspension of all refugees, not just one category, in addition to suspending the Syrian program indefinitely.

For decades both Democratic and Republican Presidents have supported granting safe haven to families fleeing persecution, violence, terror, sexual slavery, and torture. At a time of unprecedented forced migration across the world, the need for American leadership in these areas has not subsided.

Given the urgency, widespread confusion and dangerous impact of the Executive Order, we would appreciate hearing from you as quickly as possible so that we may ensure the briefing occurs by no later than Friday, February 3. The lives and well-being of many individuals, as well as our ability to partner with foreign governments to fight terrorism, depends on it.

Sincerely,

JOHN CONYERS, JR.
Member of Congress.
ZOE LOFGREN,
Member of Congress.
PRAMILA JAYAPAL,
Member of Congress.
(And an additional
111 Members of
Congress.)

LEAVE OF ABSENCE

DEAR MR. SPEAKER: I am pleased to submit for printing in the Congressional Record, pursuant to Rule XI, clause 2(a) of the Rules of the House, a copy of the Rules of the Committee on Agriculture, which were adopted at the organizational meeting of the Committee on February 1, 2017.

Appendix A of the Committee Rules will include excerpts from the Rules of the House relevant to the operation of the Committee. Appendix B will include relevant excerpts from the Congressional Budget Act of 1974. In the interests of minimizing printing costs, Appendices A and B are omitted from this submission.

Sincerely,

K. MICHAEL CONAWAY,
Chairman.

RULE I.—GENERAL PROVISIONS

(a) Applicability of House Rules.—(1) The Rules of the House shall govern the procedure of the Committee and its subcommittees, and the Rules of the Committee on Agriculture so far as applicable shall be interpreted in accordance with the Rules of the House, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are non-debatable privileged motions in the Committee and its subcommittees. (See Appendix A for the applicable Rules of the U.S. House of Representatives.)

(2) As provided in clause 1(a)(1) of House Rule XI, each Subcommittee is part of the Committee and is subject to the authority and direction of the Committee and its Rules so far as applicable. (See also Committee Rules III, IV, V, VI, VII, VIII and XI, *infra*.)

(b) Authority to Conduct Investigations.—The Committee and its subcommittees, after consultation with the Chairman of the Committee, may conduct such investigations and studies as they may consider necessary or appropriate in the exercise of their responsibilities under Rule X of the Rules of the House and in accordance with clause 2(m) of House Rule XI.

(c) Authority to Print.—The Committee is authorized by the Rules of the House to have printed and bound testimony and other data presented at hearings held by the Committee and its subcommittees. All costs of stenographic services and transcripts in connection with any meeting or hearing of the Committee and its subcommittees shall be paid from applicable accounts of the House described in clause 1(k)(1) of House Rule X in accordance with clause 1(c) of House Rule XI. (See also paragraphs (d), (e) and (f) of Committee Rule IX.)

(d) Vice Chairman.—The Member of the majority party on the Committee or Subcommittee designated by the Chairman of the full Committee shall be the vice chairman of the Committee or Subcommittee in accordance with clause 2(d) of House Rule XI.

(e) Presiding Member.—If the Chairman of the Committee or Subcommittee is not present at any Committee or Subcommittee meeting or hearing, the vice chairman shall preside. If the Chairman and vice chairman of the Committee or Subcommittee are not present at a Committee or Subcommittee meeting or hearing the ranking Member of the majority party who is present shall preside in accordance with clause 2(d) of House Rule XI.

(f) Publication of Rules.—The Committee's Rules shall be publicly available in electronic form and published in the Congressional Record not later than 30 days after the Chair is elected in each odd-numbered year as provided in clause 2(a) of House Rule XI.

(g) Joint Committee Reports of Investigation or Study.—A report of an investigation or study conducted jointly by more than one committee may be filed jointly, provided that each of the committees complies independently with all requirements for approval and filing of the report.

RULE II.—COMMITTEE BUSINESS MEETINGS—REGULAR, ADDITIONAL AND SPECIAL

(a) Regular Meetings.—Regular meetings of the Committee, in accordance with clause 2(b) of House Rule XI, shall be held on the first Wednesday of every month to transact its business if notice is given pursuant to clause 2(g)(3) of House Rule XI. The Chairman shall provide each Member of the Committee, as far in advance of the day of the regular meeting as practicable, a written agenda of such meeting. Items may be placed on the agenda by the Chairman or a majority

of the Committee. (See paragraph (f) of Committee Rule XI for provisions that apply to meetings of subcommittees.)

(b) Additional Meetings.—(1) The Chairman may call and convene, as he or she considers necessary, which may not commence earlier than the third day on which Members have notice thereof after consultation with the Ranking Minority Member of the Committee or after concurrence with the Ranking Minority Member, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such additional meetings pursuant to the notice from the Chairman.

(2) A hearing or meeting may begin sooner than specified in clause (1) (in which case, the chair shall make the announcement specified at the earliest possible time) if the Committee so determines by majority vote in the presence of the number of Members required under the Rules of the Committee for the transaction of business.

(3) At least 24 hours prior to the commencement of a meeting for the markup of a measure or matter the Chair shall cause the text of such measure or matter to be made publicly available in electronic form.

(c) Special Meetings.—If at least three Members of the Committee desire that a special meeting of the Committee be called by the Chairman, those Members may file in the offices of the Committee their written request to the Chairman for such special meeting. Such request shall specify the measure or matters to be considered. Immediately upon the filing of the request, the Majority Staff Director (serving as the clerk of the Committee for such purpose) shall notify the Chairman of the filing of the request. If, within 3 calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within 7 calendar days after the filing of the request, a majority of the Members of the Committee may file in the offices of the Committee their written notice that a special meeting of the Committee will be held, specifying the date and hour thereof, and the measures or matter to be considered at that special meeting in accordance with clause 2(c)(2) of House Rule XI. The Committee shall meet on that date and hour. Immediately upon the filing of the notice, the Majority Staff Director (serving as the clerk) of the Committee shall notify all Members of the Committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered, and only the measure or matter specified in that notice may be considered at that special meeting.

RULE III.—OPEN MEETINGS AND HEARINGS; BROADCASTING

(a) Open Meetings and Hearings.—Each meeting for the transaction of business, including the markup of legislation, and each hearing by the Committee or a Subcommittee shall be open to the public unless closed in accordance with clause 2(g) of House Rule XI.

(b) Broadcasting and Photography.—Whenever a Committee or Subcommittee meeting for the transaction of business, including the markup of legislation, or a hearing is open to the public, that meeting or hearing shall:

(1) To the maximum extent practicable the Committee shall provide audio and video coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings and shall maintain the recordings of such coverage in a manner that is easily accessible to the public.

(2) Be open to coverage by television, radio, and still photography in accordance

with clause 4 of House Rule XI. When such audio and visual coverage is conducted in the Committee or Subcommittee, written notice to that effect shall be provided to each Member. The Chairman of the Committee or Subcommittee shall not limit the number of television or still cameras permitted in a hearing or meeting room to fewer than two representatives from each medium (except for legitimate space or safety considerations, in which case pool coverage shall be authorized).

(c) Closed Meetings—Attendees.—No person other than Members of the Committee or Subcommittee and such congressional staff and departmental representatives as the Committee or Subcommittee may authorize shall be present at any business or markup session that has been closed to the public as provided in clause 2(g)(1) of House Rule XI.

(d) Addressing the Committee.—A Committee Member may address the Committee or a Subcommittee on any bill, motion, or other matter under consideration (See Committee Rule VIII (e) relating to questioning a witness at a hearing). The time a Member may address the Committee or Subcommittee for any such purpose shall be limited to 5 minutes, except that this time limit may be waived by unanimous consent. A Member shall also be limited in his or her remarks to the subject matter under consideration, unless the Member receives unanimous consent to extend his or her remarks beyond such subject.

(e) Meetings to Begin Promptly.—Subject to the presence of a quorum, each meeting or hearing of the Committee and its subcommittees shall begin promptly at the time so stipulated in the public announcement of the meeting or hearing.

(f) Prohibition on Proxy Voting.—No vote by any Member of the Committee or Subcommittee with respect to any measure or matter may be cast by proxy.

(g) Location of Persons at Meetings.—No person other than the Committee or Subcommittee Members and Committee or Subcommittee staff may be seated in the rostrum area during a meeting of the Committee or Subcommittee unless by unanimous consent of Committee or Subcommittee.

(h) Consideration of Amendments and Motions.—A Member, upon request, shall be recognized by the Chairman to address the Committee or Subcommittee at a meeting for a period limited to 5 minutes on behalf of an amendment or motion offered by the Member or another Member, or upon any other matter under consideration, unless the Member receives unanimous consent to extend the time limit. Every amendment or motion made in Committee or Subcommittee shall, upon the demand of any Member present, be reduced to writing, and a copy thereof shall be made available to all Members present. Such amendment or motion shall not be pending before the Committee or Subcommittee or voted on until the requirements of this paragraph have been met.

(i) Demanding Record Vote.—

(1) A record vote of the Committee or Subcommittee on a question or action shall be ordered on a demand by one-fifth of the Members present.

(2) The Chairman of the Committee or Subcommittee may postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment. If the Chairman postpones further proceedings:

(A) the Chairman may resume such postponed proceedings, after giving Members adequate notice, at a time chosen in consultation with the Ranking Minority Member; and

(B) notwithstanding any intervening order for the previous question, the underlying

proposition on which proceedings were postponed shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(j) Submission of Motions or Amendments In Advance of Business Meetings.—The Committee and Subcommittee Chairman may request and Committee and Subcommittee Members should, insofar as practicable, cooperate in providing copies of proposed amendments or motions to the Chairman and the Ranking Minority Member of the Committee or the Subcommittee twenty-four hours before a Committee or Subcommittee business meeting.

(k) Points of Order.—No point of order against the hearing or meeting procedures of the Committee or Subcommittee shall be entertained unless it is made in a timely fashion.

(l) Limitation on Committee Sittings.—The Committee or subcommittees may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

(m) Prohibition of Wireless Telephones.—Use of wireless phones during a Committee or Subcommittee hearing or meeting is prohibited.

RULE IV.—QUORUMS.

(a) Working Quorum.—One-third of the Members of the Committee or Subcommittee shall constitute a quorum for taking any action, other than as noted in paragraphs (b) and (c).

(b) Majority Quorum.—A majority of the Members of the Committee or Subcommittee shall constitute a quorum for:

(1) the reporting of a bill, resolution, or other measure (See clause 2(h)(1) of House Rule XI, and Committee Rule IX);

(2) the closing of a meeting or hearing to the public pursuant to clauses 2(g), 2(k)(5), and 2(k)(7) of House Rule XI;

(3) the authorizing of a subpoena as provided in clause 2(m)(3) of House Rule XI (See also Committee Rule VII); and

(4) as where required by a Rule of the House.

(c) Quorum for Taking Testimony.—Two Members of the Committee or Subcommittee shall constitute a quorum for the purpose of taking testimony and receiving evidence.

RULE V.—RECORDS.

(a) Maintenance of Records.—The Committee shall keep a complete record of all Committee and Subcommittee action which shall include:

(1) in the case of any meeting or hearing transcripts, a substantially verbatim account of remarks actually made during the proceedings, subject only to technical, grammatical, and typographical corrections authorized by the person making the remarks involved, and

(2) written minutes, which shall include a record of all Committee and Subcommittee action, a record of all votes on any question, and a tally on all record votes.

The result of each such record vote shall be made available by the Committee for inspection by the public at reasonable times in the offices of the Committee and by telephone request and also made publicly available in electronic form within 48 hours of such record vote. Not later than 24 hours after adoption of an amendment to a measure or matter, the chair of the Committee shall cause the text of such amendment adopted thereto to be made publicly available in electronic form. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition; the name of each Member voting for and each Member voting against such amendment, motion, order, or other proposition; and the names of those Members present but not voting.

(b) Access to and Correction of Records.—Any public witness, or person authorized by such witness, during Committee office hours in the Committee offices and within 10 calendar days of the close of hearings, may obtain a transcript copy of that public witness's testimony and make such technical, grammatical, and typographical corrections as authorized by the person making the remarks involved as will not alter the nature of testimony given. There shall be prompt return of such corrected copy of the transcript to the Committee. Members of the Committee or Subcommittee shall receive copies of transcripts for their prompt review and correction and prompt return to the Committee. The Committee or Subcommittee may order the printing of a hearing record without the corrections of any Member or witness if it determines that such Member or witness has been afforded a reasonable time in which to make such corrections and further delay would seriously impede the consideration of the legislative action that is subject of the hearing. The record of a hearing shall be closed 10 calendar days after the last oral testimony, unless the Committee or Subcommittee determines otherwise. Any person requesting to file a statement for the record of a hearing must so request before the hearing concludes and must file the statement before the record is closed, unless the Committee or Subcommittee determines otherwise. The Committee or Subcommittee may reject any statement in light of its length or its tendency to defame, degrade, or incriminate any person.

(c) Property of the House.—All Committee and Subcommittee records (including hearings data, charts, and files) shall be kept separate and distinct from the congressional office records of the Members serving as Chairman. Such records shall be the property of the House, and all Members of the House shall have access thereto. The Majority Staff Director shall promptly notify the Chairman and the Ranking Minority Member of any request for access to such records.

(d) Availability of Archived Records.—The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with House Rule VII. The Chairman shall notify the Ranking Minority Member of the Committee of the need for a Committee order pursuant to clause 3(b)(3) or clause 4(b) of such House Rule, to withhold a record otherwise available.

(e) Special Rules for Certain Records and Proceedings.—A stenographic record of a business meeting of the Committee or Subcommittee may be kept, and thereafter may be published, if the Chairman of the Committee, after consultation with the Ranking Minority Member, determines there is need for such a record. The proceedings of the Committee or Subcommittee in a closed meeting, evidence or testimony in such meeting, shall not be divulged unless otherwise determined by a majority of the Committee or Subcommittee.

(f) Electronic Availability of Committee Publications.—To the maximum extent feasible, the Committee shall make its publications available in electronic form.

RULE VI.—POWER TO SIT AND ACT.

For the purpose of carrying out any of its function and duties under House Rules X and XI, the Committee and each of its subcommittees is authorized to sit and act at such times and places within the United States whether the House is in session, has recessed, or has adjourned and to hold such hearings.

RULE VII.—SUBPOENAS AND OATHS.

(a) Issuance of Subpoenas.—In accordance with clause 2(m) of House Rule XI, a sub-

poena may be authorized and issued by a majority of the Committee or by the Chairman in consultation with the Ranking Minority Member. Such consultation shall occur at least 48 hours in advance of a subpoena being issued under such authority. Authorized subpoenas shall be signed by the Chairman of the Committee or by any Member designated by the Committee.

(b) Oaths.—The Chairman of the Committee, or any member of the Committee designated by the Chairman, may administer oaths to any witnesses.

RULE VIII.—HEARING PROCEDURES.

(a) Power to Hear.—For the purpose of carrying out any of its functions and duties under House Rules X and XI, the Committee and its subcommittees are authorized to sit and hold hearings at any time or place within the United States whether the House is in session, has recessed, or has adjourned. (See Committee Rule VI and paragraph (f) of Committee Rule XI for provisions relating to Subcommittee hearings and meetings.)

(b) Announcement.—The Chairman of the Committee shall, after consultation with the Ranking Minority Member of the Committee, make a public announcement of the date, place, and subject matter of any Committee hearing at least 1 week before the commencement of the hearing. The Chairman of a Subcommittee shall schedule a hearing only after consultation with the Chairman of the Committee and the Ranking Minority Member of the Subcommittee. After such consultation, the Chairman of the Subcommittee shall consult the Chairmen of the other subcommittees and shall request the Majority Staff Director to make a public announcement of the date, place, and subject matter of such hearing at least 1 week before the hearing. If the Chairman of the Committee or the Subcommittee, with concurrence of the Ranking Minority Member of the Committee or Subcommittee, determines there is good cause to begin the hearing sooner, or if the Committee or Subcommittee so determines by majority vote, a quorum being present for the transaction of business, the Chairman of the Committee or Subcommittee, as appropriate, shall request the Majority Staff Director to make such public announcement at the earliest possible date. The clerk of the Committee shall promptly notify the Daily Digest Clerk of the Congressional Record and shall promptly enter the appropriate information into the Committee scheduling service of the House Information Systems as soon as possible after such public announcement is made.

(c) Scheduling of Witnesses.—Except as otherwise provided in this rule, the scheduling of witnesses and determination of the time allowed for the presentation of testimony at hearings shall be at the discretion of the Chairman of the Committee or Subcommittee, unless a majority of the Committee or Subcommittee determines otherwise.

(d) Written Statement; Oral Testimony.—

(1) Each witness who is to appear before the Committee or a Subcommittee, shall insofar as practicable file with the Majority Staff Director of the Committee, at least 2 working days before the day of his or her appearance, a written statement of proposed testimony. Witnesses shall provide sufficient copies of their statement for distribution to Committee or Subcommittee Members, staff, and the news media. Insofar as practicable, the Committee or Subcommittee staff shall distribute such written statements to all Members of the Committee or Subcommittee as soon as they are received, as well as any official reports from departments and agencies on such subject matter. All witnesses may be limited in their oral presentations to

brief summaries of their statements within the time allotted to them at the discretion of the Chairman of the Committee or Subcommittee, in light of the nature of the testimony and the length of time available.

(2) As noted in paragraph (b) of Committee Rule VII, the Chairman of the Committee, or any Member designated by the Chairman, may administer an oath to any witness.

(3) To the greatest extent practicable, each witness appearing in a non-governmental capacity shall include with the written statement of proposed testimony:

- (i) a curriculum vitae;
- (ii) disclosure of the amount and source (by agency and program) of any Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current calendar year or either of the 2 preceding calendar years by the witness or by an entity represented by the witness; and
- (iii) disclosure of the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government received during the current calendar year or either of the 2 preceding calendar years by the witness or by an entity represented by the witness.

Such statements, with appropriate redactions to protect the privacy of witnesses, shall be made publicly available in electronic form not later than 1 day after the witness appears.

(e) Questioning of Witnesses.—Committee or Subcommittee Members may question witnesses only when they have been recognized by the Chairman of the Committee or Subcommittee for that purpose. Each Member so recognized shall be limited to questioning a witness for 5 minutes until such time as each Member of the Committee or Subcommittee who so desires has had an opportunity to question the witness for 5 minutes; and thereafter the Chairman of the Committee or Subcommittee may limit the time of a further round of questioning after giving due consideration to the importance of the subject matter and the length of time available. All questions put to witnesses shall be germane to the measure or matter under consideration. Unless a majority of the Committee or Subcommittee determines otherwise, no Committee or Subcommittee staff shall interrogate witnesses.

(f) Extended Questioning for Designated Members.—Notwithstanding paragraph (e), the Chairman and Ranking Minority Member may designate an equal number of Members from each party to question a witness for a period not longer than 60 minutes.

(g) Witnesses for the Minority.—When any hearing is conducted by the Committee or any Subcommittee upon any measure or matter, the minority party Members on the Committee or Subcommittee shall be entitled, upon request to the Chairman by a majority of those minority Members before the completion of such hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least 1 day of hearing thereon as provided in clause 2(j)(1) of House Rule XI.

(h) Summary of Subject Matter.—Upon announcement of a hearing, to the extent practicable, the Committee shall make available immediately to all Members of the Committee a concise summary of the subject matter (including legislative reports and other material) under consideration. In addition, upon announcement of a hearing and subsequently as they are received, the Chairman of the Committee or Subcommittee shall, to the extent practicable, make available to the Members of the Committee any official reports from departments and agencies on such matter. (See paragraph (f) of Committee Rule XI.)

(i) Open Hearings.—Each hearing conducted by the Committee or Subcommittee

shall be open to the public, including radio, television, and still photography coverage, except as provided in clause 4 of House Rule XI (See also paragraph (b) of Committee Rule III.). In any event, no Member of the House may be excluded from nonparticipatory attendance at any hearing unless the House by majority vote shall authorize the Committee or Subcommittee, for purposes of a particular series of hearings on a particular bill or resolution or on a particular subject of investigation, to close its hearings to Members by means of the above procedure.

(j) Hearings and Reports.—(1)(i) The Chairman of the Committee or Subcommittee at a hearing shall announce in an opening statement the subject of the investigation. A copy of the Committee Rules (and the applicable provisions of clause 2 of House Rule XI, regarding hearing procedures, an excerpt of which appears in Appendix A thereto) shall be made available to each witness upon request. Witnesses at hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights. The Chairman of the Committee or Subcommittee may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; but only the full Committee may cite the offender to the House for contempt.

(ii) Whenever it is asserted by a Member of the Committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness, such testimony or evidence shall be presented in executive session, notwithstanding the provisions of paragraph (i) of this rule, if by a majority of those present, there being in attendance the requisite number required under the Rules of the Committee to be present for the purpose of taking testimony, the Committee or Subcommittee determines that such evidence or testimony may tend to defame, degrade, or incriminate any person. The Committee or Subcommittee shall afford a person an opportunity voluntarily to appear as a witness; and the Committee or Subcommittee shall receive and shall dispose of requests from such person to subpoena additional witnesses.

(iii) No evidence or testimony taken in executive session may be released or used in public sessions without the consent of the Committee or Subcommittee. In the discretion of the Committee or Subcommittee, witnesses may submit brief and pertinent statements in writing for inclusion in the record. The Committee or Subcommittee is the sole judge of the pertinence of testimony and evidence adduced at its hearings. A witness may obtain a transcribed copy of his or her testimony given at a public session. If given at an executive session, a transcribed copy of testimony may be obtained when authorized by the Committee or Subcommittee. (See paragraph (c) of Committee Rule V.)

(2) A proposed investigative or oversight report shall be considered as read if it has been available to the Members of the Committee for at least 24 hours (excluding Saturdays, Sundays, or legal holidays except when the House is in session on such day) in advance of their consideration.

RULE IX—THE REPORTING OF BILLS AND RESOLUTIONS

(a) Filing of Reports.—The Chairman shall report or cause to be reported promptly to the House any bill, resolution, or other measure approved by the Committee and

shall take or cause to be taken all necessary steps to bring such bill, resolution, or other measure to a vote. No bill, resolution, or measure shall be reported from the Committee unless a majority of the Committee is actually present. A Committee report on any bill, resolution, or other measure approved by the Committee shall be filed within 7 calendar days (not counting days on which the House is not in session) after the day on which there has been filed with the Majority Staff Director of the Committee a written request, signed by a majority of the Committee, for the reporting of that bill or resolution. The Majority Staff Director of the Committee shall notify the Chairman immediately when such a request is filed.

(b) Content of Reports.—Each Committee report on any bill or resolution approved by the Committee shall include as separately identified sections:

- (1) a statement of the intent or purpose of the bill or resolution;
- (2) a statement describing the need for such bill or resolution;
- (3) a statement of Committee and Subcommittee consideration of the measure, including a summary of amendments and motions offered and the actions taken thereon;
- (4) the results of each record vote on any amendment in the Committee and Subcommittee and on the motion to report the measure or matter, including the total number of votes cast for and against, and the names of Members voting for and against such amendment or motion (See clause 3(b) of House Rule XIII);

(5) the oversight findings and recommendations of the Committee with respect to the subject matter of the bill or resolution, as required pursuant to clause 3(c)(1) of House Rule XIII and clause 2(b)(1) of House Rule X;

(6) the detailed statement described in House Rule XIII clause 3(c)(2) and section 308(a) of the Congressional Budget Act of 1974 if the bill or resolution provides new budget authority (other than continuing appropriations), new spending authority described in section 401(c)(2) of such Act, new credit authority, or an increase or decrease in revenues or tax expenditures, except that the estimates with respect to new budget authority shall include, when practicable, a comparison of the total estimated funding level for the relevant program (or programs) to the appropriate levels under current law;
