AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. MESSER) at 2 p.m.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

Eternal God, through whom we see what we could be, and what we can be-

come, thank You for giving us another day.

Send Your spirit upon the Members of this people's House to encourage them in their official tasks. Be with them and with all who labor here to serve this great Nation and its people.

Assure them that whatever their responsibilities, You provide the grace to enable them to be faithful in their duties and the wisdom to be conscious of their obligations and fulfill them with integrity.

Remind us all of the dignity of work and teach us to use our talents and abilities in ways that are honorable and just and are of benefit to those we serve.

May all that is done this day be for Your greater honor and glory.

Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Minnesota (Mr. EMMER) come forward and lead the House in the Pledge of Allegiance.

Mr. EMMER led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

VETERAN JOHN GRAW, WELCOME TO MINNESOTA'S SIXTH

(Mr. EMMER asked and was given permission to address the House for 1 minute.)

Mr. EMMER. Mr. Speaker, I rise today to welcome an incredible indi-

vidual who is new to Minnesota's Sixth Congressional District.

John Graw, a World War II veteran, recently moved to Ramsey to be closer to his daughters. Upon his arrival in Ramsey—which was, coincidentally, the day before Veterans Day—the Ramsey City Council awarded John with a key to the city and a letter welcoming him to the community.

John was a master sergeant in the U.S. Army Air Force and served with the Mediterranean Allied Air Force that fought in the North African Campaign as well as the European theater in Italy and France during World War II.

I am so glad that John received such a warm welcome to Ramsey, especially because he came to the defense of our Nation during one of its darkest times. It is inspiring to know that this hero lives among us, and it is an honor to stand here today and welcome this member of the Greatest Generation to our community.

ARMY RECOGNITION FOR ARKANSAS CONGRESSMAN STEVE WOMACK

(Mr. HILL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HILL. Mr. Speaker, I rise today to honor the achievement of a true Arkansas leader, my colleague and friend, Representative STEVE WOMACK.

Early this year, STEVE was awarded the Department of the Army's Decoration for Distinguished Civilian Service, which is the highest award the Secretary of the Army may bestow upon a civilian.

Before being elected Representative for Arkansas' Third Congressional District, STEVE dedicated most of his adult life to the Arkansas Army National Guard where he retired as a colonel after 30 years of service.

He has been awarded the Meritorious Service Medal, the Army Commendation Medal, and the Legion of Merit. His example is one all Americans and Arkansans can admire, and I treasure our work together here in the 115th Congress representing our State of Arkansas.

NOAA BETRAYED THE AMERICAN PEOPLE

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Texas. Mr. Speaker, a whistleblower has charged that the National Oceanic and Atmospheric Administration falsified data in a study that attempted to disprove the widely accepted 15-year halt in global warming. This was done in an effort to garner public support for the Obama administration's Clean Power Plan and the United Nations' Paris climate agreement.

NOAA's officials suppressed internal debate about the study and actively obstructed the House Science Committee's investigations of concerns about the data. However, one brave scientist decided to step forward and blow the whistle on NOAA.

According to Dr. John Bates, NOAA put its thumb on the scale to justify their predetermined conclusions and support the President's agenda, even if that meant violating their own scientific integrity rules.

The Science Committee will continue to investigate this scandal. Americans have a right to unbiased science.

We can thank Dr. Bates for his heroic act and for having the courage to step forward in the face of the liberal media's smear campaigns.

The SPEAKER pro tempore laid before the House the following communication from the Clerk of the House of Representatives:
