

Whereas, on January 19, 2016, White House Press Secretary Josh Earnest stated that the United States Government had “secured a commitment from the Iranians to use the channel that has now been opened to secure the release of those individuals that we know were being held by Iran . . . to try and gather information about Mr. Levinson’s possible whereabouts”;

Whereas the Government of Iran’s most recent commitment to assist in and the diplomatic channel dedicated to locating and returning Bob Levinson have not yielded any meaningful results;

Whereas, on November 23, 2016, the United Nations Working Group on Arbitrary Detention (UNWGAD) issued Opinion No. 50/2016, concerning Robert Levinson in which the UNWGAD found Iran responsible for the arbitrary detention of Mr. Levinson;

Whereas, on November 26, 2013, Mr. Levinson became the longest held United States civilian in our Nation’s history; and

Whereas the Federal Bureau of Investigation continues to offer a \$5,000,000 reward for information leading to Mr. Levinson’s safe return: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes that March 9, 2017, marks 10 years since the disappearance of Robert Levinson from Kish Island, Iran;

(2) recognizes that Robert Levinson is the longest held United States civilian in our Nation’s history;

(3) notes that repeated pledges by officials of the Government of Iran to provide their Government’s assistance in the case of Robert Levinson have not led to any meaningful progress in locating or returning Robert Levinson;

(4) urges the Government of Iran to take meaningful steps towards fulfilling its repeated promises to assist in locating and returning Robert Levinson, including immediately providing all available information from all entities of the Government of Iran regarding the disappearance of Robert Levinson to the United States Government;

(5) urges the President and the allies of the United States to continue to press the Government of Iran at every opportunity to locate and return Robert Levinson, notwithstanding ongoing and serious disagreements the United States Government has with the Government of Iran on a broad array of issues, including Iran’s ballistic missile program, sponsorship of international terrorism, and human rights abuses;

(6) notes that in addition to these other serious issues, further delay in locating and returning Robert Levinson remains a significant obstacle to improving United States-Iran relations; and

(7) expresses sympathy to the family of Robert Levinson for their anguish and expresses hope that their ordeal can be brought to an end in the near future.

SENATE RESOLUTION 86—RECOGNIZING THE CONTRIBUTIONS OF AMERICORPS MEMBERS AND ALUMNI TO THE LIVES OF THE PEOPLE OF THE UNITED STATES

Mr. COONS (for himself, Mr. COCHRAN, Mrs. SHAHEEN, Mr. WICKER, Mr. CARPER, Mr. BOOZMAN, Mr. BENNET, Mr. DURBIN, Mr. TESTER, Ms. HIRONO, Ms. BALDWIN, Ms. HASSAN, Mr. WYDEN, Mr. HEINRICH, Ms. DUCKWORTH, Mr. FRANKEN, Mr. WHITEHOUSE, Mr. MERKLEY, Mr. MARKEY, Mr. BOOKER, Mr. REED, Ms. WARREN, Mr. PETERS, Mr. VAN HOLLEN, Mrs. GILLIBRAND, Mr. MCCAIN, Mr. MORAN, Mr. BLUNT, Mr.

MANCHIN, and Mr. CASEY) submitted the following resolution; which was considered and agreed to:

S. RES. 86

Whereas, since its inception in 1994, the AmeriCorps national service program has proven to be a highly effective way to engage the people of the United States in meeting a wide range of local and national needs and promote the ethics of service and volunteerism;

Whereas, since 1994, more than 1,000,000 individuals have taken the AmeriCorps pledge to “get things done for America” by becoming AmeriCorps members;

Whereas, each year, AmeriCorps, in coordination with State service commissions, provides opportunities for approximately 80,000 individuals across the United States to give back in an intensive way to communities, States, and the United States;

Whereas AmeriCorps members have served more than 1,400,000,000 hours nationwide, helping to—

- (1) improve the lives of the most vulnerable people of the United States;
- (2) protect the environment;
- (3) contribute to public safety;
- (4) respond to disasters; and
- (5) strengthen the educational system of the United States;

Whereas, since 1994, more than \$8,700,000,000 in AmeriCorps funds have been invested in nonprofit, community, educational, and faith-based groups and those funds leverage hundreds of millions of dollars in outside funding and in-kind donations each year;

Whereas, in 2016, AmeriCorps members recruited and supervised more than 2,300,000 community volunteers, demonstrating the value of AmeriCorps as a powerful force for encouraging people to become involved in volunteering and community service;

Whereas, in 2016, AmeriCorps members served at approximately 21,000 locations across the United States, including at nonprofit organizations, schools, and faith-based and community organizations;

Whereas AmeriCorps National Civilian Community Corps campuses in Mississippi, Maryland, Iowa, California, and Colorado strengthen communities and develop future leaders through team-based service;

Whereas AmeriCorps members nationwide, in return for the service of those members, have earned more than \$3,300,000,000 to use to further their own educational advancement at colleges and universities across the United States;

Whereas AmeriCorps members, after their terms of service with AmeriCorps end, have been more likely to remain engaged in their communities as volunteers, teachers, and nonprofit professionals than the average individual;

Whereas, in 2009, Congress passed the bipartisan Serve America Act (Public Law 111-13; 123 Stat. 1460), which authorized the expansion of national service, expanded opportunities to serve, increased efficiency and accountability, and strengthened the capacity of organizations and communities to solve problems;

Whereas national service programs have engaged millions of people in the United States in results-driven service in the most vulnerable communities of the United States, providing hope and help to individuals with economic and social needs;

Whereas national service and volunteerism demonstrate the best of the spirit of the United States, with people turning toward problems and working together to find community solutions; and

Whereas AmeriCorps Week, observed in 2017 from March 4 through March 11, is an

appropriate time for the people of the United States to salute current and former AmeriCorps members for their positive impact on the lives of people in the United States, to thank the community partners of AmeriCorps for making the program possible, and to encourage more people in the United States to become involved in service and volunteering: Now, therefore, be it

Resolved, That the Senate—

(1) encourages the people of the United States to join in a national effort to—

(A) salute AmeriCorps members and alumni; and

(B) raise awareness about the importance of national and community service;

(2) acknowledges the significant accomplishments of the members, alumni, and community partners of AmeriCorps;

(3) recognizes the important contributions made by AmeriCorps members and alumni to the lives of the people of the United States; and

(4) encourages individuals of all ages to consider opportunities to serve in AmeriCorps.
