

Our national defense, our infrastructure, our electricity, our technology, our agriculture, our transportation, and communication capabilities all rely on the products of mining. The Women's Mining Coalition will continue to make this message heard with energy, talent, and enthusiasm.

As the senior Senator from the Silver State, I ask my colleagues and all Nevadans to join me in congratulating the Women's Mining Coalition on its 25 years of thoughtful advocacy on behalf of mining in Nevada and across the country. This group has advanced Nevada's mining industry, and I am honored to recognize this important contribution. I wish the Women's Mining Coalition well in its future endeavors in creating greater opportunities for mining in our great State.●
