STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. FLAKE (for himself and Ms. HEITKAMP):

S. 1305. A bill to provide U.S. Customs and Border Protection with adequate flexibility in its employment authorities; to the Committee on Homeland Security and Governmental Affairs.

Mr. FLAKE. Mr. President, I rise to speak in support of the Customs and Border Protection Hiring and Retention Act, or CBP HiRe Act.

In recent years, U.S. Customs and Border Protection, or CBP, has had a lot of trouble recruiting, hiring, and retaining personnel to adequately staff the border and our ports of entry. Today, CBP is nearly 1,000 officers below the mandated staffing levels. The Border Patrol, whose duty it is to secure 6,000 miles of borderlands, suffers from a shortage of more than 1,800 agents. These shortages persist, despite ample backing and funding from Congress and the threat they pose to both national security and trade-reliant communities and economies, particularly in my State of Arizona. This has been frustrating for border communities across the country, but it is especially problematic for Arizona, a State that depends on both border security and a lot of cross-border trade.

For example, the Nogales port of entry in Southern Arizona is one of the busiest ports in the United States. It processes approximately \$2.5 billion worth of produce each year. Arizona alone does about \$15 billion in trade with Mexico alone, every year. Mexican shoppers spend about \$8 million in stores in Arizona every day.

However, the port currently is suffering from a 23-percent shortage of CBP officers. Our ports cannot effectively and efficiently facilitate the flow of commerce across the border without adequate staffing.

One of the biggest challenges in both retaining and hiring new officers and agents for frontline positions has been the remoteness of CBP installations. CBP officers and border agents are often stationed in geographically remote and isolated locations. This likely contributes to the fact that, of those leaving the agency, nearly 30 percent of Border Patrol agents and over 10 percent of CBP officers are lost to other agencies.

Massive staffing shortages aside, CBP is barely able to hire fast enough to fill the jobs left by departing agents and officers. So we have great needs that are not being filled, but we also have attrition we simply can't replace. In fact, CBP hires only 1 out of every 64 applicants for officer positions, and 1 out of every 113 applicants for Border Patrol agent positions. This means that less than 2 percent of applicants manage to get through CBP's hiring process. The situation at CBP today is simply unsustainable.

Congress can't sit idly by as slow hiring rates and accelerating attrition threaten the security of our borders and the underpinnings of our economy. To that end, I am pleased to introduce my CBP HiRe Act with Senator
