By Mrs. FEINSTEIN:

S. 1993. A bill to adjust the boundary of the Santa Monica Mountains National Recreation Area to include the Rim of the Valley Corridor, and for other purposes; to the Committee on Energy and Natural Resources.

Mrs. FEINSTEIN. Mr. President, I am pleased to introduce the Rim of the Valley Corridor Preservation Act. This legislation expands the boundary of the Santa Monica Mountains National Recreation Area to provide surrounding communities much-needed additional access to nature while maintaining private property rights and existing local land use authorities.

This bill adds an additional 191,000 acres, known as the Rim of the Valley Unit, to better protect natural resources and habitats, and provide members of the local community with improved recreational and educational opportunities.

This proposed expansion comes at the recommendation of the National Park Service after a six-year special resource study of the area. The study was directed by Congress in the Rim of the Valley Corridor Study Act, passed in 2008. The National Park Service's recommendation takes into account over 2,000 comments received from the public, elected officials, local organizations, and other stakeholders.
