

and I sincerely thank him and his family for everything they have done for the people of Vermont.

Bob Jenkins joined the Vergennes Fire Department in 1962, following in the footsteps of his father, George Jenkins. After serving for 5 years in Vergennes, Bob helped establish the New Haven Volunteer Fire Department in 1967, which became part of the Addison County Firefighters Association Mutual Aid system the following year. For five decades, Bob continued to work with the New Haven Fire Department with training and guidance, whenever needed. On May 6, 2017, at the department's 50th anniversary, Bob was presented with an honorary membership. This follows the honorary membership he received from the Vergennes Fire Department in 1982.

Bob joined the Ferrisburgh Volunteer Fire Department in 1968, where he was soon promoted to the rank of captain. In 1970, recognizing his dedication and leadership, the department elected him chief, a position he held for 19 years. Bob remained very active after stepping down as chief, spending countless hours working with successive chiefs, passing on knowledge and expertise to help maintain a professional and highly trained department with well-maintained equipment. His service was deservedly recognized this past summer, when the Ferrisburgh Fire Department took delivery of a brand-new frontline engine and dedicated it in honor of Chief Jenkins.

Bob has been a mentor to many other chiefs and firefighters throughout Addison County, as well as the State of Vermont. He served on numerous committees of the Addison County Firefighters Association, including Sergeant at Arms at the annual business meeting and awards banquet. He was presented with life membership to the association in 1993. He also served for many years as an instructor for the annual Addison County Regional Fire School, which draws firefighters from around Vermont, New York, and Canada. In 1994, the 24th Annual Regional Fire School was dedicated to Bob for his commitment to the training program.

Bob also served as an instructor for the Vermont State Firefighters' Association and is a charter member of the Vermont Fire Academy training center in Pittsford. He is passionate about teaching young firefighters all aspects of the fire service, from today's fire-fighting skills to department history. His expertise in building construction has been particularly important during training and has helped keep many Vermont firefighters safe during fire calls. He also teaches respect for what firefighters do, for fellow members, for leadership, and for our communities. In return, he has gained the respect of his fellow firefighters for his willingness to share his time and knowledge.

Bob's community service does not stop with firefighting. He has served the town of Ferrisburgh in many different ways, including overseeing construction of a new firestation in 1993,

overseeing the construction of a new town highway facility in 2015 to 2016, and serving on the town select board, as well as projects for the North Ferrisburgh Methodist Church.

The bottom line is that Bob Jenkins has unselfishly protected and served his community for 55 years. He is a model for what leadership is about. We must keep in mind that Bob did not do this alone. He had the commitment and understanding of his wife of 52 years, Mary Jane; his daughter, Robin; his son, Chris; and his stepsons, Tim, Mark, and Ricky—even when Bob spent time away from home, missing family dinners, family outings, birthdays, holidays, and school events.

I will finish with some words from New Haven Assistant Chief Dean Gilmore: "If you add Bob's love for his family, his love for his community, and his love for his fellow firefighters; his family's love for him, and his fellow firefighters; his fellow firefighters' love for him and his family; his community's love for him, his family, and his fellow firefighters; we have one powerful feeling in our hearts that is everlasting."•

#### MESSAGE FROM THE PRESIDENT

A message from the President of the United States was communicated to the Senate by Mr. Pate, one of his secretaries.

#### PRESIDENTIAL MESSAGE

REPORT RELATIVE TO THE CONTINUATION OF THE NATIONAL EMERGENCY RELATIVE TO THE ACTIONS AND POLICIES OF THE GOVERNMENT OF SUDAN AS DECLARED IN EXECUTIVE ORDER 13067 OF NOVEMBER 3, 1997—PM 18

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying

report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act, 50 U.S.C. 1622(d), provides for the automatic termination of a national emergency unless, within 90 days before the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Sudan declared in Executive Order 13067 of November 3, 1997, is to continue in effect beyond November 3, 2017.

Despite recent positive developments, the crisis constituted by the actions and policies of the Government of Sudan that led to the declaration of a national emergency in Executive Order 13067; the expansion of that emergency in Executive Order 13400 of April 26, 2006; and with respect to which additional steps were taken in Executive Order 13412 of October 13, 2006, Executive Order 13761 of January 13, 2017, and Executive Order 13804 of July 11, 2017, has not been resolved. These actions and policies continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. I have, therefore, determined that it is necessary to continue the national emergency declared in Executive Order 13067, as expanded by Executive Order 13400, with respect to Sudan.

DONALD J. TRUMP.  
THE WHITE HOUSE, October 31, 2017.
