Mr. SCHUMER. Mr. President, today we are adopting S. Res. 327, the National Carbon Monoxide Poisoning Awareness Week resolution. In 2015 I sponsored a similar resolution, National Carbon Monoxide Poisoning Awareness Month, which was inspired by the story and memory of Amanda Hansen. Ms. Hansen was a 16-year-old, living in West Seneca, NY, when she tragically lost her life to carbon monoxide poisoning while attending a sleepover at a friend's home. Her heart-breaking story focused attention on this issue and spurred action to prevent future deaths from exposure to this deadly gas. As a long supporter of this resolution, I believe that every home across our great Nation should have carbon monoxide alarms installed that can detect and prevent carbon monoxide poisoning, a silent and odorless killer. By bringing awareness to carbon monoxide poisoning and reminding our fellow Americans to diligently check their home-detection systems, Americans can take the necessary actions to ensure the safety of their loved ones.

I again send my deepest condolences to the Hansen family for their loss and to the many American families who have suffered from the passing of their

loved ones due to carbon monoxide poisoning.

With the help of Amanda's spirit, I will continue to fight for congressional action to help prevent future tragedies. Today I stand proud to be a Member of a body that unanimously supports the adoption of National Carbon Monoxide Poisoning Awareness Week.

Mr. MCCONNELL. I further ask unanimous consent that the resolution be agreed to, the preamble be agreed to, and the motions to reconsider be considered made and laid upon the table with no intervening action or debate.
