

EXTENSIONS OF REMARKS

IN MEMORY OF FORMER U.S. SENATOR AND GOVERNOR PAUL LAXALT OF NEVADA

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Ms. JACKSON LEE. Mr. Speaker, I rise to celebrate the memory of former Nevada Senator and Governor Paul Laxalt.

Mr. Laxalt passed away this past Monday in McLean, Virginia.

A child of immigrants and a Nevada native from Carson City, he served our nation with distinction in the Pacific during the Second World War.

He applied himself to serving his community, first as a district attorney in 1950, then as Lieutenant Governor in 1962.

After winning the governorship of Nevada in 1968, he stabilized the state's gambling industry from the grips of organized crime and developed a system of community colleges.

Mr. Laxalt is perhaps best remembered as President Reagan's campaign chairman and the moderate Republican Senator from Nevada.

But he was above all a man who cared deeply for the nation, which he served with dignity and integrity.

Former Senator Harry Reid, whom Mr. Laxalt defeated in 1974 when Senator Reid was the state's lieutenant governor, and who succeeded him in the Senate in 1987, said of Mr. Laxalt, "We have been political adversaries all my adult life, but he and I are friends."

Though they disagreed on many policy issues, Senator Reid added, he viewed Mr. Laxalt as a man of utmost integrity in the Senate.

Mr. Speaker, I therefore pay tribute today not only to Paul Laxalt's honorable life of service, but also to the spirit of upholding integrity over bitter ideological entrenchment.

The life and story of Mr. Laxalt—his dedication to country over party, to the public over self, and to the greater good over personal gain—is certainly a model of conduct for those who seek to lead this nation.

I urge my colleagues, in memory of this statesman of integrity, to work to recover our sense of civility and work toward mending our differences for the common good.

OFFSHORE WIND FOR TERRITORIES ACT

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Ms. BORDALLO. Mr. Speaker, today I introduce the "Offshore Wind for Territories Act," which would authorize wind energy development off the coasts of all 5 U.S. territories.

I thank my colleagues—Resident Commissioner GONZÁLEZ-COLÓN from Puerto Rico,

Congresswoman RADEWAGEN from American Samoa, and Congressman SOTO from Florida—for their support as original cosponsors.

Guam and the other territories remain heavily reliant on costly imports of foreign-refined petroleum for electricity generation and transportation fuel.

Electricity usage and costs for territorial residents are nearly twice the national average, while at the same time our median household incomes are less than half that of the mainland United States.

As such, reducing the territories' dependence on costly foreign fuel imports with domestically produced offshore wind energy should be a priority for Congress, and something everybody can support.

Current federal law does not authorize offshore development in the Exclusive Economic Zone around U.S. territories, which extends 200 nautical miles seaward from our coastlines.

This oversight precludes potentially viable offshore wind projects near Guam and other U.S. territories from moving forward or even getting started.

To rectify this problem, my bill would amend the Outer Continental Shelf Lands Act to include American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands, as well as our respective Exclusive Economic Zones.

Further, my bill would direct the Bureau of Ocean Energy Management to complete a feasibility study on the offshore wind development potential for each territory, issue a call for information to gauge commercial interest, and offer wind lease sales as appropriate.

The wind lease scoping and sale process outlined by my bill mirrors the Bureau of Ocean Energy Management's existing process for other forms of offshore development.

Any offshore wind project in the territories must be sited appropriately, which is why my bill would ensure that the governors of each territory are consulted throughout this process.

My bill also requires consultation with the National Renewable Energy Laboratory and the U.S. Department of Defense.

My late husband, our former Governor Ricky Bordallo, proposed powering Guam with wind and solar energy during the 1970s and 1980s.

Now decades later, his vision may soon be realized.

Importantly, my bill would guarantee each territory a state-equivalent share of all royalty payments made to the federal government by offshore wind developers for projects in our respective Exclusive Economic Zones.

The royalty revenue-sharing under my bill is the same as that which current federal law provides for the states of Texas, Louisiana, Mississippi, and Alabama from offshore development in the Gulf of Mexico.

My bill would also direct a portion of federal royalties collected to support the National Oceanic and Atmospheric Administration's Coral Reef Conservation Program.

This will provide dedicated funding for coral reef conservation in U.S. territories and else-

where, at no additional cost to American taxpayers.

In addition to improving self-reliance and lowering electricity costs, my bill would ensure that offshore wind development in federal waters provides a direct, economic benefit to adjacent U.S. territories.

Given that land is limited, offshore wind development has enormous potential for our islands.

Mr. Speaker, I urge all my colleagues to join me in supporting the "Offshore Wind for Territories Act."

JOURNEY OF HOPE CYCLISTS

HON. KEVIN YODER

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Mr. YODER. Mr. Speaker, I rise today to recognize the Journey of Hope cyclists riding over 4,000 miles across the country this summer to raise awareness for people living with disabilities.

In 1987, one man's dream of riding his bike across the country inspired the largest fraternal fundraising and awareness event of its kind, the Journey of Hope.

Today, the Journey of Hope consists of three cross-country routes covering 32 different states and over 12,000 miles that converge upon the U.S. Capitol here in Washington.

On a typical day, the cyclists ride over 75 miles. However, their day is far from over. The remainder of their days are spent visiting local groups that support people with disabilities and volunteering in the community.

Next week, the three Journey of Hope teams will arrive at our nation's Capital having raised over \$665,000 for the disabled.

Mr. Speaker, I call upon all of us in this body to join with me in thanking the Journey of Hope cyclists for their service to the disabled community.

TRIBUTE TO PATRICIA LOWDEN

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to congratulate Patricia Lowden of Acoma Pueblo in New Mexico for her role in the Pueblo Pottery Mug project and her success as a Native artist.

The Pueblo Pottery Mug project started as a collaboration between five Pueblo artists and the first Pueblo-owned Starbucks in New Mexico. The mugs were first sold in 2016 at the Starbucks store in Albuquerque. Each mug was hand-crafted by a different Pueblo artist to celebrate the opening of the new store and to symbolize the collaboration between New Mexico Pueblos and Starbucks. After quickly selling out of the unique mugs—selling over 6,000 mugs—the Shumakolowa gift shop collaborated with the artists to sell mugs at their location in the Indian Pueblo Cultural Center.

Patricia was born into a family of potters from the Big Sun and Eagle clan of Acoma Pueblo. She learned the art of pottery at fifteen years old from the three generations of potters that came before her. Patricia uses traditional methods to create her pottery, which entails soaking chunks of clay that have been carefully selected, then drying and grinding the chunks of clay into powder.

Patricia is known for her famed Anasazi revival black-on-white and traditional Acoma orange, black, and white polychrome style pottery. Her work features modern interpretations of traditional Acoma symbols such as rain, clouds, mountains, and rain parrots.

Mr. Speaker, I applaud Patricia Lowden for being a part of the Pueblo Pottery Mug

project. This project has given the community, as well as visitors to New Mexico, an opportunity to appreciate usable pieces of art that are inspired by Native culture and traditions. I look forward to seeing this project continue to flourish and support talented Native artists from Pueblos throughout New Mexico.

HONORING KEVIN J. KEEFE

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Ms. NORTON. Mr. Speaker, I rise today to ask the House of Representatives to join me in recognizing Kevin J. Keefe for his 31 years of outstanding federal service, including as a civilian attorney for the Department of the Navy (DON) Office of the General Counsel (OGC).

In May 1987, Mr. Keefe was first appointed to federal service as an Attorney Advisor with the Equal Employment Opportunity Commission (EEOC) Office of Review and Appeals, where he remained until 1989. He went on to serve as Assistant Counsel at DON OGC from 1989 to 1995, and as Senior Advisor in the Executive Office for United States Attorneys at the Department of Justice (DOJ) from 1995 to 1998. Mr. Keefe returned to DON OGC in 1998 as Supervisory Associate Counsel for the Strategic Systems Program (SSP), where he spent the last 20 years representing DON in various roles.

Kevin J. Keefe quickly established himself for his great foresight in anticipating and evaluating legal issues, particularly in considering potential future implications for the DON. Throughout his tenure, Mr. Keefe earned and maintained the trust of senior leaders at SSP with his superb legal acumen and was well-known for his thorough litigation work. Mr. Keefe has secured numerous favorable decisions from the EEOC and the Merit Systems Protection Board on behalf of DON in his central practice area of civilian personnel law. Moreover, he has assisted the U.S. Attorney's office in representing DON when SSP personnel cases were appealed to the federal District Court or to the U.S. Court of Appeals for the Federal Circuit. In these instances, U.S. attorneys relied on motions and briefs drafted by Mr. Keefe to prevail in federal court.

Kevin J. Keefe's achievements have been celebrated throughout his career with a variety of awards for his outstanding work in the federal government. These include the DON Meritorious Civilian Service Award, a DOJ Special Achievement Award, a Letter of Recognition from the Director of SSP and other performance-related accolades.

Mr. Speaker, I ask the House of Representatives to join me in recognizing Kevin J. Keefe, on the occasion of his retirement, for his many years of excellence in federal service.

UALR BIKE-SHARING PROGRAM

HON. J. FRENCH HILL

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Mr. HILL. Mr. Speaker, I rise today to recognize the University of Arkansas-Little Rock's

new bike-sharing program and to emphasize its leading example of advocacy for active lifestyles.

I appreciate the efforts of Jim Carr, Chair for the University's Committee on Sustainability, who lead the initiative to bring the bike share program to the Little Rock campus.

This program has provided students, faculty, staff, and visitors a convenient and healthy way to get around campus.

Nearly 200 bright-orange bikes have been delivered to UA-Little Rock and have been placed near high-traffic areas, such as dormitories and Ottenheimer Library.

As a long-time biker, I am pleased to see the campus work to provide an alternative and convenient transportation option to relieve congestion and promote a healthier campus.

As a former board member of Bicycles Advocacy of Central Arkansas, I am glad to see UA-Little Rock's bike-sharing program as one more step on the path to a more vibrant, healthy, and bike-friendly community.

IN RECOGNITION OF THE SAMUEL U. RODGERS HEALTH CENTER'S 50TH YEAR OF SERVICE

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Mr. CLEAVER. Mr. Speaker, I proudly rise today to recognize and celebrate 50 years of service from the Samuel U. Rodgers Health Center. This milestone embodies the vision Dr. Samuel U. Rodgers had for a foundation that would provide families with affordable health care. With over four decades of service Dr. Rogers' health center has been responsible for providing cost effective and quality health care to thousands of families in Missouri's Fifth Congressional District.

Dr. Samuel U. Rodgers' passion for serving low income families can be traced back to his early days in Kansas City when he first arrived as an intern for a then-segregated general hospital. During this time Dr. Rodgers witnessed firsthand the challenges minority and low-income families faced while trying to access quality and affordable health care. This experience would inspire him to go on to become the first African American OBGYN in Kansas City, and then later, the first African American to open a successful all-black medical practice. Dr. Rodgers' commitment to ensuring that all people, regardless of their ethnicity or economic background, receive affordable health care would later inspire him to open Missouri's first federally-recognized health center, the Samuel U. Rodgers Health Center.

When Dr. Rodgers opened his health center, he did so with the intent to serve both individuals and families who otherwise would not be able to afford quality healthcare. Moreover, Dr. Rodgers emphasized the need to also provide patients access to resources that help maintain their long-term health.

Today, there are five Samuel U. Rodgers Health Centers located throughout the Greater Kansas City area. Each one continues Dr. Rodgers' legacy of compassion and equitable health care for all. The Samuel U. Rodgers Health Centers offer a variety of services that range from dental care to behavioral health
