

CONGRATULATING CHRIS JEFFERS ON HIS RETIREMENT

HON. JUDY CHU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Ms. JUDY CHU of California. Mr. Speaker, I rise today to congratulate Chris Jeffers, a true public servant, on his retirement after a remarkable 38 years serving in local government.

For the past 29 years, Chris has served as City Manager of two San Gabriel Valley cities in my district, Monterey Park and Glendora, where his leadership and dedication have made him a pillar in our communities. As City Manager of my hometown of Monterey Park for 16 years, Chris led an expansion of our library, added hundreds of new housing units for seniors and new residents, and expanded the city's business and retail space. He chaired the American Communities for Clean-up Equity, a nationwide coalition of local governments working with the Environmental Protection Agency (EPA), and coordinated development of the Greater San Gabriel Valley Community Development Corporation, a partnership of local cities and banks created to invest in small business startups.

In 2007, Chris accepted the role of City Manager in nearby Glendora. During his tenure, the city was named the Los Angeles area's most business-friendly city under 65,000 residents in 2014 and was twice recognized by the Public Technology Institute for its adoption of new technologies to streamline the way that the government interacts with citizens and businesses. Glendora has even been awarded best downtown and friendliest city by the San Gabriel Newspaper Group for four years running, and a survey of local small business owners showed that over 80% found the city to be an excellent place to have a business.

Chris's record speaks for itself, and he is proof of the tremendous impact that one can make through dedication to public service. I thank him for his 38 years of contributions to our communities and wish him nothing but the best in retirement.

HONORING TERRY HADLEY OF ADAIR COUNTY, KENTUCKY

HON. JAMES COMER

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Mr. COMER. Mr. Speaker, I rise today to recognize Magistrate Terry M. Hadley of Adair County in the First District of Kentucky upon his retirement from Duo County Telecom.

Over the past 37 years, Terry has developed a well-deserved reputation as an expert technician and loyal employee throughout multiple changes in his company's ownership. He is known throughout his community of Columbia, Kentucky for having an excellent rapport with customers and colleagues alike, and his knowledge and experience made him the first choice for customers in need of assistance with their phone, cable, or internet service.

After retirement, Terry Hadley plans to continue serving his community as a magistrate for Adair County, Kentucky. He also looks forward to spending time with his wife, Rita Hadley, and their children and grandchildren and pursuing his interest in collecting antiques, particularly antique cars.

I join with Terry's family and friends, as well as all those he has helped during his career, to express our appreciation for his years of service to his community. I am honored to represent him and wish him well in his retirement.

HONORING THE BRAVERY OF SOUTH TEXAS LAW ENFORCE- MENT OFFICERS

HON. VICENTE GONZALEZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Mr. GONZALEZ of Texas. Mr. Speaker, I rise today to honor the bravery of fellow South Texans: Lieutenant Phillip Foley, Officer Lucino Cabrera, Officer Ulysses Guerrero, Officer Alberto Rios-Cantu, and Officer Osiel Reyes of the City of McAllen Police Department. These five law enforcement officers engaged and prevented the Deutsch and Deutsch Jewelry store robbery on Saturday, July 28, 2018, at La Plaza Mall in McAllen, Texas. They apprehended seven male suspects who were attempting to rob this jewelry store midday during an otherwise calm weekend in South Texas.

After entering the store with what appeared to be firearms, the suspects intimidated and threatened store staff while smashing glass

displays. One off-duty officer working at a nearby store was alerted to the commotion and immediately went to appraise the situation. He then approached the active scene with the assistance of an off-duty Pharr Police narcotics officer, an off-duty McAllen Police lieutenant and off-duty McAllen Police officers. Together they arrested the suspects and secured the scene.

Thanks to the brave actions of these officers, all seven suspects were taken into custody, and no one was harmed and no shots were fired. Though off-duty, these officers remained committed to the safety and well-being of our community. I would be remiss to not thank McAllen Police Chief Victor Rodriguez for his leadership at the helm of the police department for now more than 17 years. His vision, tenacity, and approach to guiding the more than 400 people under his command at McAllen Police is admirable and second to none.

Mr. Speaker, it is my distinct privilege to represent and recognize these courageous officers from South Texas. These heroes deserve our utmost respect and gratitude for a job extremely well done.

TRIBUTE TO FEDERICA ANTONIO

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to congratulate Frederica Antonio of Acoma Pueblo in New Mexico for her role in the Pueblo Pottery Mug project and her success as a Native artist.

The Pueblo Pottery Mug project started as a collaboration between five Pueblo artists and the first Pueblo-owned Starbucks in New Mexico. The mugs were first sold in 2016 at the Starbucks store in Albuquerque. Each mug was hand-crafted by a different Pueblo artist to celebrate the opening of the new store and to symbolize the collaboration between New Mexico Pueblos and Starbucks. After quickly selling out of the unique mugs—selling over 6,000 mugs—the Shumakolowa gift shop collaborated with the artists to sell mugs at their location in the Indian Pueblo Cultural Center.

Growing up in the Pueblo of Acoma, Frederica's intricately designed work is a continuation of her long family tradition of hand-coiling and painting pottery. Much of the symbolism found on her pottery is connected to Mother Earth and prayers for rain.

Frederica's work heavily relies on the resources of the land. She hand-paints her vessels with fine-tipped brushes she fashions from the stems of yucca plants. She uses these traditional methods, taught to her by her mother-in-law, Mildred Antonio, to create her contemporary pieces.

Mr. Speaker, I applaud Frederica Antonio for being a part of the Pueblo Pottery Mug project. This project has given the community, as well as visitors to New Mexico, an opportunity to appreciate usable pieces of art that are inspired by Native culture and traditions. I look forward to seeing this project continue to flourish and support talented Native artists from Pueblos throughout New Mexico.

GREG HARNDEN RETIREMENT

HON. J. FRENCH HILL

OF ARKANSAS

Mr. HILL. Mr. Speaker, I rise today to recognize a great Arkansan and one of the pillars of collegiate athletics in Arkansas—Coach Greg Harnden.

Coach Harnden is retiring after 21 years as the Athletic Director of Harding University in Searcy, Arkansas.

He helped facilitate Harding's move from the NAIA to the NCAA as well as Harding's move from the Gulf South Conference to its current home in the Great American Conference.

Throughout his 21-year career, Coach Harnden has brought numerous championships to Central Arkansas and attracted top talent to our state, making Harding University one of the top programs in all of NCAA Division II (two).

His impact has transcended the playing field as he has touched the lives of thousands of student-athletes from around the world.

I congratulate Coach Harnden on an incredible career and wish him the best in his future endeavors.

NOMINATION OF JUDGE BRETT KAVANAUGH TO THE SUPREME COURT

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Ms. LEE. Mr. Speaker, I rise today with my colleagues in the Congressional Black Caucus to voice my opposition to President Trump's nomination of Judge Brett Kavanaugh to the U.S. Supreme Court. The stakes could not be higher: Judge Kavanaugh is not the Justice that our nation needs, nor deserves. Voting rights, women's reproductive rights, and affirmative action are all under threat.

Judge Kavanaugh's confirmation could redefine the Supreme Court, and threatens to undermine some of our nation's most important rights for decades to come.

Judge Kavanaugh's nomination poses a threat to voting rights. When the state of South Carolina tried to enforce a draconian voter ID law, the Obama Administration blocked the law. When the case was referred to the US District Court, Judge Kavanaugh, writing for the majority, upheld the voter I.D. law saying, "the South Carolina Law has neither a discriminatory effect nor a discriminatory purpose. Moreover, South Carolina did not act with a discriminatory purpose." The three-judge panel, led by Kavanaugh, upheld the law. The bill was signed by former Governor, and now UN Ambassador Nikki Haley.

Kavanaugh's nomination also poses a threat to reproductive rights. The landmark 1973 Roe vs. Wade decision not only gave women access to basic health care rights, but it also strengthened a woman's right to choose. We've seen this playbook before, Mr. Speaker; Republicans will stop at nothing to end Roe as we know it. They will chip away at it. They will undermine it. They will erode it.

And we know that women of color and women from low-income communities will be

the most adversely impacted by restrictions on access to reproductive healthcare.

From Kavanaugh's tacit approval of Justice Rehnquist's dissent in Roe vs. Wade, to his own dissent in the 2017 "Jane Doe" vs. HHS case saying, "(we can't allow) a new right for unlawful immigrant minors in U.S. Government detention to obtain immediate abortion on demand," it is clear Judge Kavanaugh will be receptive to cases prohibiting women's right to choose.

Finally, while Judge Kavanaugh has never written a judicial opinion on affirmative action, he has written an amicus brief for the Center for Equal Opportunity, an organization opposed to the consideration of race in college admissions decisions.

If affirmative action were to be limited or ended, historically disenfranchised students would have fewer opportunities to access mainstream institutions of higher learning.

As a co-chair of the Congressional Pro-choice Caucus, and as a member of the Congressional Black Caucus, I will keep fighting to protect women's reproductive rights, voting rights, and affirmative action. We must urge the Senate to oppose Trump's dangerous nominee who represents a direct threat to our values as a nation. We can and must stop the nomination of Judge Kavanaugh to the U.S. Supreme Court.

RECOGNIZING THE 60TH ANNIVERSARY OF HANOVER PARK, ILLINOIS

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Mr. ROSKAM. Mr. Speaker, I rise today to commemorate the 60th anniversary of the incorporation of Hanover Park, Illinois. Through its continued dedication to building a friendly and welcoming community for residents and visitors alike, Hanover Park is a model for other cities and towns to follow.

In the years since its first permanent settlers in 1874 and its incorporation in 1958, Hanover Park has become a center of culture and commerce. As home to 80 nationalities and 30 spoken languages, it is a diverse village. This diversity also transfers into their business environment. Hanover Park has thriving business parks, a growing retail community, and easy access to global markets. While the Village's police and fire departments are consistently recognized as two of the finest in the state, the local government is highly engaged and enthusiastic. All of these sectors make Hanover Park a vibrant and thriving community, as well as a great place to work, live, and raise a family.

On the occasion of this 60th Anniversary, we join together to celebrate Hanover Park's legacy of growth and prosperity and look ahead to the opportunities facing this Village and our great Nation. Today marks 60 years of working together to build a brighter future and reminds us that our work continues.

Mr. Speaker and Distinguished Colleagues, please join me in recognizing the 60th anniversary of the incorporation of Hanover Park, Illinois, and wishing its residents great success in the years ahead.

HONORING MAYOR TED ELLIS

HON. JIM BANKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Mr. BANKS of Indiana. Mr. Speaker, I rise today to honor Bluffton Mayor Ted Ellis who recently announced his retirement after more than two decades of distinguished service. A native of Bluffton, Mayor Ellis has been a fixture in his community for many years. He served nine years on the Wells County Council before being elected Mayor in 1995.

Mayor Ellis is one of the longest serving mayors in Indiana history and is known for his commitment to his community and the Hoosier state. In fact, the Governor of Indiana recognized Mayor Ellis' contributions by naming him a "Sagamore of the Wabash," Indiana's highest civilian honor. Mayor Ellis also was honored by the Indiana Association of Cities and Towns with the Russell Lloyd Award for his "outstanding contributions to local government."

I want to congratulate Mayor Ellis, his wife Marge, and his family on an exceptional career and I wish him an enjoyable retirement.

TRIBUTE TO ROBIN TELLER

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Friday, August 10, 2018

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to congratulate Robin Teller of Isleta Pueblo in New Mexico for her role in the Pueblo Pottery Mug project and her success as a Native artist.

The Pueblo Pottery Mug project started as a collaboration between five Pueblo artists and the first Pueblo-owned Starbucks in New Mexico. The mugs were first sold in 2016 at the Starbucks store in Albuquerque. Each mug was hand-crafted by a different Pueblo artist to celebrate the opening of the new store and to symbolize the collaboration between New Mexico Pueblos and Starbucks. After quickly selling out of the unique mugs—selling over 6,000 mugs—the Shumakolowa gift shop collaborated with the artists to sell mugs at their location in the Indian Pueblo Cultural Center.

Robin is from the Pueblo of Isleta, where pottery has historically been made for functional or ceremonial uses. Since 1988, she has become known for her iconic storytellers, nativity scenes, human and animal figures, and polychrome vessels that honor the traditions of her Pueblo. She uses the traditional method of digging clay, tuffa, and pigments from different areas of the Isleta Pueblo, some of which were used by generations past to collect clay.

Robin's work comes from the traditional designs of the Isleta Pueblo: red and black fluid geometric designs on a white background depicting nature's elements. Her work is also largely influenced by the generations of strong women in her family line.

Mr. Speaker, I applaud Robin Teller for being a part of the Pueblo Pottery Mug project. This project has given the community, as well as visitors to New Mexico, an opportunity to appreciate usable pieces of art that
