

INTRODUCTION OF THE DISTRICT
OF COLUMBIA CHIEF FINANCIAL
OFFICER SALARY HOME RULE
ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, August 14, 2018

Ms. NORTON. Mr. Speaker, today I introduced the District of Columbia Chief Financial Officer Salary Home Rule Act. This bill would give the District of Columbia the authority to set the pay of the D.C. Chief Financial Officer (CFO). There is no reason the District should not have the authority to set the wage of a local official who is paid with local funds.

In 2013, Congress enacted a law that gave the District more authority to set the CFO's pay. However, Congress did not give D.C. full and complete authority over this local matter. This bill would give D.C. the authority to set the CFO's pay as it sees fit. The 2013 law amended the Home Rule Act to change the CFO's pay from a fixed rate of pay that was tied to a federal pay schedule to a maximum allowable pay, or ceiling, tied to a federal pay schedule. The ceiling was and is substantially higher than the fixed rate, but the CFO's pay is now \$1,000 below the maximum.

I introduced the 2013 bill after a D.C. CFO search committee indicated that the fixed rate of pay was not high enough to attract the best talent needed for this complex and demanding job. The responsibilities of the CFO, a position created by Congress, are unique in the United States. The CFO is extraordinarily powerful and independent. The District cannot obligate or expend funds without the CFO's approval, and the CFO can be terminated only "for cause." The District needs the authority to be able to pay the rate demanded by the market and necessary to retain and attract the best CFOs, especially since the District must compete with the private sector for highly qualified CFOs.

This is an important step to increase home rule for the District, and I urge my colleagues to support this bill.

RECOGNIZING NATIONAL HEALTH
CENTER WEEK TO CELEBRATE
THE LEGACY OF AMERICA'S
HEALTH CENTERS AND RECOG-
NIZE THEIR VITAL ROLE IN
SHAPING THE PAST, PRESENT,
AND FUTURE OF AMERICA'S
HEALTH CARE SYSTEM

HON. NANETTE DIAZ BARRAGÁN

OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Tuesday, August 14, 2018

Ms. BARRAGÁN. Mr. Speaker, Whereas for over 50 years, community health centers have provided high-quality, affordable, comprehensive primary and preventive health care in our Nation's underserved communities, delivering value to, and having a significant impact on, America's health care system;

Whereas as the country's largest primary care network, health centers are the health care home for 27,000,000 Americans in over 10,000 communities across the Nation, and 1 in every 12 people in the United States gets his or her care in a health center;

Whereas health centers are a critical element of the health system, serving both rural and urban populations, and often providing the only accessible and dependable source of primary care in their communities;

Whereas nationwide, health centers serve 1 in every 6 residents of rural areas; Whereas every day, health centers develop new approaches to integrating a wide range of services beyond primary care, including oral health, vision, behavioral health, and pharmacy services, to meet the needs and challenges of their communities;

Whereas health centers are governed by patient-majority boards, ensuring that the patients of each health center are engaged in their own health care decisions;

Whereas health centers are locally owned and operated small businesses that serve as critical economic engines, helping to power local economies by generating \$45,600,000,000 in economic impact in some of the country's most economically deprived communities;

Whereas health centers nationally employ more than 200,000 people, including physicians, nurse practitioners, physician assistants, and certified nurse midwives who work as part of multidisciplinary clinical teams designed to treat the whole patient;

Whereas the health center model continues to prove an effective means of overcoming barriers to health care access, including geography, income, and insurance status, and in doing so, improves health care outcomes and reduces health care system costs;

Whereas health centers reduce overall costs of care by helping manage patients' chronic conditions, which keeps them out of costlier health care settings like hospital emergency rooms;

Whereas health centers are on the frontlines of emerging health care crises, providing access to care for our Nation's veterans, addressing the opioid epidemic, and responding to public health threats in the wake of natural disasters;

Whereas National Health Center Week is an annual celebration that will be held from August 12, 2018, through August 18, 2018;

Whereas National Health Center Week offers the opportunity to recognize America's nearly 1,400 health center organizations with over 10,400 service delivery sites, their dedicated staff, board members, patients, and all those responsible for their continued success and growth since the first health centers opened their doors more than 50 years ago; and

Whereas during National Health Center Week, we celebrate the legacy of America's health centers, and their vital role in shaping the past, present, and future of America's health care system.

Now Therefore that the House of Representatives recognizes the week of August 12–18th as National Health Center Week; and Encourages all Americans to take part in this week by visiting their local health center and celebrating the important partnership between America's health centers and the communities they serve.

HONORING MONSIGNOR ANTHONY
JANELLI

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 14, 2018

Mr. COSTA. Mr. Speaker, I rise today to honor the career and achievements of Monsignor Anthony Janelli, a longtime clergyman of the Catholic church, and a lifelong resident of the Central Valley. With over 50 years of service to the Church, Fr. Janelli has selflessly dedicated his time to the welfare of people in his clergies.

Fr. Janelli was born in Visalia, California on May 22, 1936 to Ermalinda and Joe Janelli. The oldest of four children, Father Janelli's devotion to duty and faith quickly became apparent. After attending George McCann Catholic School and Santa Clara University that sense of duty led Fr. Janelli to enlist in the United States Army. During the Cold War, he served as a Fire Control Officer in a Nike Missile anti-aircraft battery with the rank of 1st Lieutenant. Upon leaving the Army, Fr. Janelli found himself devoted to another duty: his Catholic faith.

In 1960, Fr. Janelli entered St. John's Seminary of the Archdiocese of Los Angeles to become a priest and spread the word of God. Four years later, he was ordained a priest for the diocese of Monterey-Fresno at St. John's Cathedral. Since then, Fr. Janelli's devotion to his faith and to the people of the communities he so nobly served, has never wavered. He became an Associate to St. Therese Parish in Fresno, followed by assignments to churches in Los Banos and Reedley. In 1971, he was appointed Pastor of St. Elizabeth Parish in McFarland, and in 1973 he joined the Pastoral Team in Merced where he remained until 1980. In 1980, Fr. Janelli sought to further his devotion to the Catholic faith, and to that end, he took a Sabbatical to study Spirituality at Duquesne University in Pittsburgh.

However, Fr. Janelli's heart has always been with the people of his local community. After completing his studies in Spirituality, Fr.

Janelli returned to the San Joaquin Valley, where he served as Vicar of Clergy, Rector of the Cathedral and as Pastor of churches in Livingston, Porterville, Dinuba, and Planada. While serving as Vicar of Clergy, Fr. Janelli was honored for his life's work by Pope John Paul II, who designated Fr. Janelli a Monsignor for his exceptional devotion to his community.

Fr. Janelli officially retired in June of 2008, but his duty to the Church has never faltered. He has assisted numerous parishes in the Dioceses of Fresno and Sacramento and served for some time as Pastor of Yosemite. He currently is the Pastor of Sacred Heart Parish in Planada and LeGrand.

Mr. Speaker, I urge my colleagues to join me in recognizing the career and achievements of Fr. Anthony Janelli. His tireless commitment to duty, and his devotion to the Catholic church has enriched the lives of countless people. There is no doubt that Fr. Janelli has left a lasting impact on our Valley for which we are deeply grateful.

RECOGNIZING THE PUYALLUP
TRIBE AND THE PARTICIPANTS
OF THE 2018 CANOE JOURNEY

HON. DEREK KILMER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 14, 2018

Mr. KILMER. Mr. Speaker, I rise today to recognize the Puyallup Tribe and all participants in the 2018 Canoe Journey.

This annual journey began in 1989 with Native Americans providing a vital voice in shaping the State of Washington's centennial. Now, all these years later, tribes from Alaska all the way to Willapa Bay have participated in this powerful cultural event.

Over the last few weeks, thousands of people from dozens of tribes put their canoes in the water and connected with one another. They participated in a celebration of heritage; sharing songs, stories, dances, and gifts.

But, beyond that, they celebrated the theme of Honoring Our Medicine. They gathered to honor the medicine of the Salish Sea and the waters that have been the lifeblood of past generations and that will be the lifeblood of our future as long as we rise to their challenge.

Mr. Speaker, Congressman HECK and I have stood on this floor many times and spoken about the importance of Puget Sound, our nation's largest estuary. The Sound is an icon of our region. It supports treaty rights and recreation. It supports shellfish growing and fisheries. It's a place where families—including my own—make memories. It is a legacy passed from generation to generation. It is a central part of who we are as Washingtonians. But this body of water—and others like it—are at risk. They are threatened.

The tribes that participated in the Paddle—and Native American leaders throughout our region—have shown more commitment, more leadership, more drive, more partnership, and more passion for recovering this vital body of water than any other. They have seen our waters as sacred—as givers of life. They have recognized that these waters are a lifeforce. That they are gifts from the creator. They have recognized that our passion for this medicine

cannot simply be based in nostalgia and tradition but, rather, must be grounded in a hope for the future.

It is not enough for us to say thank you. We must back up those words with deeds. We must commit ourselves to protecting these waters and to preserving the majesty of our natural resources. We must recognize that our federal government must simply do better—on every day in every way—to value these treasures.

Mr. Speaker, there is a saying that change is inevitable, but progress is optional. Too often, we have seen change that has not meant progress. Too often we have moved backward and jeopardized our lifeblood. We must do better.

Mr. Speaker, today I want to express my gratitude to the Puyallup Tribe for hosting this important event and for all that they have done to strengthen our region for so long. And here in the United States Congress, I want to honor—and in the traditional custom, I want to raise my hands to—every person who participated in the paddle.
