

EXTENSIONS OF REMARKS

TRIBUTE IN HONOR OF DAVE
HOPKINS

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Friday, August 31, 2018

Mr. ROGERS of Kentucky. Mr. Speaker, I rise today in recognition of Dave Hopkins, for his years of invaluable service in fighting the opioid epidemic with the Kentucky All-Schedule Prescription Electronic Reporting System (KASPER). A true icon and pioneer in the world of prescription drug monitoring programs (PDMP), Dave has left an indelible mark on our Commonwealth—and indeed, the entire nation—for his leadership in fighting the scourge of drug abuse that has plagued far too many communities. His retirement on August 31, 2018 marks the end of a storied 13-year career with the Drug Enforcement & Professional Practices Branch in the Office of Inspector General; however, Dave will forever remain a part of the KASPER family.

Dave joined the KASPER team as Grant Manager in 2005, and has since secured over \$4.5 million in federal funding for this groundbreaking program. Indeed, in many respects, due to Dave's vision, KASPER has paved the way for successful implementation and integration of PDMPs in every state across our country. In particular, he was an integral part of the team that transitioned KASPER from a voluntary prescription drug monitoring system to a mandatory use system through the Kentucky Cabinet for Health and Family Services; this modification has proved invaluable in engaging the medical community in our shared fight against the abuse of prescription medications. In his role, Dave has worked tirelessly to educate prescribers, dispensers, and law enforcement to use this system and to help fight the spread of opioid abuse in the Fifth District and across Kentucky. Since KASPER became one of the first mandatory programs in the country, the Commonwealth has seen a reduction of nearly 90 million dosage units of opioid painkillers—which is a tremendous achievement.

Furthermore, Dave has worked on legislation and policy solutions, spoken at conferences across the country, and worked with state and international leaders to develop their own prescription drug monitoring programs. When I have had the honor of sharing the stage with Dave, he has been introduced by his colleagues and peers as “Dave Kasper,” a true testament to how he's become synonymous with Kentucky's premiere PDMP.

Dave's commitment to fighting prescription drug abuse extends even beyond his career with KASPER. He is a member of the Kentucky Narcotics Officers Association and the National Association of Drug Diversion Investigators, and has held positions in many organizations, including the Alliance of States with Prescription Drug Monitoring Programs, RxCheck Governance Committee, Regional Judicial Opioid Initiative, and Operation UNITE—which is near and dear to my heart.

It is dedicated people like Dave Hopkins who will help us overcome the opioid epidemic facing our nation, and my wife, Cynthia, and I wish him all the best as he enters into retirement. Congratulations, Dave, and Godspeed.

Friday, August 31, 2018

Ms. SINEMA. Mr. Speaker, I rise today to honor the life and legacy of Toby Roberta Stahl who passed away on August 19, 2018 at the age of 80. Mrs. Stahl was an activist who fought for human rights and worked toward equality and justice for all in Arizona. Our state will miss her dearly.

She worked tirelessly for the Democratic party as a volunteer, serving as Precinct Committeeman and member of the Arizona State Democratic Committee. Mrs. Stahl also served as the president of Democracy for America-Maricopa County for many years.

Outside of politics, Mrs. Stahl worked to preserve Arizona's natural history, was a devout Diamondbacks fan, and spent time with her four grandsons. She also served as the auxiliary president of Pueblo Grande Museum in Phoenix for three years.

CONGRATULATING MR. CLEMENTE
OTERO

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Friday, August 31, 2018

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to congratulate Mr. Clemente Otero of Santa Ana Pueblo, New Mexico, on his graduation from Santa Fe Indian School. Mr. Otero is 92 years old and was originally unable to receive his high school diploma because he was bravely serving our country in World War II.

Mr. Otero was one of over 100 students at Santa Fe Indian School drafted into the United States Army during World War II. Beginning in 1944, he served as a Private in a field artillery battalion in both the European and Pacific theaters. He initially served in Central Europe ahead of the liberation of Germany, and was then stationed in the Philippines until the surrender of the Japanese.

After returning home from the war, Mr. Otero worked in a variety of fields including masonry, automotive repair, and house painting. He also worked for the University of New Mexico's facilities department until his retirement in 1998.

Mr. Otero has five children, seven grandchildren, ten great-grandchildren, and two great-great-grandchildren. It was one of Mr. Otero's children, Grace Baca, who initially applied for her father's high school diploma through the Department of Veterans Affairs' Operation Recognition. This wonderful program recognizes the service and sacrifice of those who served in World War II, the Korean War, and the Vietnam War and were therefore unable to receive their high school diplomas when they were younger.

Mr. Speaker, I want to congratulate Mr. Clemente Otero on receiving his high school diploma. Mr. Clemente represents what makes our state and our nation so exceptional, and his brave service and sacrifice will not be forgotten.

CELEBRATING MR. NELSON LEE
TRIMMER

HON. STEVE STIVERS

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, August 31, 2018

Mr. STIVERS. Mr. Speaker, I rise today on behalf of the people of Ohio's 15th Congressional District to celebrate the birthday of one of Fairfield County, Ohio's most distinguished citizens, a man who continues to devote his life to bringing smiles to others, Mr. Nelson Lee Trimmer.

Mr. Trimmer has been a fixture of our community for a century. From his lifelong membership with the Trinity Evangelical United Brethren Church and his established career as a mechanist and small business owner of Millersport Garage, he has built a wonderful and fulfilling life in Millersport surrounded by his wife, Pauline, two children, Nelson and Pamela, their ten grandchildren, seventeen great-grandchildren and five great-great-grandchildren.

Beyond his career as a machinist, Mr. Trimmer holds a deep appreciation for antique cars, which he is always willing to share with others, as evidenced by his founding of a Hot Rod Club for local youth and his continued involvement with the Lancaster Old Car Club.

Perhaps what is most remarkable about Mr. Trimmer is his commitment to serving all those around him. As a member of the Army Air Corp, he served our nation in the Second World War, and as Mayor of Millersport, he spent his days diligently working to improve the lives of his neighbors. Moreover, there was never a need that went unnoticed by Mr. Trimmer. He dedicated his free time for over three decades as a volunteer member of the Millersport Fire Department and delighted local children as he and his beloved dog, Bootsy, drove the school bus.

Mr. Trimmer is a ray of sunshine who brings smiles to everyone he meets. Millersport is undeniably a better place because of Mr. Nelson Lee Trimmer, and I encourage my colleagues to join me in wishing him a very happy 100th birthday as he celebrates on September 1, 2018.

Mr. BARLETTA. Mr. Speaker, it is a great honor to recognize the Zionist Organization of America's Greater Philadelphia Chapter as they celebrate their 2018 Gala. This event highlights America and Israel's important relationship, as well as provides an opportunity to honor individuals who have been especially active in their communities.

TRIBUTE IN HONOR OF SANDY RUNYON

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Friday, August 31, 2018

Mr. ROGERS of Kentucky. Mr. Speaker, I rise today to pay tribute to one of Eastern Kentucky's greatest champions, my friend Sandy Runyon, who is retiring after 18 years of dedication as Executive Director of the Big Sandy Area Development District (ADD). She has been a staunch advocate for economic development and infrastructure enhancement in Kentucky's Appalachian region for many years.

Throughout her life, Sandy has always selflessly served those around her, which has been overwhelmingly visible within the various positions she has held. Before Sandy was appointed as the Executive Director of the Big Sandy ADD, she was my first Field Representative in the Big Sandy area and an ardent campaign advisor. In fact, she helped manage my 1992 campaign in the Big Sandy region when the boundaries of Kentucky's Fifth Congressional District expanded to the state's West Virginia border. In a region where Republicans were few and far between, Sandy put her name on the line and introduced me to everyone she knew, and more. With several new counties joining the district, it proved to be the closest election of my congressional service, but I owe a great debt of gratitude to Sandy Runyon for that victory. After the election, I hired Sandy to open and run my new Pikeville office. In both the congressional office and the Big Sandy ADD, she has served the great people of Eastern Kentucky with tremendous compassion and vigor.

She has proven to be a diligent advocate for infrastructure enhancement in our small, rural communities, and a trusted guide for local government leaders. In fact, she personally spent hours with the Bureau of Prisons to make the Big Sandy Penitentiary a reality in a region desperately in need of good paying jobs. Throughout her time as Executive Director, the Big Sandy region has experienced overwhelming economic progress and growth. She has demonstrated admirable leadership in trailblazing the way for new projects and partnerships that have tremendously benefitted the Big Sandy area.

Sandy's love for Eastern Kentucky has been evident in her tireless dedication and adamant advocacy. Her service to our region has been nothing short of phenomenal. She is truly one in a million, and it is people like her who make Eastern Kentucky such an incredible place.

I deeply appreciate Sandy's service, her leadership, her advice and most importantly, her loyal friendship. As she enters retirement, my wife, Cynthia, and I wish Sandy and her family tremendous joy and blessings in the years to come.

Mr. SMITH of Missouri. Mr. Speaker, I rise today to honor Dan Overbey for 25 years of dedicated service to his community serving as Executive Director of the Southeast Missouri Regional Port Authority. His positive attitude and problem solving mindset has been a great asset to the Port and the Eighth District of Missouri.
