In both coursework and curriculum, UC Davis School of Medicine helps create a diverse physician workforce that is responsive to societal needs. The Community Health Scholars program trains students in understanding and serving the unique primary care health needs of California's rural, agricultural, and urban communities.

The School of Medicine provides the opportunity to participate in cutting edge research and the skills to translate those breakthroughs into benefit for patients.

TRIBUTE TO THE HOMENETMEN
LOS ANGELES CHAPTER

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 5, 2018

Mr. SCHIFF. Mr. Speaker, I rise today to honor the Homenetmen Los Angeles Chapter upon its fiftieth anniversary.

Established in 1918, the Armenian General Athletic Union and Scouts, commonly referred to as Homenetmen, has served hundreds of thousands of youth worldwide. The first chapter in the western United States, the Homenetmen Los Angeles Chapter, was founded in 1968, and its prosperity led to the formation of other chapters across the region.

Homenetmen Western USA presently comprises 19 chapters, with several within California's 28th Congressional District, which is home to a large Armenian community. This extraordinary organization has preserved the Armenian spirit by exposing Armenian-American youth to the rich Armenian culture and heritage, and has provided them with physical, moral and social education.

The Homenetmen Los Angeles Chapter plays a vital role in instilling the importance of teamwork, discipline and patriotism within its members, and helps shape the character and hone leadership skills of Armenian-American youth. It conducts scouting and athletic activities which foster dedicated and outstanding individuals and encourages members to work towards achieving individual as well as collective excellence. Through its scouting program, scouts actively engage in physical, team-building and educational activities, coupled with community service, outdoor scouting expeditions and field trips.

The time, effort, and care that the Homenetmen Los Angeles Chapter has given to the community are invaluable, and the Armenian-American residents of Southern California have benefited greatly from their dedicated work. The organization has championed shaping our children into responsible citizens and thriving members of society, who become shining examples of Homenetmen's motto — "Elevate Yourself and Others With You."

I ask all Members to join with me in commending the Homenetmen Los Angeles Chapter for fifty years of dedicated service.

IN RECOGNITION OF ROSE
KERSTETTER

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 5, 2018

Mr. GALLAGHER. Mr. Speaker, today I rise to celebrate and honor the career, service,

and 100th birthday of Oneida resident, Ms. Rose Kerstetter.

A 23-year-old working in North Dakota, she enlisted in the Women's Army Auxiliary Corps (WAAC) in 1943—the middle of World War II. Told that there was no rifle training for women, Ms. Kerstetter paid for personal rifle lessons and earned a Marksman's Badge. Nine months after her enlistment into the WAAC, when the WAAC became the Women's Army Corps (WAC), she became officially enlisted in the U.S. Army.

Ms. Kerstetter originally served as a stenographer and was headquartered in Camp Hood, Texas. Demonstrating great initiative and leadership, she was eventually promoted to Staff Sergeant. It was at this rank that Ms. Kerstetter was honorably discharged, only after her brother, a Marine, was wounded. We owe Ms. Kerstetter, and her brother, a great debt for their service to our country.

Ms. Kerstetter's commitment to her community did not end after her honorable discharge. For more than 20 years, she has volunteered in her community through art. A greatly skilled potter, she strengthens her community and demonstrates pride in her Oneida heritage by teaching pottery to anyone who wants to learn. It is this type of dedication that has earned her national artistic and cultural recognition, including a 2002 Community Spirit Award Honoree and a 2004 Cultural Capital Fellow.

Mr. Speaker, I urge all members of this body to join me in recognizing Ms. Kerstetter's commitment to protecting and serving our country, and her dedication to her Wisconsin community. These accomplishments are worthy of the highest commendation.

HONORING THE LIFE OF RICHARD
L. "DICK" MOEHL

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 5, 2018

Mr. BERGMAN. Mr. Speaker, it's my honor to acknowledge the extraordinary life and service of Richard "Dick" Moehl.

Through his lifetime of exceptional leadership and steadfast devotion, Dick became an indispensable part of Michigan's First District. His legacy to the people of Michigan will not soon be forgotten.

Dick was born on November 9, 1931, to parents Ora Waller and June (Andrews) Moehl. He graduated from University High School in 1950 and enlisted in the United States Air Force in 1951. Before shipping off overseas, Dick married his high school sweetheart Margaret in 1953. Following his service, Dick graduated from the University of Michigan School of Business Administration and went on to work at the Beacon Investment Company for more than 32 years. In 1983, Dick helped found the Great Lakes Lighthouse Keepers Association (GLLKA), one of the first such organizations in the country. Two years later, he was elected as its president. In what has become known as the "Miracle of the Straits," the GLLKA under Dick's leadership launched an initiative to restore the St. Helena Island Light Station—a then-dilapidated lighthouse built in 1873 on the west side of the Straits of Mackinac.

Dick was critical in raising funding and support for the GLLKA's work on St. Helena. This included soliciting grants and organizing volunteers, including many from Michigan Boy Scout and Girl Scout Troops, with dozens of Eagle Scouts and Gold Award Recipients leading Service Projects on the island. BSA Troop 4 of Ann Arbor has received numerous awards for its dedication to the project, including the "Keep Michigan Beautiful Award" in 1990. In 1991 the Troop was awarded the "Take Pride in America" award, Midwest Living's "Hometown Pride Award", and President H. W. Bush's 630th "Daily Point of Life" Award. The invaluable work done by these volunteers would have been unobtainable if not for the leadership and dedication given to this project by Dick Moehl.

Dick retired as President of the GLLKA in 2012, after successfully saving the St. Helena from ruin and ensuring that the structure will be given the care it needs for years to come. Outside of his work in the Straits, Dick played a key role in the creation of the National Historic Lighthouse Preservation Act of 2000 by testifying before Congress and the Michigan Legislature. He also spearheaded the effort to retire the USCGC Icebreaker *Mackinaw* WAGB-83—the "Queen of the Great Lakes"—in Mackinaw City, helping to create the Icebreaker Mackinaw Maritime Museum.

Dick was honored as the George Romney Volunteer of the Year in 2000 by Governor John Engler, and in 2005 became an Honorary Alumnus of Central Michigan University. Other honors include the Lifetime Achievement Award from Emmet County as well as the Ross Holland and Lifetime Achievement awards from the American Lighthouse Council.

While Dick passed away in December of 2015, his leadership and devotion remain a shining light for those who have followed after. Thanks to his work, future generations of Michiganders will be able to enjoy the waterways and rich history of our beautiful state. A commemoration ceremony will be held for Dick on August 25th by the "Friends of Dick Moehl Society" aboard the Mackinaw, where a special recognition marker for him will be unveiled.

Mr. Speaker, the impact of Dick Moehl's extraordinary life cannot be overstated. His friends and family can take pride in knowing that the state of Michigan is a better place thanks to his life's work. On behalf of Michigan's First Congressional District, I ask you to join me in recognizing an outstanding community leader whose contributions will continue to bless Michiganders for many years to come.

IN RECOGNITION OF ST. VLADIMIR
UKRAINIAN GREEK CATHOLIC
CHURCH CENTENNIAL ANNIVERSARY

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 5, 2018

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor St. Vladimir Ukrainian Greek Catholic Church in Palmerton, Pennsylvania. One-hundred years ago, the parish members rolled up their sleeves and built a place of worship where generations of their family members and neighbors would attend. Their hard work and dedication has fostered a strong Byzantine faith community in Northeastern Pennsylvania.

In 1905, many families began moving to Northeastern Pennsylvania from their homelands in what is now Ukraine. Wishing to practice their faith in a Byzantine church and continue to feel connected to their homelands, these families began attending churches of the Byzantine Rite in Northampton, Lansford, and Nesquehoning. Their faith was so strong they would wake before daybreak on Sundays to walk over ten miles to worship at one of these churches.

After years of traveling, they decided to build their own church. The devoted and faithful pioneers spent their own money and provided their own labor to build a Byzantine church close to home. The church, which sits on the corner of Delaware Avenue and First Street in Palmerton, has constantly been renovated and improved upon over the years to maintain the sense of pride in their place of worship. St. Vladimir's continues to celebrate an active and engaged parish community of congregants and a long history of dedicated, spiritual pastors.

It is an honor to recognize St. Vladimir Ukrainian Greek Catholic Church as they celebrate their 100th anniversary. I take great joy in joining the commemoration of such an im-

portant milestone. I wish everyone in the parish and community all the best as they continue to worship at St. Vladimir for many more prosperous years.
