

## IN RECOGNITION OF 25 YEARS OF PRIDE IN THE PARK

### HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 5, 2018*

Mr. CARTWRIGHT. Mr. Speaker, I rise today to commemorate the Pride in the Park festival, which is currently organized by the Bradbury-Sullivan LGBT Community Center in addition to its other vital services.

Since 1993, the Pride in the Park festival has acknowledged the achievements made in and by the local LGBT community. It is a vibrant event with vendors, merchants, business services, community groups, games, and live entertainment. In 2016, the Bradbury-Sullivan LGBT Community Center opened to fill a gap in community services by addressing the cultural, health, and education needs of the LGBT community in the Lehigh Valley.

In 2017, Pride of the Greater Lehigh Valley merged with Bradbury-Sullivan LGBT Community Center. I am sure the legacy of Pride in the Park will continue to grow and flourish with its support and the strong leadership provided by Founder and Executive Director Adrian Shanker.

It is an honor to recognize Adrian Shanker and the Bradbury-Sullivan Center and their work to usher in the 25th Annual Pride in the Park Festival. It is vital to have well-organized groups like this to ensure all voices are heard and every person can pursue a life of dignity and respect.

## IN RECOGNITION OF MAJOR DON- ALD EMERSON SHAY, JR. AND MRS. SARA FRANCES SHAY

### HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 5, 2018*

Mr. WITTMAN. Mr. Speaker, I rise today in recognition of the service of both United States Air Force Major Donald Emerson "Don" Shay, Jr., of the 14th Tactical Reconnaissance Squadron, and his mother, Mrs. Sara Frances Shay. This October marks forty-eight years since Maj. Shay went missing over southern Laos in the service of his country. After her son was reported as MIA, Mrs. Shay dedicated herself to reunite all those missing in Southeast Asia with their families for forty-five years.

Before his service in the United States Air Force, Don was raised in Linthicum, Maryland, and graduated the U.S. Air Force Academy in 1967. On October 8, 1970, then Captain Shay and Cpt. William A. Ott were shot down during a reconnaissance mission over Laos in an RF4C Phantom. Their plane was not located and both men were listed Missing in Action. Upon the release of 591 American prisoners of war in 1973, neither Cpts. Shay nor Ott were among those coming home. Cpt. Shay was promoted to the rank of Major after he was reported MIA; he is among eighteen members of the USAFA class of 1967 who lost their lives in or are still MIA from Vietnam.

Following the report that Don was missing, Mrs. Shay began volunteering her time and efforts towards locating her son. Soon, her dedi-

cation grew to all service members who were MIA/POW in Vietnam. She went on to serve on the board of the National League of Families of American Prisoners Missing in Southeast Asia, the board of the Linthicum Veteran's Memorial, and has worked with countless families and veterans of the war in the intervening decades. For her tireless work, she has been recognized by Presidents Nixon, Ford, Reagan, George H.W. Bush, and Obama. Mrs. Shay will be celebrating her 100th birthday this December.

Mr. Speaker, I ask you to join me in thanking Major Donald Emerson Shay, Jr., and Mrs. Sara Frances Shay for their incredible sacrifices, devotion, and service to our nation; words cannot express our gratitude.

## CONGRATULATING CHASE ELLIOT ON HIS FIRST NASCAR CUP SE- RIES VICTORY

### HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 5, 2018*

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize Dawsonville's Chase Elliot for winning his first NASCAR Cup Series race on August 5.

Growing up, Chase fostered his love for speed through go-kart racing. He always looked up to his father, Bill, who was a NASCAR driver himself.

Chase carried on his father's legacy even as a teenager, kicking off his NASCAR career by signing a deal with Hendrick Motorsports. Only a year later, he won his first NASCAR race at the Iowa Speedway.

Chase clinched another victory in the 2014 NASCAR Xfinity Series race at the age of 18 years old, making him the youngest driver to win a NASCAR national series title.

During the recent NASCAR Cup race, Chase advanced to victory with the support of his favorite spotter—his father.

As Chase moves on to his next race, I join my fellow Northeast Georgians in congratulating him on winning his first Cup Series competition.

*Wednesday, September 5, 2018*

Mr. LONG. Mr. Speaker, I rise today to recognize the non-profit Better Life In Recovery, based in Springfield, Missouri, for its distinguished efforts to aid individuals suffering from substance abuse and other mental health issues down the long road of recovery. On September 8, Better Life In Recovery will hold a 5k/10k run in honor of Recovery Month during the month of September.

#### HONORING THE SACRIFICE OF CORPORAL TERRELL FULLER

#### HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 5, 2018*

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to honor the sacrifice of Army Corporal Terrell Fuller. After 67 years, the North Korean government returned his remains to the corporal's loved ones on August 8th of this year.

Corporal Fuller joined the Army when he was 20 years old. In the midst of the Korean War, he traveled alongside his fellow Americans. On April 12, 1951, the Toccoa Record first reported his disappearance.

Corporal Fuller's family eventually lost hope that he would return, and, in 1954, the Army pronounced him dead. If he were alive today, he would have recently celebrated his 88th birthday.

Corporal Fuller's funeral processions began at the Hartsfield Jackson airport and took him all the way home to Toccoa, where members of the community lined the streets to give him the welcome he has deserved for nearly seven decades.

Today, this soldier has family who love him, but no living relatives who can personally recount his bravery and patriotism. Yet we in Northeast Georgia know that Corporal Fuller answered the call of duty, leaving behind his loved ones and creating a legacy of service.

Corporal Fuller's sacrifice illustrates the tremendous debt that we owe to the members of our military who promote and defend freedom. I join Northeast Georgians in honoring the return of this long lost hero.
