

HealthSouth Rehabilitation Hospital of Altoona. This award is given to encourage and recognize those who have made an outstanding effort to deal with or overcome a disability. This year, Mr. Summers has earned that distinction.

Matt was involved in a motorcycle accident in September 2017 that left him with multiple fractures, a spinal cord injury and a Traumatic Brain Injury. Since the fateful day of that crash, he has made tremendous gains in his recovery. During his time in rehab, Matt was dependent on a wheelchair due to little muscle activity in his legs as well as nerve damage in his right arm from a vertebrae fracture. However, he worked hard in therapy to overcome many of his challenges, and regained his ability to walk and complete his daily activities independently. Matt returned to work in the construction industry in June, and continues to push himself to new limits.

I am honored to celebrate Matt's impressive efforts, as I believe that his dedicated and positive attitude is something many of us can learn from as we attempt to overcome the hardships in our lives. Furthermore, I am happy to recognize Matt for his perseverance, and I wish him the best as he continues on the road to full recovery.

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Santa Rosa Junior College on the 100th anniversary of its founding.

Santa Rosa Junior College (SRJC) is a vital pillar of our community and a leader of junior colleges in higher education. Santa Rosa Junior College was founded by community leaders. The original student body was comprised of nineteen individuals and they shared re-

sources with the local high school. During the Great Depression, SRJC secured land to build its permanent campus. Santa Rosa Junior College has expanded over the years to include a campus in Petaluma, the Southwest Santa Rosa Center, the Public Safety Training Center, and Shone Farm.

SRJC has educated 1.7 million students in its 100 year history and enrolls approximately 28,000 students of all ages each semester. Santa Rosa Junior College, in conjunction with the SRJC Foundation, is committed to making education accessible for all and working to ensure that all their students succeed. In addition to outstanding academics, the school has over 40 clubs, including conference-winning athletic teams, nationally ranked speech and debate teams, and outstanding theater, dance, and music programs.

Santa Rosa Junior College is the third largest employer in Sonoma County. Approximately 3,000 faculty and staff work at SRJC and devote their careers to helping students and our community. Additionally, the local economic impact of the college is \$1.6 billion annually, which has brought 26,000 jobs to the surrounding area. The SRJC Foundation raises funds for students and education programs at the college. The foundation is ranked number one among California community college foundations for endowment size and scholarship distribution, an honor it has worked hard to earn.

Mr. Speaker, Santa Rosa Junior College provides excellent opportunities for the members of our community. It is therefore fitting and proper that we honor it here today.

HONORING MRS. NANCY SCHÖN

HON. JOSEPH P. KENNEDY III

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. KENNEDY. Mr. Speaker, I rise today to honor Nancy Schön, a lifelong resident of the Fourth District of Massachusetts and a renowned sculptor, on the occasion of her 90th birthday on September 24, 2018.

Born in 1928, Nancy's interest in art began at a young age. Nancy graduated from the School of the Museum of Fine Arts with Honors in Sculpture in 1952, and her early work was inspired by her family, which has grown to include four children, many grandchildren, and a great grandchild.

Later in her career, Nancy began creating Public Art with a focus on teaching lessons. Her most famous piece, "Make Way for Ducklings," can be found in the Boston Public Garden and has a theme of promises kept and family values. This focus on lessons continues in her other pieces, such as the "Tortoise and Hare" sculpture at the finish line of the Boston Marathon and the "Winnie-the-Pooh and Friends" sculptures at the Newton Free Library.

Art has led Nancy many places, including the former Soviet Union, where she joined First Lady Barbara Bush to present her copy of "Make Way for Ducklings" to Raisa Gorbachev as part of the Strategic Arms Reduction Treaty (START). Nancy is active with non-profit organizations, and helped get the Lynch Family Skate Park built in Cambridge. Nancy is also an author, her memoir, "Make Way for Nancy" was published in 2017.

Across Massachusetts, we are proud to call Nancy Schön our neighbor and are grateful for her continued creativity. Mr. Speaker, I wish Nancy Schön a very happy 90th birthday. I am deeply humbled to represent her in Congress, and I hope her 90th year is the best one yet.

TALLULAH RIVER ROAD

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to thank residents of Tate City for advocating for people who live in and visit Northeast Georgia. These Georgians alerted me to the unsafe conditions of Tallulah River Road, which runs through Towns and Rabun Counties. This road is the sole route to Tate City and provides access to campgrounds, fishing streams, and destinations in the Chattahoochee National Forest and Appalachian Trail.

I wrote to the U.S. Forest Service requesting road repair and maintenance, and would like to thank them for making timely improvements to Tallulah River Road.

Following that letter, the talented Forest Service team, including a bulldozer driver named Brad, went to work clearing out ditches, removing roadside vegetation, managing potholes, and leveling and adding significant amounts of gravel to the road. Residents of Tate City have since reported that Tallulah River Road is easier to navigate and the surrounding area has benefited from the improvements.

None of this would have been possible without the advocacy of concerned citizens. I would like to thank the many residents of Tate City who reached out to help me represent the interests of Towns and Rabun County, including Larry Hamble, the Harrisons, the Lovvorns, the Masseys, the Gilsons, the Penlands, the Shivers, the Van Camps, Robin Fisher, Brantley DeLoatche, the Lisicias, Steven Sickmond, Anne Taylor, the Jareks, Nikolai Len, the Eriksons, William Giordano, Steve Harvey, and the Foremans.

This win serves to confirm the excellence of the Fort Myers Miracle program compared to its Florida peers. This 2018 victory marks the team's 2nd championship win in the last 5 years.

I congratulate the Fort Myers Miracle and Manager Ramon Borrego for this thrilling victory. We look forward to the continued growth and success of this great baseball program.

HONORING JANET BAGLIERI

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Ms. MENG. Mr. Speaker, I rise today during National Ovarian Cancer Awareness Month to honor my constituent and ovarian cancer survivor, Janet Baglieri.

For as long as Janet can remember, she's had a sour stomach. That's why in 2010, when she experienced prolonged periods of abdominal bloating and cramping, she initially didn't think much of it and simply chalked it up to her long history of stomach sensitivity.

Eventually, after months of discomfort, she went to the doctor who referred her to a gastroenterologist for a colonoscopy. It was during this routine colonoscopy that doctors discovered Janet's ovarian cancer, and in August of that year she was diagnosed with stage 3c ovarian cancer. After undergoing surgery, doctors removed two large masses from her ovaries and performed a full hysterectomy.

During Janet's battle with ovarian cancer, she received genetic counseling and testing and discovered that she carries a BRCA2 genetic mutation. In contrast to other cancers, there is a much stronger hereditary component in ovarian cancer. Inherited genetic mutations cause roughly 20–25 percent of ovarian cancer cases compared to 5–10 percent of cancer cases overall, and BRCA1 and BRCA2 are the commonly inherited genetic mutations that cause ovarian cancer.

While genetic information is ideally applied in the context of cancer risk management and prevention, it increasingly plays a role post-diagnosis in guiding treatment options. Such is the case with Janet, who recently began taking PARP inhibitors after being diagnosed with a recurrence. PARP inhibitors are an emergent class of targeted therapies that work by blocking the growth of cancer cells and are typically taken long-term. For BRCA positive women with ovarian cancer like Janet, PARPs have proven to be a lifeline.

Today, Janet is an 8-year survivor. She has experienced the ups of remission and the downs of recurrence, all the while showcasing bravery and strength throughout her journey and never missing a beat in taking care of her family.

Sharing stories like Janet's is an important way to spread awareness not only this month, but every month. Awareness is particularly impactful when it comes to ovarian cancer because there is no effective screening tool. It is notoriously hard to diagnose and progresses quickly and aggressively, often with vague or altogether absent symptoms. As a result, most ovarian cancer cases are diagnosed in the late stages, when treatment options are limited and chances for survival are diminished. Less than 50 percent of women diagnosed with ovarian cancer live five years beyond their diagnosis.

Janet is beating the odds and serves as an inspiration to all of us. In honor of Janet and every other woman who has faced an ovarian cancer diagnosis, I support designating September as National Ovarian Cancer Awareness Month.

HONORING HANA STITH

HON. JIM BANKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. BANKS of Indiana. Mr. Speaker, I rise today to honor the life and legacy of Hana Stith. Hana was a fixture in the greater Fort Wayne area and played an integral role in unifying our community.

A truly dedicated citizen of Fort Wayne, Hana devoted her life to the service of others and to the preservation of history. As one of the first African American teachers hired by Fort Wayne Community Schools, Hana was a trailblazer. She took it upon herself to ensure a brighter future for those who would follow her. She refused to leave any child behind and took the time to give attention to students struggling with reading and math.

In addition to preparing children for the future, she worked to help ensure that her community did not forget the past. As a co-founder of the African/African American Historical Society of Allen County, she worked tirelessly to preserve the heritage of all citizens in the greater Fort Wayne community.

Her pioneering efforts with the Fair Housing Group, the Panel of American Women, and the Fort Wayne Board of Safety, reminds us all that one individual truly can make a difference in the lives of those around them. Throughout her entire life, she remained steadfast in her faith as a member of the Turner Chapel A.M.E. Church, director of the Commission on Christian Education, and a longtime Sunday School instructor.

Hana Stith spent her life aiding, educating, and inspiring others. Her impact on Fort Wayne will continue to be felt for generations to come.

Hall, Jr. three grandchildren Erin, Justin, and Austin and two great-grandchildren Michael, II and Emerson.

Mr. Lewis has been recognized for his outstanding service throughout his lifetime however, those who know him simply refer to him as "a good man." To some, Mr. Lewis is a dedicated member of his community, to others, a hardworking businessman. To his friends and family, Harvey T. Lewis is a man of faith and a devoted family man.

Mr. Speaker, I ask my colleagues to join me in honoring and celebrating Mr. Harvey T. Lewis on his 100th birthday. May God continue to bless him and his family.

25TH ANNIVERSARY OF THE JOHN-
NY APPLESEED ARTS AND CUL-
TURAL FESTIVAL

HON. JAMES P. MCGOVERN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 13, 2018

Mr. MCGOVERN. Mr. Speaker, I rise today to celebrate the 25th anniversary of the Johnny Appleseed Arts and Cultural Festival in Leominster, Massachusetts on Saturday, September 22, 2018.

Mr. Speaker, most of us know the story of Johnny Appleseed. I grew up hearing about his travels across the country—an American folk hero, who was said to wander barefoot while wearing a tin pot hat and carrying a sack of apples with him to help promote the growth of apple trees everywhere he went.

What many people do not know is that Johnny Appleseed's story is based on the life of a real man—John Chapman.
