CELEBRATING THE MOUNTAIN
 LAKES JUNIOR FIRE DEPARTMENT'S 50TH ANNIVERSARY

HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to celebrate the Mountain Lakes Junior

Fire Department located in the Borough of Mountain Lakes, New Jersey, on the occasion of its 50th anniversary.

The Mountain Lakes Junior Fire Department (MLJFD) was first established in 1941 to supplement manpower during World War II. It was disbanded in 1945 and reestablished in 1968 and has been a strong force in the community ever since. The department is made up of high school students ranging from 16–18 years in age. Currently there are 22 members serving in the junior department, with an active waiting list.

The juniors receive much of the same training as the senior members. The juniors drill two to three Sundays a month and they also attend monthly senior drills and meetings. The junior department currently has four officers: chief, deputy chief, and two captains. The officers are appointed by the senior advisors for a one year term. The junior officers are responsible for the supervision of the other junior members at drills, fires and other emergencies.

The department presents an annual service award to three graduating seniors who have served in the junior fire department. The award is named in memory of two long time Mountain Lakes Volunteer Fire Department members, James Bott Sr. and his son, Robert. The criterion for the award is based on attendance at drills, fire calls and other department activities. The awards are presented annually at the Mountain Lakes High School moving up day ceremony.

The department also voted to name a special award in memory of Firefighter Thomas Taylor. Tom was a long time resident of Mountain Lakes and served in the department for 53 years. The recipient of the award will be a member of the junior department and selected by the junior board of officers.

On March 25, 2003, a ceremony was held for the Mountain Lakes Junior Fire Department for placing first in the 2002 Junior Emergency Service Excellence Award sponsored by Volunteer Fire Insurance Service. Hundreds of applications were received from junior fire departments and junior ambulance squads from across the country. The juniors received a \$1,000 check, a plaque and were listed as the recipient of the award in national fire publications.

The Mountain Lakes Junior Fire Department serves as a model for other departments. The department has been integral in establishing other junior fire departments in Morris, Passaic, Essex, and Sussex counties.

Mr. Speaker, I ask that you and our colleagues join me in congratulating the Mountain Lakes Junior Fire Department, on the occasion of its 50th Anniversary.

INTRODUCTION OF A BILL TO ADD
 SUICIDE PREVENTION RESOURCES TO SCHOOL IDENTIFICATION CARDS

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mr. CORREA. Mr. Speaker, unfortunately, in 2016, there were nearly 45,000 suicides nationwide, making it the tenth-leading cause of death.

Tragically, among teenagers and young adults, the suicide rate is particularly alarming, with suicide the second-leading cause of death for people between the ages of 10 and 24.

For people experiencing suicidal thoughts or emotional distress, the National Suicide Prevention Lifeline and Crisis Text Line provide free and confidential round-the-clock support. Many colleges and universities also offer mental health resources on campus.

To raise awareness of these available resources, my legislation simply requires colleges and universities to provide the contact information for the National Suicide Prevention Lifeline; Crisis Text Line; and a campus mental health center, if applicable, on student identification cards. For colleges and universities that do not provide identification cards to their students, schools must ensure that the information is available on their website.

Suicide is a major public health problem. Providing information on existing suicide prevention resources can help students experiencing suicidal thoughts or emotional distress and potentially save lives.

IN RECOGNITION OF DR. RANDALL
L. O'DONNELL

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mr. CLEAVER. Mr. Speaker, I rise today to commemorate Dr. Randall L. O'Donnell as a champion of pediatric health and wellness in the greater Kansas City community for his work in improving the quality of care for children both in the Kansas City region and beyond. In 1897 two sisters, Dr. Alice Berry Graham and Dr. Katharine Berry Richardson, began treating children at no cost to families and without public assistance or donations. What began with the treatment of one little girl soon grew to a dozen children and then to hundreds more. Over 120 years later, Children's Mercy Hospital is a pillar in Missouri's Fifth Congressional District, treating 500,000 children annually and offering exceptional family and childcare services.

In 1993, Dr. O'Donnell became the Chief Executive Officer of Children's Mercy, the region's only pediatric hospital, marking the beginning of a long streak of innovative leadership and remarkable pediatric healthcare services. His desire to help children has significantly contributed to the expansion of the hospital's scope of services. In the last twenty-five years since its inception, Children's Mercy has extended their facilities to Overland Park, nearly doubled the size of their available beds, and expanded the downtown branch.

Throughout his tenure with Children's Mercy, Dr. O'Donnell has been an advocate for research and education. Under his leadership, the nonprofit secured necessary donations to launch the construction of a new nine-story research tower to further study pediatric medicine. It is no surprise that the hospital is recognized as one of the largest employers in the Fifth Congressional District and has become a renowned teaching hospital for students. Moreover, the hospital has earned countless honors and top-rankings such as the 2012, 2013, and 2015 Healthiest Employers

Program and fifth in the Top Area Acute-Care General Hospital List. Most importantly, the hospital has a standing reputation locally and nationally for putting children first. Sticking to his personal mantra that "Children aren't little adults," Dr. O'Donnell spearheaded a complete remodel of the hospital's interior design to create a fun, colorful, and welcoming environment for children. Unsurprisingly, from 2014 to 2017, Dr. O'Donnell was named one of the most influential people in the Kansas City community by the Kansas City Business Journal's Power 100.

Furthermore, it is my belief that the dedication and altruism Dr. O'Donnell has given the children and the Kansas City community is worthy of appreciation. His outstanding direction to lead Children's Mercy has solidified the preparedness of the nonprofit for future medical care. His devotion, passion, and hard work are demonstrative of the legacy the Berry sisters had when they founded the hospital. The entire district, myself included, is grateful to have such a distinguished doctor assisting the needs of children and families.

Mr. Speaker, please join me and all of Missouri's Fifth Congressional District in honoring Dr. Randall O'Donnell for twenty-five years of remarkable service as a leader of pediatric medical care. I encourage my fellow citizens across the country and my colleagues in this chamber to join me in showing appreciation to the service Dr. O'Donnell has given our children.

STANDING UP FOR THE PEOPLE

HON. JOYCE BEATTY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2018

Mrs. BEATTY. Mr. Speaker, Americans want a government "For The People."

They want Congress and a president that listens, speaks, and works for them.

My Democratic colleagues and I are focused on precisely that here in Washington and back home.

To list just a few highlights from the past few weeks for me:

Fighting to keep Central Ohio families together, including members of our vibrant Mauritanian, Somali, Latin American, and Central American communities;

Families like those of Edith Espinal, who has been forced to take sanctuary in Columbus Mennonite Church or face deportation.

In the nearly 365 days that have passed since Edith took refuge, my staff and I have been working diligently to try to help reunite Edith and her family.

We have met Edith's family, her advocates, legal representation and will do so again in the coming days, as well as with other stakeholders.

I have spoken directly with Edith.

My District staff just last month met with another group of Edith's advocates, and we contacted USCIS and ICE officials requesting assistance.

Our efforts continue to keep her from being deported.

Her story and the countless like it are a direct result of our broken immigration system that no wall will ever fix.

In addition to standing up for Central Ohio families, I also hosted a Community Conversa-

tion with hundreds of my constituents at St. Stephens Community House—in conjunction with their 100th year of service.

Held a Healthcare Listening Session and Roundtable with hospital executives and local stakeholders on the future of healthcare;

As well as my Money, Wealth and Disparities Issues Forum during the 48th Congressional Black Caucus Foundation's Annual Legislative Conference.

Walked in the National African-American Male Wellness Walk in Columbus, packed care packages with the USO for military families, and spoke at the Welcome Ohio event to recognize our newest neighbors.

Toured several Central Ohio businesses, including the new AmeriSource Bergen Lockborne facility, Core Molding Technologies, the Ohio Media School, Heidelberg Distributing, and Home Depot, to name a few.

Visited first time homeowner, 75 years young Mrs. Joyce Mayne and the amazing people at Homeport, who helped Mrs. Mayne and many other Central Ohioans realize the American Dream of homeownership.

Met with the AFL-CIO, Moms2B, the Ohio Credit Union League, YWCA Columbus, Ohio Dominican University President Robert Gervasi, the Ohio Automotive Dealers Association, and countless other constituents and community leaders.

Last but not least, I continue to emphasize the importance of civility and the need to tone down the heated rhetoric, to treat each other with respect and dignity, and to be able to disagree without being disagreeable.

It certainly has been a hectic month and a half, but I look forward to continuing to listen, speak, and work "For The People" who entrusted me to be their voice in Congress.

Central Ohioans and Americans are clamoring for better jobs, better wages, better opportunities, and a better future.

That is why Congressional Democrats are working tirelessly—whether that be in the Halls of Congress and in neighborhoods all across America, like the East Side of Columbus to Franklinton, and Westerville to Groveport—to:

increase take home pay;
prepare American workers for the jobs of tomorrow;

lower prescription drug prices and healthcare costs;

clean up the Culture of Corruption, and make Washington work better for ALL Americans.

These coming weeks are critical, and I urge all Americans to make sure to vote.

I also must chide Republican Leadership for leaving much work left undone in this Congress that impacts hardworking families, including equal pay for equal work, comprehensive immigration reform, the FARM Bill, flood insurance reauthorization, and fully draining the swamp by getting dark money out of politics.

Our work certainly will continue through the November elections and into the 116th Congress.
