

union member. After retiring, she moved from Youngstown to Cleveland. She traveled extensively, frequenting Italy and Florida. She loved to dance, and her passion for dancing was contagious. She made friends wherever she went, and she never turned down an invitation to a party. Maggie was a staunch advocate for human rights and a political firebrand who remained firm in her convictions.

She is survived by her daughter Maura George (Bryce Kujat); son Michael George (Amber Pompeii); grandchildren Francis and Harriet; twin sister, Katie (Jim Armaline); five other sisters, Annie (Tom Carney), Elaine, Monica, Sue (Kim Korver), Mary Therese (Denise Reynolds); and seven brothers, Jim (Fiona Young), Tim (Mama Negrelli), Bill (Mary Mcatee), Bob (Michele Lepore-Hagan), Jack (Noreen O'Malley), Chris (Laureen McGarry), and Jeff (Marcia Egbert). She was also a beloved aunt to 27 nieces and nephews and 27 great nieces and great nephews.

I had the immense pleasure of knowing Maggie. I always loved seeing her at political or union events. She believed in the power of labor unions. She believed in the power of education. While she may be gone, her spirit lives on. She inspired us to use our lives to make a difference in people's lives. And we will always keep her memory close to our hearts.

TRIBUTE IN MEMORY OF
CHISWELL LANGHORNE, JR.

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. ROGERS of Kentucky. Mr. Speaker, I rise today to pay tribute to the late Chiswell D. Langhorne, Jr., in memory of his quiet support of Eastern Kentucky, where he made an invaluable impact in the lives of people living and working in the coalfields.

Although he was not a native Kentuckian, Mr. Langhorne shared our Appalachian roots from Lynchburg, Virginia. He graduated from the University of Virginia and the University of Virginia Law School. He also attended post graduate programs at Harvard and Sloan School at MIT. He was a trust officer at NS&T Bank for 15 years and maintained a successful law practice. Mr. Langhorne joined Kentucky River Coal Corporation's board in 1965, serving as an active board member, past chairman and as vice chairman, a role he held from 1983 until April 2018. He guided the company and its successor, Kentucky River Properties (KRP) through an expansion into Indiana, Illinois, West Virginia and western Kentucky. Mr. Langhorne had an innate passion for supporting job creation in Central Appalachia through the coal industry and silently invested in opportunities to improve life in the mountains. For example, he consistently insisted KRP contribute to local school systems to emphasize the importance on expanding educational opportunities in Appalachia.

Refusing personal accolades for his philanthropic spirit, Mr. Langhorne advocated for Kentucky River Properties to invest in our greatest resource—our people. In an unprecedented move from the coal industry in 2010, KRP donated \$500,000 to the Operation UNITE Foundation, Eastern Kentucky's first

non-profit anti-drug organization, to pay for substance abuse treatment vouchers to be distributed over the course of five years. The vouchers were awarded to low-income individuals in a four-county area in Eastern Kentucky who otherwise could not afford a residential treatment program. Thanks to his support, countless lives have been saved from potential drug overdose deaths and families have been reunited through recovery.

Mr. Langhorne's commitment to Eastern Kentucky through KRP has helped transform our region and pave a brighter path for future generations. My wife, Cynthia, and I send our heartfelt condolences to Mr. Langhorne's family and friends. We deeply appreciate the compassion he showed for fellow Appalachian families throughout his career.

TRIBUTE TO ELLA MAE RECORD

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to Ella Mae Record, who passed away last month in California. Ella Mae was the matriarch of the Record family in San Jacinto Valley. She will be deeply missed.

Ella Mae was born at home in Torrance, California, on January 18, 1929. Her family moved to the San Jacinto Valley on New Year's Day, 1937, where she enrolled in school. It was in school that she developed a love for music and sports. She was named the sports writer for the school paper, editor of the yearbook, and was elected student body president her senior year. Ella Mae's summers were spent working on the family ranch learning to drive cars, trucks, tractors and mules. She married Clayton Record, Jr. on August 21, 1948. They lived in San Luis Obispo while Clayton was enrolled at Cal Poly and began their family while living in a small trailer in "Vetville."

In 1952, they returned to the San Jacinto Valley where Clayton worked the family dairy and Ella Mae concentrated on raising the family. Her passion was golf which she began pursuing in 1960 at Gilman Hot Springs before becoming an active member of Soboba Springs. She was club champion at both and president of the Woman's Golf Association. She realized her dream of living on a golf course when she joined the Sunrise Country Club in Rancho Mirage where she finally got her hole-in-one. Ella Mae's other interests included photography, obtaining her pilot license, owning a quarter horse, jeeping in the riverbed and serving on several boards of important valley organizations. She was preceded in death by her husband, Clayton Record and her son Clayton "Claytie" Record. She is survived by her sons, Mike, Randy, and Keith; daughter, Nanci, 10 grandchildren, and 13 great grandchildren.

I extend my heartfelt condolences to the entire Record family, friends, and everyone fortunate enough to know Ella Mae. Although Ella Mae is gone, the many contributions she made to our community and family will have a lasting impact.

BIG HEROES, TINY HOMES—
STUDENTS HELPING VETERANS

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. POE of Texas. Mr. Speaker, according to the Michael E. DeBakey VA Medical Center in Houston, Texas, 28 percent of Houston's homeless population are veterans. That is over 3,600 homeless veterans in Houston alone. These same veterans admirably served our nation and have dedicated their lives to the service and protection of the United States.

Across the nation, "micro homes" are being used as transitional homes for those in need. A micro home is defined as a residential structure with utilities and built for full time occupancy, in less than 350 square feet. Micro home communities have been created by charities in Austin, Dallas, Detroit, Los Angeles, Nashville, New York, Olympia, Portland, Seattle, and Syracuse. Now, students at Humble ISD are trying to add Houston to that list.

More than 70 students at Summer Creek High School and Kingwood Park High School are working to create a community of micro homes for homeless veterans—designing tiny homes for big heroes. The students have spent the last several months designing the blueprints and a 3D model for the 200-square foot home and working with architects to make sure it works. From paint colors, to roofing, to electrical wiring, they have designed and obtained prices for everything necessary to complete their vision. Unlike usual school projects, this student-led initiative requires marketing to prospective donors and could take years to successfully complete this micro home community. These passionate students have given pitches and presentations to countless potential donors, the City of Humble council members and mayor as well as the City of Houston.

So far, the students, along with the help of faculty and staff, have raised \$40,000 to level a piece of land next to the school where they can begin the next phase of constructing the homes. Both Summer Creek and Kingwood Park will build a model tiny home by the end of this school year. The goal is to eventually partner with a nonprofit and also raise money to buy land to place the homes.

Before giving a presentation to potential donors, a senior from Kingwood Park High School, Nicholas Logan, told Texas School Business Magazine: "It's given me a purpose. I'm not just going to school today. I'm going to school so I can attend a meeting, so I can get the funding to help other people, so they can have a home." It is because of the actions of selfless minds like Nicholas, that this great country will be in the good hands of our future leaders.

Good deeds do not go unnoticed. I know that the residents of Lake Houston Area are proud of these students and I applaud not only the students for their tremendous achievements and commend them for giving back to our community, but their parents as well. They are truly making a difference and represent all that is right and good in America.

And that's just the way it is.

IN RECOGNITION OF SHERIFF
CHARLES McDONALD

HON. MARK MEADOWS

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. MEADOWS. Mr. Speaker, I rise today to recognize my friend, Sheriff Charles McDonald, who has served as a faithful law enforcement officer in Henderson County for over thirty years. With the support of his wife, Jennie, Sheriff McDonald has demonstrated an unwavering commitment to the people of Henderson County and to the safety of our community.

Sheriff Charles McDonald served in the Navy for four years before beginning his public safety career in 1985 as a Patrol Deputy in Henderson County. Over the next 25 years, McDonald went on to serve as a Lieutenant in the Drug Enforcement Unit, Patrol Squad Lieutenant, SWAT Team Leader, Department Training Officer, Chief of Criminal Investigations, Sheriff's Command Staff, and Captain.

In June 2010, Sheriff Charles McDonald retired with 25 years of service in public safety until March 2012 when he was appointed by the Henderson County Board of Commissioners to the Office of Sheriff. After six years of faithful service, Sheriff McDonald will complete his duty in office on December 3, 2018.

Under Sheriff McDonald's leadership, the department has effectively combated illegal and prescription drug abuse in the Henderson County community through prevention efforts, education, and enforcement. During his tenure, over \$4.3 million dollars in illegal drugs have been apprehended by the Henderson County Drug Unit since 2014. Additionally, 245 drug conspirators, traffickers, dealers, and users have been arrested and prosecuted. Sheriff McDonald has prioritized rehabilitation for inmates by encouraging education in life skills and providing addiction resources through private and non-profit programs.

Sheriff McDonald is highly regarded among his peers and has been recognized as a "vetted instructor" by the U.S. Department of State in ATA Counter Terrorism programs since the September 11th terrorist attacks. Sheriff McDonald has worked for private companies as a contract instructor concentrating in law enforcement tactical training and has served as an instructor abroad in South America and the Middle East on Counter Terrorism, Crisis Response, and Tactical Command training and planning.

His devotion to public safety has established him as a respected leader in Henderson County and Western North Carolina. On behalf of the people of North Carolina, it is my distinct honor to recognize Sheriff McDonald for his devoted service to his community.
