

Leandro Jasso, an Army Ranger who grew up in Leavenworth, WA and was assigned to Joint Base Lewis-McChord. Sgt. Jasso was killed in Afghanistan during his 3rd deployment protecting and defending our country. The men and women who serve in the military are the very backbone of our nation. The freedoms we as citizens enjoy would not be possible without the courageous sacrifices Sgt. Jasso and countless others have made. Sgt. Jasso's commander stated that he was "a humble professional who placed the mission first, lived the Ranger Creed and will be deeply missed." In other words, he had the heart of a servant. While it is with incredible sadness that I make this statement, it is also with immense gratitude for the life of service he lived, the people he touched, and the sacrifice he made. We will be forever grateful.

Wednesday, November 28, 2018

Mr. MESSER. Mr. Speaker, I rise today to honor the individuals who served on the 6th Congressional District Agriculture Advisory Committee.

The members of the Advisory Committee met with my team regularly to discuss emerging agriculture issues in Indiana. Agriculture has played a critical role in Indiana's economy throughout our state's history. Indiana is home to nearly 60,000 farms that produce a wide variety of crops and livestock. The Committee's valuable insight helped me better represent Hoosier farmers' priorities in Congress.

I would like to thank all of the members of the Committee, including Angie Steinbarger, David Howell, Mark Bacon, Matt Chapman, Elaine Gillis, Jim Douglas, Gerald Guack, Leah Beyer, Brett Glick, Harold Cooper, Jeremy Russell, Eugene Whitehead, Kari Steele, Jonathan Sparks, Ed Yanos, Andrew Fix, Clark Jordan, Tom Chalfant, Tyler Silveus, Christian McCray, Bryan Fischer, Scott Logue, and Tobe Forshtay.

I appreciate their service on the Committee and their dedication to making Indiana a better place to live for all Hoosiers. I wish all of them continued success in whatever God has in store for them and their families.

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 28, 2018

Ms. McCOLLUM. Mr. Speaker, I rise today to congratulate Major Marisol Altagracia Chalas on the occasion of her well-deserved promotion to Lieutenant Colonel in the United States Army. Marisol began her outstanding military career 28 years ago as an enlisted soldier and has broken barriers on behalf of women in this country ever since. Most notably, in 2001 she had the distinction of becoming the first Latina National Guard Black Hawk pilot in the United States. Throughout her career, she has held the position of Battle Captain and Platoon Leader during Operation Iraqi Freedom, Aviation Liaison under the Combined Joint Task Force in the Dominican Republic, Lean Six Sigma Advisor, and Force Management and Exchange Officer with the Canadian military. Marisol also has outstanding corporate experience, having worked in management positions at General Electric and Booz Allen Hamilton.

Marisol's commitment to public service is not limited to serving in the U.S. Armed Forces. It extends to helping her community as well. Marisol started a leadership lunch and learn program for children at Fort Bragg, took part in the Big Brothers Big Sisters of America program, and currently serves on the board of the Massachusetts Maritime Academy. She also received the USCIS Outstanding American by Choice award in 2017, which highlights and celebrates the experiences and work ethic that immigrants contribute to the United States.

As an Army Congressional Fellow in my office, Marisol brought a unique perspective to my staff. Her long and distinguished career in the military added invaluable insight while we considered the Fiscal Year 2018 Defense Appropriations legislation. The policy and funding measures she worked on helped to improve the lives of U.S. service members around the world. Additionally, Marisol oversaw the State and Foreign Operations and Homeland Security appropriations portfolios during her year in the office. Whether it was meeting with constituents, staffing day long Appropriations Committee markups, or debating important issues with staff, Marisol always conducted herself with the utmost professionalism and respect.

Marisol's service and dedication to our nation truly upholds the U.S. Army's core values: Loyalty, Duty, Respect, Selfless Service, Honor, Integrity, and Personal Courage. Thank you, Marisol, for your service to our nation and for your service to the people of the Fourth District of Minnesota. We wish you nothing but success in the next chapter of your life.

IN APPRECIATION OF THE SERVICE OF MAJOR SINDI ANNE CONNELL

HON. EDWARD R. ROYCE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 28, 2018

Mr. ROYCE of California. Mr. Speaker, today I recognize Major Sindi Anne Connell of the United States Army for her extraordinary dedication and service to our Nation. Major Connell will soon transition from her current assignment as an Army Congressional Liaison in the House of Representatives to attend Army Intermediate Level Education and return to duty as an Army Military Intelligence Officer.

With an impressive and proven record of leadership, including a combat tour in Afghanistan with the 101st Airborne Division and company command in the 501st Military Intelligence Brigade in the Republic of Korea, Sindi was chosen to serve as a Defense Fellow in a Congressional Office in 2016.

Major Connell's outstanding work there led her to be selected as a Congressional Liaison in the United States Army House Liaison Division. Her first-hand knowledge of the military,

its culture, and traditions was a tremendous benefit to Congressional offices. Sindi was especially effective in her service to Members and staff as she escorted them on fact-finding and oversight delegations within the United States and around the world. I traveled with Sindi on multiple occasions. Her expert planning, attention to detail, and love of travel enabled exceptional visits for my fellow Members of Congress and myself. I found her to be a thoughtful, intelligent, and professional soldier in the best traditions of America's Armed Forces.

Mr. Speaker, it has been a pleasure to work with Sindi during her time as an Army Congressional Liaison Officer in the House of Representatives. On behalf of a grateful Nation, it is my honor to recognize the selfless service and sacrifice of Major Sindi Anne Connell, and her husband, Joshua Hengst. I wish them the very best.

CONGRATULATING KESHAV GOEL

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 28, 2018

Ms. ESHOO. Mr. Speaker, I rise today to congratulate my constituent, Keshav Goel, of Monte Sereno, California, on being selected as a George J. Mitchell Scholar.

One of our nation's most prestigious scholarships, the program was created 20 years ago by the U.S.-Ireland Alliance and named in honor of Senator George J. Mitchell's contributions to the Northern Ireland peace process. The program selects future American leaders for one year of graduate study in Ireland. Keshav Goel is one of 12 Mitchell Scholars selected this year out of 370 students who applied from more than 200 Congressional Districts across the U.S.

Keshav is a dual major in Biology and Economics at Williams College. Understanding that socioeconomic inequality is one of the greatest public health concerns in the U.S., he has conducted research on ailments that disproportionately affect the world's poor. Growing up in Monte Sereno, California, Keshav co-authored his first published clinical paper at the age of 16 on the automated detection of congenital heart defects in newborns. He is currently conducting a year-long senior biology thesis to uncover the causes of asthma which disproportionately impacts children in impoverished countries. He has also conducted health economics research with Harvard Medical School to assess the quality and effectiveness of federally funded clinical trials. Outside the classroom, Keshav serves as a peer mentor with an organization in Western Massachusetts that provides drama therapy to adolescent survivors of trauma. An aspiring physician, Keshav will study Immunology and Global Health at the National University of Ireland, Maynooth.

Keshav embodies the spirit of leadership and academic excellence that led to the creation of the Mitchell Scholarship program. I congratulate him on his selection as a George J. Mitchell scholar and wish him every success during his year in Ireland.

TRIBUTE TO THE HOMENETMEN
GLENDALE "ARARAT" CHAPTER

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 28, 2018

Mr. SCHIFF. Mr. Speaker, I rise today to honor the Homenetmen Glendale "Ararat" Chapter upon its fortieth anniversary.

Established in 1918, the Armenian General Athletic Union and Scouts, commonly referred to as Homenetmen, has served hundreds of thousands of youth worldwide. In 1922, when Homenetmen chapters in Constantinople were forced to close, its leaders dispersed across the world. From there, a network of chapters began appearing globally, including in the United States.

Homenetmen Western USA presently comprises 19 chapters, with several within California's 28th Congressional District, which is home to a large and vibrant Armenian-American community. This extraordinary organization has preserved the Armenian spirit by introducing Armenian-American youth to the rich Armenian culture and heritage, and has provided them with physical, moral and social education.

Founded in 1978, the Homenetmen Glendale "Ararat" Chapter is the largest chapter in Homenetmen Western USA. It has served thousands of children, young adults and seniors over the years and has provided scouting, athletic, educational, cultural, and wellness activities to the communities it serves. The organization has been especially committed to improving the lives of our next generation by offering healthy programs for teens and young adults through supervised weekend and after school activities in a family-oriented environment. In addition, it has championed teaching the importance of volunteerism, teamwork and citizenship.

The time, effort, and care that the Homenetmen Glendale "Ararat" Chapter has given to the community is invaluable, and the Armenian-American residents of Southern California have benefited greatly from its dedicated work. The organization has played a significant role in shaping our children into responsible citizens and thriving members of society, who become shining examples of Homenetmen's motto—"Elevate Yourself and Others With You."

I ask all Members to join with me in commending the Homenetmen Glendale "Ararat" Chapter for forty years of dedicated service.
