

EXTENSIONS OF REMARKS

IN RECOGNITION OF MR. CLYDE
LARSON

HON. RICHARD M. NOLAN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 11, 2018

Mr. NOLAN. Mr. Speaker, I rise to note the passing of my constituent in Minnesota's Eighth Congressional District, Mr. Clyde Larson, of Hermantown. Mr. Larson was a pillar of the railroad labor community in Duluth, the Arrowhead, and throughout our state.

Across Northern Minnesota, we are all so very proud of the men and women who operate the BNSF, Canadian National, and Canadian Pacific and short-line railways. The railroad workers of America—epitomized by Clyde Larson and so many thousands of others like him—help form the foundation of our Nation's economy. Whether they are moving passengers, iron ore and steel, grain, chemicals, forest product or intermodal goods, railroad train crews work around the clock under all weather conditions. They are silent sentinels protecting the public while serving industries and operating their trains across the land.

Clyde was 62 years of age when he passed unexpectedly. Born to Dexter and Wanda Larson, master bakers and small business owners from Fridley, Minnesota, the Larson family later moved to Hermantown, where Clyde graduated from high school in 1972 and met his bride, Anne Tessier, in 1977.

After high school and vocational training, Clyde went to work for Burlington Northern Railroad (BN), and then the mighty Duluth Masabi and Iron Range Railway (DM&IR) where he worked as a conductor until being severely injured in the early 1990's. During his railroad career, Clyde was elected Local Chairman for the United Transportation Union and rose by democratic election to the position of UTU General Chairman for the DM&IR.

General Chairman Larson helped countless railroad workers and protected one of the most valuable and lucrative steel-road contracts in the United States. Brother Larson presided over the DM&IR's Carnage pension contributions to steel-road workers, in addition to ensuring each member's rights under the United States Railroad Retirement pension and disability system. Thanks to his work ethic and devotion to his UTU members, thousands of active and retired railroad workers across northern Minnesota have lived independent lives, supported our Main Street economies, and helped to make Minnesota a better place in which to live, work, and do business.

Upon the CN Railway's takeover of the DM&IR in 2009, Clyde went to work for the UTU Designated Legal Counsel firm of Hunegs, LeNeave, and Kvas, where he served and protected all railroad craft workers. Clyde worked as an expert investigator, consultant, and advocate for railroad families when they were most vulnerable. Through his work to improve safety in the railroad work place, Clyde, along with his Union Brothers and Sisters,

have made America's railroads a safer place to in which to work and prosper.

In true Minnesota tradition, Clyde honored justice, common decency, and maintained civility at all times. With a dry wit and cutting sense of humor, Clyde championed fair treatment for workers and railroad families. He was tremendously generous with his own time and resources to help all of those with less. Having known Clyde Larson as a husband, father, grandfather, brother, friend, mentor, and member of the St. Lawrence Church of Duluth, Moose Lodge, United Transportation Union, and Railroad Retiree's Association, the greater Duluth and Arrowhead community moves forward as richer Americans.

Clyde Larson is survived by his loving wife Anne, sons Scott, Eric, and Corey, with their wives Jen, Lindsey and Jean, his grandchildren Dexter and Gustafson, parents Dexter and Joanne Larson, and siblings Joel, Mikkel, Karen, and Kathy, along with their spouses and extended families.

TRIBUTE TO BENNETT "BEN"
DRAKE

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 11, 2018

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to Riverside County farming and water leader Bennett "Ben" Drake, who passed away on Wednesday, November 7, 2018. Ben served the people of Riverside County in many ways throughout his life and he will be deeply missed.

Ben was born in Riverside, California on July 8, 1949, to Richard and Martha Drake. Ben was a graduate of Fresno State University and also a member of Class XII of the California Agricultural Leadership Program. Ben was a fifth generation farmer in Riverside County and a resident of Temecula since 1973. Ben founded Drake Enterprises, Inc., a farm management company 40 years ago. They manage 750 acres of avocados and 450 acres of winegrapes in the Temecula Valley. Ben served as past President of the Temecula Valley Winegrape Growers Association and past Chairman of the California Association of Winegrape Growers.

As a prominent farmer and water advocate, Ben played a significant role in the successful growth of the Temecula Valley Wine Country. In the 1990's, an outbreak of Pierce's Disease threatened to wipe out grape vineyards throughout the region and state. As I witnessed first-hand, Ben's leadership during the crisis made a tremendous impact and resulted in a coordinated response from local, state and federal agencies that ultimately saved the region from devastation. Ben was elected to serve on the Rancho California Water District's Board of Directors in September, 2001, and faithfully served on the Board for 17 years. For all of his many accomplishments Ben was named California Association of Winegrape Growers Leader of the Year 2013; Boy Scouts Distinguished Citizen of the Year 2014; Riverside County 4H All Star; and received the Robert M. Howie Award for Outstanding Service to Riverside Agriculture 2010.

Ben is survived by his wife of 43 years, Sharon (Clark) Drake and his children Katie (Drake) and JD Harkey, Chase Drake, Kourtney Drake, Kara (Drake) and MacLain Atkinson. I want to extend my heartfelt condolences to the entire Drake family, his friends, and everyone who had the pleasure of knowing him. Although Ben may be gone, the many contributions he made in Riverside County will have a lasting impact.
