TRIBUTE TO CORPORAL MUJAHID  
RAMZZIDDIN

**HON. STENY H. HOYER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 27, 2018*

Mr. HOYER. Mr. Speaker, on Friday I attended the funeral of a hero. Prince George's County lost a dedicated Corporal last Wednesday, who was shot and killed while off duty but still doing his duty. Corporal Mujahid Ramzziddin, a fourteen-year veteran of the force, stepped in to protect a neighbor from an abusive spouse. As Chief Hank Stawinski said: 'He saved her life by giving his own.' He is the thirtieth Prince George's County police officer to die in the line of duty. Corporal Ramzziddin's courage is an example of the kind of devotion to duty that our law enforcement officers in Prince George's County and across Maryland and the United States demonstrate each day they serve.

At the funeral in Lanham, I joined state and county officials in comforting Corporal Ramzziddin's wife Tammi and his four children as they paid their final tributes to him and laid him to rest according to traditional Muslim rites. I was honored to present Tammi with a flag flown over the U.S. Capitol in memory of her husband, and I was deeply moved by the outpouring of support and love from the community to the Ramzziddin family. They are in my thoughts at this difficult time, as is Corporal Ramzziddin's heroic example.

Corporal Ramzziddin was not only a dedicated law enforcement officer; he was also a volunteer in the community. He served in several ways with the Nation's Mosque, including as a leader for its Boy Scout Troop 1517, on its safety and security committee, and with the men's group that engaged in neighborhood litter removal projects. Corporal Ramzziddin was a man of faith and service, a patriot and a hero to his community. It surprised no one who knew him that he gave his life while trying to protect someone else.

I hope all of my colleagues in this House will join me in paying tribute to Corporal Mujahid Ramzziddin for his life of service and his ultimate sacrifice protecting the people of Prince George's County, Maryland.

HONORING HENRY LUCKETT

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 27, 2018*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor an intuitive and self-motivated man, Mr. Henry Luckett.

Mr. Henry Luckett was born and raised in Canton, MS, to Hemy and Lucille Luckett. He is the second of six children born. His parents instilled in him at an early age, that if you want to be a productive citizen you must take education seriously, work hard, and never make excuses.

Mr. Luckett has lived in Holmes County since 1982. His family and faith are very important. He's married to Mrs. Charlie M. Luckett and they are the proud parents of four children.

Mr. Luckett currently serves as Chancery Clerk of Holmes County since January 2012. He is an active member of: Holmes County School and Community, serving as a Charter member of Leadership Holmes since 1993; Board of Directors of Holmes County Chambers of Commerce, (2002–2008), as President (2008–2010); and he was President of the William Sullivan School PTA from 2005 to 2010. During this Administration, he was a member of the Six Million Dollar Club, which were counties who were issued six million dollars or more annually in food stamps benefits. Only twenty-five States had that distinction. Being one among the National Six Million Dollar Club members Holmes County received numerous awards from the USDA for exceptional management of the program. As Director he always made sure that everyone was treated with respect and those eligible received their benefits in a timely manner.

Mr. Luckett previously served as Project Director for the Mississippi Parent Information Resource Center Program for the Community Students Learning Center. Mr. Speaker, I ask my colleagues to join me in recognizing Mr. Henry Luckett for his desire for continued excellence in his community.

SERBIA AND AMERICA

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 27, 2018*

Mr. POE of Texas. Mr. Speaker, it is a distinct honor for me to talk about the great relationship we have with Serbia as co-chair of

the Congressional Serbia Caucus along with my friend EMANUEL CLEAVER (D–MO).

Serbia is a great friend of the United States. As a Texan, I have great admiration for the people of Serbia. Our strong opinions and habit to speak our minds make us natural allies.

In fact, one of the first people to settle Texas was a Serbian named Dorde Sagic, or George Fischer as he was known in the U.S.

After settling in Texas, Sagic went on to become a justice of the peace in my hometown of Houston, Texas.

But Serbia has contributed much more to the cause of justice than just Mr. Sagic keeping the early streets of Houston safe.

Today we honor the service of Serbia's armed forces who have fought side-by-side with Americans to preserve justice during history's most horrific conflicts.

In 1918, President Woodrow Wilson gave a speech marking the fourth anniversary of Austria-Hungary's invasion of Serbia. Speaking of the bravery of the Serbian armed forces, President Wilson said:

"Nobly did they respond. So valiantly and courageous did they oppose the forces of a country ten times greater in population and resources . . . While their territory has been devastated and their homes despoiled, the spirit of the Serbian people has not been broken."

As a Texan, I admire such defiance against overwhelming odds.

Like President Wilson, I am proud to share the stories of Serbia's bravery here in Washington.

I believe the most meaningful for Americans is the story of the Halyard Mission during the dark days of the Second World War.

While under Nazi-occupation, the Serbian people demonstrated their bravery as they played a crucial role in the largest rescue operation of American airmen in history.

In 1944, American bombers were flying frequent missions to strike Germany's vital oil supplies in Romania as part of the allied advance into Europe.

The 15th Air Force led this effort by launching nearly 20,000 sorties into Eastern Europe, with many of the missions flying over Nazi-occupied Yugoslavia. As many as 1,500 pilots and airmen were shot down during these courageous air raids.

Serbians, who had been resisting German forces since 1941, risked their own lives to rescue American aircrews and hide them from patrolling Nazis.

For months these brave and noble Serbians cared for and protected American and allied pilots.

By August 1944, the allied forces, including the 15th Air Force and Office of Strategic Services, devised a daring operation to evacuate the hundreds of allied pilots being sheltered by the Serbian resistance.

American aircraft flew into enemy territory and evacuated these airmen from an air field built and protected by local Serbians near the village of Pranjani.

For over 60 years this operation was kept secret. But now we can remember the courage of our Serbian friends and say thank you.

The spirit of the Halyard mission still lives on today as a remarkable story of resistance and heroism.

As was the case in both World Wars, Serbia and the U.S. still face shared threats.

About 600 foreign fighters in Syria have come from the Balkan states. ISIS and al-Qaeda terrorists present a threat to Serbia and the region just as they present a threat to the U.S.

We must continue coordinating with our Serbian partners to stop returning terrorists and neutralize networks that recruit fighters in the Balkans.

The U.S. is also working with Serbia to improve its independent judiciary and fight corruption. A democratic Serbia with a strong rule of law is in America's interests.

But there are others who do not share this goal.

Russian disinformation efforts are designed to keep Serbia in its sphere of influence and poison our warming friendship.

Nevertheless, Serbia's integration to the West has continued to move forward.

In 2006, Serbia joined NATO's Partnership for Peace program and, in 2015, signed an Individual Partnership Action Plan with the alliance to strengthen cooperation.

Recently the European Union announced that Serbia could join the EU as early as 2025. I applaud this step which will strengthen Belgrade's political institutions and economic ties with the west.

Together we share the same dreams of a bright and free future for both our countries.

We are blessed to have brave men and women that ensure our futures are bright and free.

I want to thank the Serbian armed forces for standing with America in the wars of the past and in the challenges we will face together in the future.

And that's just the way it is.

#### TAX REFORM WORKS

#### HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 27, 2018*

Mr. POE of Texas. Mr. Speaker, last year, Congress passed landmark legislation, the Tax Cuts and Jobs Act.

This legislation cuts taxes in every income group.

Now, Texans are seeing the impact of this pro-family, pro-growth tax reform.

And so are the employees of Insperity.

In 1986, Insperity launched with little more than a 600 square foot home office and two employees in Texas's Second Congressional District.

But the small startup quickly began growing, eventually turning into one of the largest HR outsourcing firms in the country.

Earlier this month the company announced bonuses to its employees—made possible through the U.S. tax reform act.

The amount of the bonuses will range from \$1,000 to \$4,000 per employee dependent upon the employee's tenure with the company.

These bonuses total approximately \$9 million and will not be awarded to the management team and other senior leaders.

The company says: "We believe the passage of tax reform is positive news and should provide for stronger growth of Insperity, the small business community and the broader U.S. economy."

Mr. Speaker, the Democrats may call \$1,000–\$4,000 "crumbs . . ."

But to the people of the Texas Second Congressional District this is money that will go directly back into the pockets of a community hit hard by Hurricane Harvey.

This extra money will help families rebuild their homes, restore their possessions that were ruined by the floodwaters and recover from the devastation brought forward by the Hurricane.

Mr. Speaker, Insperity is just one example of the good work that this tax reform package has done.

The latest data shows that a typical middle-income family of four in Texas's Second Congressional District will see a Tax Cut of \$2,788.

The Tax Cuts and Jobs Act has put more money in the pockets of employees and allowed industry to grow.

And that's just the way it is.

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Mr. OLSON. Mr. Speaker, I rise today to congratulate Mo's Place, of Katy, TX, on its 30th Anniversary.
