Frank Napolitano was born and raised in New York City, where he spent his formative years, before military service and moving to California. He was a successful chef, restaurateur and businessman for over two decades. He met and later married the former Grace Flores Musquiz in 1982 and began a post-business career as a prominent community volunteer and philanthropist.

Frank Napolitano rose to become a highly recognized leader with the City of Norwalk where he served for many years as Chairman and member of the Senior Citizens Advisory Commission; he was designated Citizen of the Year by the Norwalk Community Coordinating Council; and prior to that served on the city Parks and Recreation Commission. He also served as an officer and member of several civic and fraternal organizations including the Norwalk Knights of Columbus as a Fourth Degree Member and the Norwalk Lions Club as a Melvin Jones Award recipient.

It was during these many years that he worked tirelessly on several important community benevolent projects including distributing thousands of turkeys and food baskets to families in need during the holiday seasons. He was instrumental in organizing many community carnivals and fairs on behalf of the city and service organizations at the City Hall Lawn to raise much needed funds for their community projects.

Frank's commitment to community service, led to his most significant and long-lasting program, the Norwalk Santa's Sleigh Foundation. Together with Norwalk Mayor Luigi Vernola and Vernola's daughter Lisa Salas, they co-founded the annual Santa's Sleigh visitation program in 1989 in cooperation with the City,

Los Angeles County Fire and Sheriff's Departments to distribute toys and goodies to Norwalk Youth and Families throughout the Christmas and holiday season. This award winning program has been imitated by numerous cities and has provided countless families with extra Christmas spirit for decades.

In recognition for his business acumen and community service, Napolitano was appointed to the California state Senate Insurance Committee Advisory Commission on Small Business in 1988. He served for several years advising on the effects of insurance industry practices on small businesses. Today, The California Democratic Congressional Delegation salutes and honors an outstanding husband, father and civil servant, Mr. Frank Napolitano. We will join all of Frank's loved ones in celebrating his incredible life. He will be deeply missed.

KAZAKHSTAN'S ROLE IN GLOBAL AND REGIONAL SECURITY

HON. KEN BUCK

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 11, 2018

Mr. BUCK. Mr. Speaker, I rise today to recognize the important role Kazakhstan plays in ensuring regional and global security.

Since declaring its independence from the former Soviet Union in 1991, Kazakhstan has shown its leadership in nuclear disarmament by working with the United States to eliminate regional nuclear weapons stockpiles. From the closure of the Semipalatinsk Test Site in 1991 to the opening of Kazakhstan's Nuclear Security Training Center in 2017, the country has demonstrated its leadership in strengthening international security through promoting non-proliferation in the region.

Kazakhstan's commitment to nuclear security extends past non-proliferation, as the country also promotes safe nuclear power to support the needs of the international community. The U.S. recently supported Kazakhstan's offer to host the world's first low-enriched uranium bank, which will help to guarantee that all nations have an energy source for peaceful civilian nuclear power. Affordable energy is a prerequisite for modernization in Central Asia, and future access

to safe energy sources will help promote stability, development, and prosperity in the region.

Kazakhstan has also been a strong U.S. partner in our efforts to combat terrorism and extremism in the region—particularly in Afghanistan. Under the leadership of President Nazarbayev, Kazakhstan has continued to provide indispensable aid to U.S. troops in Afghanistan. They have not only helped assist the Afghan National Security Forces to promote security and stability, but have also contributed to the Northern Distribution Network. I look forward to President Nazarbayev's visit to the United States and a healthy exchange of ideas about how our government can work with Kazakhstan in promoting human rights and the rule of law.

At a time when the world is increasingly unstable due to the rise of non-state actors and conflicts across the Middle East, Kazakhstan has proven itself as a reliable U.S. partner in the region—one we can count on to advance our shared goals. As Kazakhstan serves on the United Nations Security Council, it is my belief that there is a bright future ahead for our collaboration in advancing peace and security.
