

## EXTENSIONS OF REMARKS

HONORING CONGRESSWOMAN  
MARCY KAPTUR

**HON. ROSA L. DeLAURO**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Ms. DELAURO. Mr. Speaker, it is with great pleasure that I rise in honor of my very dear friend and sister in arms, MARCY KAPTUR, who becomes the longest serving woman in the United States House of Representatives on Sunday.

MARCY KAPTUR is a woman who has fought for working people her entire career. She has been a bulwark of support for fair trade that grows American jobs—on NAFTA in the 1990s to today, and on the Trans Pacific Partnership.

MARCY was the ranking Member on the Agriculture before I became the chair, and on issues as wide ranging as food stamps, housing, and manufacturing, she has proven time and again to be one of the brightest, most substantive colleagues I have ever worked with.

Her election paved the way for so many women to run for office. From the Carter Administration to one of the most senior members of the Congress, MARCY, your career has been exemplary of the call of public service.

Shirley Chisholm, the first African American woman in the Congress, once said: “You don’t make progress by standing on the sidelines, whimpering and complaining. You make progress by implementing ideas.” MARCY does that—she has never spent a day on the sidelines in her life.

Congratulations, and here is to many more years fighting together—for the vulnerable, for families, and for the middle class.

RECOGNIZING PROCTOR & GAMBLE  
AND MATTHEW 25: MINISTRIES

**HON. BRAD R. WENSTRUP**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Mr. WENSTRUP. Mr. Speaker, I rise today to recognize Proctor & Gamble and Matthew 25: Ministries for their efforts to help the flood victims in southern and southwest Ohio.

Much of my district in the Ohio River Valley faced widespread damage from flood waters. Following heavy winter rains, the Ohio River surged to its highest level in over two decades. The river that serves as the namesake and lifeblood my state endangered many of the communities along the river bank.

I’m grateful to all those who answered the call to serve: our law enforcement officers, first responders, and state and local government officials, who led the efforts to contain damage and begin the relief efforts.

In southern Ohio, we have been blessed to have volunteer organizations and private citizens who have come to the aid of flood vic-

tims, and who know how to be most helpful. In this, Proctor & Gamble and Matthew 25: Ministries are outstanding examples of private partners uniting their resources to provide immediate relief in their communities.

From personal care to cleaning supplies and laundry services, Proctor & Gamble’s donated products were an invaluable help to those displaced by, or battling, flooding. Matthew 25: Ministries has been a local leader, offering critical support to victims and disaster relief volunteers.

Matthew 25: Ministries and Proctor & Gamble were among the only entities to respond to the disaster in their communities. Dan, a flood victim just across the river in Kentucky, said that when he received a Proctor & Gamble bag with a handwritten note inside, he “realized that someone cared about me when I had nothing.”

Proctor & Gamble and Matthew 25: Ministries didn’t have to be there, but they were. They are an example of the strong and generous spirit of the people of Ohio.

Mr. Speaker, these two organizations have demonstrated that they are truly good neighbors and good citizens. On behalf of the House of Representatives, I’d like to thank P&G and Matthew 25: Ministries for coming to the aid of flood victims in southern and southwest Ohio.

HONORING THOMAS A. DAVIS

**HON. ANDY BARR**

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Mr. BARR. Mr. Speaker, I rise today to recognize Thomas A. (Tad) Davis on the occasion of his 80th birthday. Tad was born in Birmingham, Alabama on March 20, 1938, and grew up in Jacksonville, Florida where his family was in the restaurant business. A lifelong Gator fan, Tad left Jacksonville to attend the University of Florida. There he earned Bachelor of Arts and Doctor of Jurisprudence degrees, and later served on the Board of Trustees of the University of Florida Levin College of Law. He received his LL.M. in Taxation from the Georgetown University Law Center.

Tad’s first post in Washington, D.C. was with the U.S. Army serving as a Strategic Intelligence Officer with the Defense Intelligence Agency. Following his Army career, he was an attorney in the Chief Counsel’s office of the Internal Revenue Service. It was there that he became an expert in the taxation of life insurance products and companies, a specialty that still anchors the legal and legislative practices of Davis & Harman LLP, the firm he founded in 1985 with William Harman.

Tad, however, did not limit his tax expertise to life insurance. His detailed knowledge of the law extends to legislative and regulatory issues in the areas of tax, financial markets, and agricultural policy. His expertise on tax issues relating to the horse industry is widely recognized, and he is the author of the Horse Owners and Breeders Tax Handbook, the leading authority on these issues. Over the

years, the Kentucky Delegation and the equine industry have been very fortunate to benefit from his thorough understanding of this important area of the tax code. Most recently, Tad was recognized for his leadership in the successful effort to update arcane tax rules affecting withholding and reporting of pari-mutuel winnings.

Throughout a career that has spanned six decades, Tad has been known for his extraordinary tax and legislative expertise. But more importantly, he is known for his honesty, integrity, and loyalty to his friends. It is my honor to join Tad's children Denra and Reilly, his wife Jerri, his colleagues at Davis & Harman, and his many, many friends in wishing him a very happy 80th birthday.

HONORING CLINTON COUNTY FIRE-FIGHTER'S ASSOCIATION ON ITS 70TH ANNIVERSARY

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Ms. STEFANIK. Mr. Speaker, I rise today to congratulate the Clinton County Firefighter's Association on its 70th anniversary.

The Clinton County Firefighter's Association and Mutual Aid System were established by Fire Chief Levi Todriff of the Chazy Fire Department with their first meeting taking place on July 18, 1948. Clinton County's Mutual Aid System is proud to be the only Mutual Aid System in the United States that is inter-county, inter-state, and international, as it spans not only throughout upstate New York, but also to Vermont and Canada.

For 70 years, firefighters and other first responders throughout the region have been risking their lives to protect their communities. They have battled large fires, some in subzero temperatures, aided in flooding relief efforts, and saved both people and livestock.

In my district, we are proud of our first responders and respect the sacrifices that they make to ensure our communities are safe. On behalf of New York's 21st District, I want to thank the Clinton County Firefighter's Association for its dedication to serving Clinton County and beyond. Our courageous firefighters have provided a crucial service for the past 70 years, and I look forward to hearing about their success in the years to come.

CITY OF ORANGE 130TH ANNIVERSARY

**HON. MIMI WALTERS**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Mrs. MIMI WALTERS of California. Mr. Speaker, it is my honor to rise today in recognition of the 130th Anniversary of the City of Orange, California.

Incorporated on April 6, 1888, Orange was once home to a population of less than 1,000 people.

Since then, it has become home to world-class institutions and award-winning schools.

The Children's Hospital of Orange County and UC Irvine Medical Center are located in Orange, where they serve the local community and families throughout Southern California.

It also boasts 25 Gold Ribbon schools with a nearly 98 percent graduation rate.

Much has changed over the last 130 years, yet Old Towne Orange remains a living time capsule of this community's humble beginnings.

As the antique capital of Southern California, thousands of visitors come each year to see the plaza's traditional architecture and enjoy one of the best Main Streets in the Nation.

Thanks to the hard work and dedication of the community members who live there, the City of Orange has preserved its unique charm and has rightfully earned its place in the National Register of Historic Places.

Mr. Speaker, Orange is an invaluable cornerstone of Orange County and an important economic driver for our region.

It is with great pleasure that I congratulate the City of Orange on its 130th anniversary.

THE AMAZING KLEIN HIGH ORCHESTRA

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 20, 2018*

Mr. POE of Texas. Mr. Speaker, the sound of beautiful music filled the air at the Alice Tully Hall at Lincoln Center in New York City. The orchestra playing? None other than the Klein High School Orchestra. The kids who make up the orchestra are some of the best in the nation and we are proud to say they hail from Houston, Texas.

The Klein High Orchestra was in New York City to compete in a nationally recognized competition, rightly named the National Orchestra Championships. The orchestra, comprised of 35 students, took home the grand prize, earning the title of the 2018 National Orchestra Cup Grand Champions. This was the first time Klein High participated at this competition and more impressively, the first for the entire school district.

The orchestra was competing against seven other schools and several of the groups were from high achieving, performance arts magnet schools. This is a remarkable feat for a talented group of young adults. The Grammy Foundation has also recognized the Music Department twice as a Grammy Signature School and all of the orchestras have earned UIL sweepstakes awards. The Klein High Orchestras have performed in the San Antonio Showcase, South Coast Music Festival, Mid-West International Band and Orchestra Clinic in Chicago Invitation at Carnegie Hall, the Circle of Honor series in Chicago at Symphony Hall and have been named Grand Champions several times at the Festival Disney Honors.

Perhaps most impressive, is the dedication and time each student poured into practice, rehearsing song after song, to ensure each note was tuned to perfection. In order to achieve perfect harmony, genuine connections need to be strung between each musician and it's evident that was achieved seamlessly.

Of course, in order to lead a great group of students, you must have a remarkable leader. Orchestra Director, Creston Herron, is to be applauded for his work and contribution to producing an extraordinary group of students.

The Klein High Orchestra has achieved incredible accolades throughout the years, but being named the champion at the National Orchestra Championships could be their crowning jewel. We are honored to represent Klein High School in Washington, D.C. and we are even more proud to say they are from the Lone Star State.

And that's just the way it is.
