HONORING PETER G. DAUSEN

HON. JIMMY PANETTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 20, 2018

Mr. PANETTA. Mr. Speaker, I rise today to recognize the service and character of a great American on the occasion of his retirement from civilian service with the United States Navy. Peter G. Dausen, or simply Pete as he is known to all, has given his entire adult life to the service of his family and country. He has set a towering example to all of us fortunate to know him. As Pete steps down from the position of Deputy and Technical Director for the Naval Support Activity Monterey, we all know that his influence has reached far beyond the strict confines of the job title.

Pete graduated from Kent State University in 1974 and commissioned as a Second Lieutenant into the United States Army. He served in uniform for nearly 30 years as a signals officer with tours of duty across the United States and abroad. He oversaw signals operations in Somalia during the 1993 Battle of Mogadishu. He served as a peace keeper in Bosnia. He led soldiers and mentored young officer and NCOs. Along the way he earned two Masters Degrees and graduated from the Army War College, in Strategic Studies. Upon promotion to Colonel, Pete came to the Monterey Peninsula to serve as the Garrison Commander Presidio of Monterey, home of the Defense Language Institute and Ord Military Community. Although at first Pete was reticent to shift from warrior to city manager, he excelled in this last Army command.

Upon retirement from active duty at the conclusion of his Garrison Command, Pete transitioned into the civilian position managing the facilities for the Naval Postgraduate School also located in Monterey. This role, which grew into the fully fledged Naval Support Activity Monterey during his tenure, became vital to the success of the military missions located in Monterey. He successfully advocated for new investments in the facilities at the NPS, the Fleet Numerical Meteorological and Oceanographic Center, the Navy Research Lab and the Navy War College. These efforts included helping to secure over \$212 million in MilCon funding to update and improve facilities and advance these missions. He was also instrumental in standing up the new RCI housing and strengthening MWR programs for military families. Pete takes particular pride in the new academic fence that rings the public frontage of NPS.

Pete has been a tireless advocate of the broader military mission in Monterey. He has played a vital role in the mission of TEAM Monterey, which has been crucial in advancing our national security interests by fostering

long-term, positive community relationships between military facilities and public officials. Throughout his career, Pete has been a role model for the men and women who have been lucky enough to serve under him, as exemplified by his recent selection as a recipient of the Superior Civilian Service Award.

In honor of his service, I would like to express my gratitude for Peter G. Dausen for his dedication to this country and our community. I wish him all the best and I am sure that he is looking forward to continuing his impressive portfolio of artwork, and spending time with his loving family.

RECOGNIZING THE 20TH
ANNIVERSARY OF BISCOTTI CAFE**HON. JOHN KATKO**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 20, 2018

Mr. KATKO. Mr. Speaker, I rise today to honor the 20th Anniversary of Biscotti Cafe in Syracuse.

Two decades ago, in March 1998, Geoff and Debbie Camire opened their bakery on Butternut Street. Soon after opening, their business flourished, and became a staple in Syracuse.

Unfortunately, just five years after opening their doors, Geoff and Debbie's business was destroyed in a fire. Despite this massive setback, Geoff and Debbie reopened their bakery and persevered. After a few years on South Geddes Street, the bakery reopened on North Salina Street in 2004, where it remains today. The cafe serves sandwiches, soups and salads for lunch. But throughout our community, the bakery is best known for its Italian and European-inspired pastries, cookies and cakes.

Twenty years later, the Camires and their staff make thousands upon thousands of pastries, cookies, and cakes each year. Businesses and business owners like these form the foundation of our economy, and provide our communities proof that the American Dream is alive and well.

I am proud to recognize the Camires and Biscotti Cafe for celebrating 20 years in business. Geoff and Debbie Camire have become an indispensable part of the Syracuse community and I wish this outstanding business continued success in the years to come.

STUDENT, TEACHERS, AND OFFICERS
PREVENTING SCHOOL VIOLENCE
ACT OF 2018

SPEECH OF

HON. NIKI TSONGAS

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 14, 2018

Ms. TSONGAS. Mr. Speaker, on March 14, 2018 I missed Roll Call Vote No. 106. Had I been present, I would have voted Yes.

No other developed nation on the planet experiences gun violence with the frequency that we do in the United States. The gun homicide rate in our country is more than seven times that of Sweden, six times that of Canada, and twenty-one times that of Australia. On average, 93 Americans die every day from gun violence and 222 people are shot and survive,

including 40 children and teens. And since 1970, more Americans have been killed by guns than Americans killed in all of our nation's wars combined.

The numbers are simply staggering.

H.R. 4909 will help schools develop violence prevention strategies, strengthen school security, and help educators and law enforcement prevent students from hurting themselves or others. But Congress should be doing much more to prevent gun violence. The majority of the American people—and the majority of gun owners—want Congress to take action.

The American people deserve open floor debates or straight up or down votes on commonsense measures such as banning “bump stocks” which make guns more lethal, forming a select committee on gun violence, requiring background checks for all gun sales, and allowing the Centers for Disease Control and other federal health agencies to conduct crucial gun violence research.

Americans deserve a society that is free from the regular threat of gun violence. The status quo is unacceptable. We have a responsibility to pursue change.

SOCCKER STAR AND SPECIAL
OLYMPIAN, MATT WEISER

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 20, 2018

Mr. POE of Texas. Mr. Speaker, Matt Weiser loves nothing more than lacing up his cleats and hitting the soccer field. Matt is a skilled player and is lightning on his feet, but a few years ago, you wouldn't think that could have been possible.

When Matt was in the second grade, he started experiencing epileptic seizures. The seizures started to become so severe his parents and doctors decided it was time to perform surgery. The operation required removing part of his brain, which rendered Matt speechless and paralyzed. After many rounds of therapy and the love and care of his family, Matt performed the unimaginable. He learned how to speak and walk again. Walking turned to running, and running eventually took him back to his first love, soccer.

Matt started playing soccer when he was five. He competed in events all the way up until his surgery. After Matt learned how to walk again, he got right back on the field. His passion for soccer led to competing in the Special Olympics, which led to competing on the national stage. The Special Olympics has allowed Matt to pursue his dream of playing soccer and has been an invaluable resource to him and his family.

As soon as Matt steps onto the soccer field, his exuberance and passion for life shines through. The dedication he has shown, just to get to where he is today, is exceptional. Being able to bounce back after a life altering surgery is a true testament to Matt's determination to better himself. Of course, it wouldn't have been possible without the help of his family and his parents, John and Rebecca. Sometimes life throws you a curve ball, but how you react to it and handle it, makes all the difference.

I am honored to be able to spread Matt's inspiring story today. I am also proud to say Matt is a native of the great city of Houston, Texas. As Texans and Houstonians, we pride ourselves in hard work and Matt exemplifies that very quality. I have no doubt Matt will continue to dominate in the sport he loves and we will all be there cheering him on.

And that's just the way it is.
