HON. LUIS V. GUTIÉRREZ

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, January 12, 2018

Mr. GUTIÉRREZ. Mr. Speaker, I was unavoidably absent in the House chamber for Roll Call votes 9 and 10 on Wednesday, January 10, 2018. Had I been present, I would have voted "Nay" on Roll Call votes 9 and 10.

SUPPORTING THE RIGHTS OF THE PEOPLE OF IRAN TO FREE EXPRESSION

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 9, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H. Res. 676.

H. Res. 676 supports the rights of the people of Iran to free expression, condemns the Iranian regime for its crackdown on legitimate protests, and displays American support for peaceful Iranian protestors. H. Res. 676 recognizes the rights of Iranians to peaceful forms of free expression.

On December 28, 2017, Iranians in the city of Mashad began protesting against the Iranian regime. The protestors expressed economic grievances, frustrations over widespread corruption, and disapproval of the regime's destabilizing support for terrorist groups. This message held sway with many Iranians and protests swiftly spread across the country. The Iranian regime has responded harshly to these protests. The regime has shut down mobile internet access and blocked and pressured companies to cut off social media applications that activists use to publicize protests. Consequently, H. Res. 676 provides Congress authority to license the provision of communications technology to Iran so that people can continue to express themselves freely. The Iranian regime has also engaged in a series of significant human rights abuses and major corruption cases. The Department of State strongly rebukes the Iranian regime's arrest of peaceful protestors, significant corruption, and destabilizing activities abroad. H. Res. 676 gives Congress the authority to designate and sanction elements of the Iranian regime involved in these abuses.

This legislation is important for the United States because it emphasizes to Americans and citizens around the world that America is not afraid to stand up to defend the principles upon which our country was formed.

I've long been a proponent of encouraging free and fair democracies and condemned authoritarianism abroad. As a member of the Judiciary committee, I have spent my tenure in Congress fighting for human and civil rights. Standing up for the rights of all people is of

the utmost importance to me. Thus, it is with great pride that I support H. Res. 676 and urge my fellow members to do the same.

HUD AFFH RULE CHANGE

HON. PRAMILA JAYAPAL

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Friday, January 12, 2018

Ms. JAYAPAL. Mr. Speaker, on Friday, the Department of Housing and Urban Development announced that it would effectively delay until 2025 the implementation of the Affirmatively Furthering Fair Housing rule that will help communities finally realize the goals of the Fair Housing Act.

This year is the 50th anniversary of that landmark law, which prohibits housing discrimination, and the AFFH rule aims to ensure our communities have the tools necessary to comply with it. Despite the law's passage 50 years ago, segregation still plagues our communities, resulting in grave inequities in all aspects of life. This is unacceptable.

In 2015, after years of public input, the Obama administration finalized the rule, taking the first meaningful steps to empower communities to develop solutions that better address the housing needs of all of their residents.

The AFFH rule reaffirms the strongly held American belief that your zip code should not determine your access to opportunity. But by delaying the rule, HUD is making it clear that equity and fair housing is not a priority of this administration.

Housing equity is not a choice—it's the law.

IN RECOGNITION OF MR. JAMES GANDY

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, January 12, 2018

Mr. BURGESS. Mr. Speaker, I rise today to recognize the exemplary work of Mr. James Gandy and congratulate him on his retirement. Mr. Gandy has served as the President of the Frisco Economic Development Corporation (FEDC) for 22 years, and in that time, has witnessed firsthand the economic boom that transformed Frisco from a small farm town to the economic hub it is today.

During his tenure, the FEDC facilitated more than 345 projects with an economic impact of \$31.1 billion to the Dallas-Fort Worth Metropolitan area. As a result of his work, more than 27,000 direct on-site jobs have been created, amounting to one fifth of the jobs in Frisco today. Mr. Gandy played a key role in bringing the Stonebriar Centre Mall and globally recognized brands—including the Dallas Cowboys—to this once-small town. As a direct result of the completion of these projects, Frisco is the proud host to more than 6 million visitors per year.

Mr. Gandy's record of achievement does not stop there. This Frisco community leader was integral to forging public-private partnerships to create sports and entertainment venues, including the Ford Center at the Star, the Dr. Pepper Ballpark and Arena, the Toyota Stadium, and the Frisco Superdome.

As a result of his hard work, Mr. Gandy has received attention not only at the local level, but also from around our state. Under his leadership, the FEDC was awarded the 2017 Economic Development Leadership/Innovation award from the North Texas Chapter of CoreNet Global. The Dallas Business Journal, in the year 2012 and 2015, ranked the FEDC as number one among North Texas economic development agencies, and the FEDC was recognized as high performing in both 2013 and 2016 by Atlas Advertising.

He is truly an exemplary North Texas leader. Before serving on the FEDC, Mr. Gandy served on the Jackson County Chamber of Commerce as the Director of Economic Development for the City of Seguin, and as the President of the San Marcos Chamber of Commerce.

It is clear that Mr. Gandy has worked tirelessly to bolster the Frisco economy. Under his leadership at FEDC, the City of Frisco has seen an increase of the tax base of 38 times what it was when he took office. On behalf of the citizens and businesses of Frisco, I want to thank James Gandy for the unparalleled impact he has made on the city and wish him a very happy retirement.

SECURING DEPARTMENT OF HOMELAND SECURITY FIREARMS ACT OF 2017

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 9, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 4433.

H.R. 4433, the Securing DHS Firearms Act of 2017, makes the Under Secretary of the Department of Homeland Security (DHS) responsible for the security of sensitive assets, such as badges, firearms, or other weapons.

This legislation directs the DHS's Under Secretary to create and disseminate a directive. This directive should designate which assets should be classified as sensitive, the requirements for securing and safeguarding sensitive assets, and the methods to record and report lost assets. H.R. 4433 also directs the Under Secretary to revise the Personal Property Asset Management Program Manual, which contains the procedures and trainings for safeguarding sensitive assets, guides for recording lost assets, and requirements that a lost asset file contain both a DHS report and a corresponding police report.

H.R. 4433 is vital to safeguard sensitive assets that could result in loss of life and significant mission derailment if lost. From 2014 to

• This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor.

2016, DHS purportedly lost 2,141 sensitive assets, including firearms, badges, and secure immigration stamps. In many of these cases, DHS personnel acted recklessly and were not held accountable for improperly safeguarding their sensitive assets. Furthermore, DHS personnel often fail to track down their lost sensitive assets. H.R. 4433 will address this loose behavior by holding the Under Secretary of the DHS accountable for ensuring that sensitive assets are kept safe.

I am particularly concerned with safeguarding sensitive assets due to the increase in stolen guns within Georgia's 4th district and the state as a whole. The Atlanta police chief recently reported that 954 guns were stolen from cars in Atlanta last year. This represents a 40 percent increase in the number of firearms stolen from cars compared to 2015. However, this is not just a Georgian problem—a study by Harvard and Northeastern researchers this past year estimated that roughly 380,000 firearms are stolen in the U.S. every year. One of the best ways to address this issue is through prevention. By strengthening the expectations and rules for firearm ownership within the DHS, we can do a small part to reduce the number of stolen guns in Georgia and across the country.

As a member of the Judiciary committee, I have worked consistently to promote responsible gun ownership. I cosponsored legislation that required the review of U.S. policy regarding capture, custody, treatment, judicial proceedings, and repatriation of suspected 'unlawful enemy combatants.' With these past legislative actions in mind, I support H.R. 4433 and urge my fellow members to do the same.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 12, 2018

Mr. CARBAJAL. Mr. Speaker, deadly mudslides have destroyed homes and claimed at least seventeen lives in my district. These mudslides have devastated the communities in my district—many of which are still recovering from the horrific Thomas Fire. In order to be with my constituents and assist the community in recovery efforts, I decided to return to Santa Barbara, California. As a result, I missed votes on January 10, 2018 and January 11, 2018.

Had I been present, I would have voted:

Aye on Roll Call No. 17—the Counter Terrorist Network Act;

Aye on Roll Call No. 12—the DHS Overseas Personnel Enhancement Act of 2017;

Nay on Roll Call No. 10—H. Res. 681, a rule providing for consideration of S. 140;

IN RECOGNITION OF FIRE CHIEF MIKE DUNCAN

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, January 12, 2018

Mr. BURGESS. Mr. Speaker, I rise today to recognize the exemplary work of Fire Chief

Mike Duncan in his service to the City of Roanoke, Texas as we mark his retirement. During his sixteen years as Fire Chief in Roanoke, he has been a committed leader in his community.

Chief Duncan was a seasoned fire fighter when he joined the Roanoke Fire Department as chief in 2001. He first began his firefighting career in 1974 with the City of North Richland Hills Fire Department. Since that time, he has served his community tirelessly in a variety of leadership roles.

Throughout his years of service, Chief Duncan earned certifications as a Master Firefighter, Advanced Fire Inspector, a Fire Service Instructor II and as the Department Head for the Fire Department. He is a leading member of the Denton County Fire Chiefs Association where he served as Treasurer for 11 years, the Tarrant County Fire Chiefs Association where he served as President in 2004, the International Association of Fire Chiefs, the National Fire Protection Association, the North East Fire Department Association and the International Code Conference.

Chief Duncan has devoted 43 years to protecting his neighbors. For more than four decades, he has put strangers' safety above his own, and we are indebted to him. I am deeply grateful for his service to the City of Roanoke and North Texas, and I wish Chief Duncan and his family the best in his retirement.

SCREENING AND VETTING PASSENGER EXCHANGE ACT OF 2017

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 9, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 4581.

H.R. 4581, the Screening and Vetting Passenger Exchange Act of 2017, requires the Department of Homeland Security (DHS) to develop best practices for counter terrorism screening and vetting through the use of advanced passenger information (API) and passenger name record (PNR) data. This bill also encourages the Secretary of DHS to share best practices and assist with implementation for our foreign partners.

The DHS, U.S. Customs and Border Protection (CBP), and the Transportation Security Administration (TSA) have all utilized API and PNR as tools for screening and vetting potential criminals and terrorists. In April 2016, the European Union (EU) decided to follow in our footsteps by implementing PNR data into their counter terrorism screenings. The EU set a deadline for full integration of PNR data by May 2018. Unfortunately, many EU countries lack the knowledge, expertise, and experience with PNR data to allow them to meet their upcoming deadline. H.R. 4581 would allow the DHS to develop best practices for utilizing API and PNR data in counter terrorism screening and then share these best practices with our foreign allies.

This legislation will strengthen our national security and that of our foreign partners. Since 9/11, we have prevented hundreds of acts of terror and improved our national security. However, in the last two years, the United States has experienced a surge in terrorist acts and criminal activities.

As a former member of the House Armed Services Committee, I have always voted to support our law enforcement agencies in the work that they do. H.R. 4581 will fortify our Armed forces with best practices for preventing terrorism and allow them to continue doing their crucial work protecting our country. This legislation will also help our foreign allies so that they are able to effectively keep their people, and the people of the world, safe. Protecting our national security and the national securities of our allies ought to be a given. For this reason, I support H.R. 4581 and urge my fellow members to do the same.

PERSONAL EXPLANATION

HON. EVAN H. JENKINS

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 12, 2018

Mr. JENKINS of West Virginia. Mr. Speaker, I missed votes due to a previously scheduled event in West Virginia. Had I been present, I would have voted YEA on Roll Call No. 11 and YEA on Roll Call No. 12.

PERSONAL EXPLANATION

HON. SALUD O. CARBAJAL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, January 12, 2018

Mr. CARBAJAL. Mr. Speaker, deadly mudslides have destroyed homes and claimed at least seventeen lives to date in my district. These mudslides have devastated the communities in my district—many of which are still recovering from the horrific Thomas Fire. In order to be with my constituents and assist in recovery efforts, I decided to return to Santa Barbara, California. As a result, I was unable to vote during Roll Call No. 9, which was S. 140, a bill to amend the White Mountain Apache Tribe Water Rights Quantification Act of 2010 to clarify the use of amounts in the WMAT Settlement Fund on January 10, 2018.

While I support tribal sovereignty, this was a misguided bill that would strip hundreds of thousands of workers at tribal-owned and -operated enterprises of their protections for the right to bargain collectively.

If I had the opportunity to vote on S. 140, I would have voted NO on Roll Call No. 9.

DHS OVERSEAS PERSONNEL ENHANCEMENT ACT OF 2017

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 9, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 4567, the DHS Overseas Personnel Enhancement Act of 2017.

This legislation would require the Secretary of Homeland Security to brief the Committee on Homeland Security in the House of Representatives and the Homeland Security and Governmental Affairs Committee in the Senate every six months on the operations of Department of Homeland Security personnel that work outside of the United States.
