

Day. This is a day when the international community comes together to raise awareness about hemophilia and other bleeding disorders. It is a day when we also reaffirm our commitment to the individuals across the globe who are living with this dangerous chronic disease.

Hemophilia is a genetic bleeding disorder that prevents blood from clotting normally, leading to uncontrolled bleeding in different parts of the body. Left untreated, the deep internal bleeding associated with hemophilia can lead to permanent damage of organs and tissues as well as potentially fatal outcomes. Additionally, people with hemophilia are at increased risk of developing heart disease, HIV infection, and kidney bleeding as time passes.

Hemophilia is considered a rare disease, but it impacts 20,000 people in the United States and more than 400,000 people worldwide. There is no cure for hemophilia, and three-fourths of patients have inadequate access to treatment. When treatment is accessible, it is expensive, leading to costs as high as \$250,000 per year.

As the founder of the Congressional Rare Disease Caucus, I know that much progress has been made in improving access to research funding for rare diseases like hemophilia. However, there is more that must be done to help those struggling with hemophilia obtain needed therapies. With today's recognition of World Hemophilia Day, it is my hope that we renew our commitment toward achieving accessible, affordable treatment for the hundreds of thousands of hemophilia patients across the world.

HONORING BOB HURLEY

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 17, 2018

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Mr. Bob Hurley upon his retirement from a long and distinguished culinary career in Napa Valley.

Mr. Hurley grew up in San Francisco, California. After graduating from high school in 1972, he purchased a van and traveled around the United States. He worked in hotels and restaurants along the way, his first foray into the restaurant business. He realized his passion for cooking and returned to San Francisco, where he enrolled in the culinary program at City College. Post-graduation, Mr. Hurley spent two years traveling in Europe, India and North Africa learning how food and culture were connected.

Mr. Hurley and his wife Cynthia eventually moved to Napa Valley where he quickly became an essential part of our Yountville community. He opened Hurley's Restaurant in 2002, which is unquestionably a community staple and favorite spot for locals. Ensuring the restaurant's success meant his normal workweek was Monday to Saturday, 6 a.m. to 7 or 8 p.m. After announcing his plans to retire and close Hurley's Restaurant, Mr. Hurley has shown the character we all know him to have. He is working to help members of his team, which he considers to be family, find new jobs.

Mr. Hurley's unwavering commitment to our community goes beyond his restaurant. He is the Secretary on the Board of Directors for the Lincoln Theatre at the Yountville Veterans

Home. He helped create the annual Veterans Day Celebrity Chefs Luncheon and has been a chef for Hands Across the Valley, a fundraiser to help feed those in need throughout Napa County. He has taught annual etiquette classes at Yountville Elementary School, organized fundraisers for Yountville Little League, and supported numerous programs at Conolly Ranch. During the October 2017 wildfires Mr. Hurley worked for four consecutive nights cooking for first responders. He brought hundreds of meals from his restaurant to the field where the responders were stationed.

Mr. Speaker, Mr. Hurley is the kind of citizen we should all strive to be. He is known for making everyone feel important and special. For many years he has provided our community with a welcoming place to gather. It is therefore fitting and proper that we honor Bob Hurley here today.

IN RECOGNITION OF THE 70TH INDEPENDENCE DAY OF THE STATE OF ISRAEL

HON. CHRIS COLLINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 17, 2018

Mr. COLLINS of New York. Mr. Speaker, I rise today to recognize the 70th Anniversary of the founding of the Jewish state of Israel. In May of 1948, after centuries of foreign rule, persecution, and conflict, David Ben-Gurion declared the establishment of the state of Israel, which President Harry S. Truman also recognized on the same day.

While the state of Israel has faced much conflict since its founding, and violence between Israelis and Palestinians is common, the resilience and strength of the state and its people is astounding. The founding is a direct result of the hard work and perseverance of the Jewish people, who fought for their rights in the face of persecution. This passion and determination is why we are here today, celebrating the 70th Anniversary of the state of Israel.

The people of Israel plan to celebrate the anniversary with a "70 hours of Israeli Celebrations" ceremony, bringing together both the citizens of Israel as well as Jewish people all around the world. The theme of this celebration is "Heritage of Innovation", which highlights the success of the state at spearheading new technology in the fields of medicine and agriculture. I congratulate Israel on its 70th Independence Day, and wish them many more years of prosperity.

**HONORING IMPACT100
WESTCHESTER**

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 17, 2018

Mr. ENGEL. Mr. Speaker, I want to congratulate Impact100 Westchester, an international nonprofit women's collective giving organization, on their successful fifth grant cycle, as they have broken an amazing milestone by providing more than one million dollars in grant money to other nonprofits across Westchester County.

Impact100 Westchester was established in 2014 with 132 women joining in its first year, and has nearly tripled since its founding. The group is entirely volunteer, run by dedicated constituents striving to make a difference throughout Westchester County. Local organizations who have benefitted from Impact100's grant giving range from those dealing with children's mental health, access to education programs, environmental improvements, work training for the impaired, immigration groups, and support for survivors of abuse.

In addition to their philanthropy, Impact100 hosts their own volunteer events across Westchester, continuing to support other nonprofits with their Hands on Impact, with the Day of Service and with educational events which benefits and gives back to their community.

During their short tenure, Impact100 Westchester's success has been reliant on its memberships, volunteers, leadership, advisory council and relationship with the community. I am honored to have Impact100 Westchester in my district, and to recognize them on this wonderful occasion of their Fifth Anniversary. Congratulation to everyone involved with Impact100 Westchester, and thank you to all the caring members who have collectively granted over one million dollars to support and better our community.

**INTRODUCTION OF THE LOCAL
TASK FORCES ON 21ST CENTURY
POLICING ACT**

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 17, 2018

Ms. NORTON. Mr. Speaker, today, I introduce the Local Task Forces on 21st Century Policing Act, to assist localities in carrying out the recommendations of the federal Task Force on 21st Century Policing and the Department of Justice's Office of Community Oriented Policing Services, both of which have detailed the need to strengthen relations between local communities and local law enforcement. The bill would provide grants to local governments to create local task forces on 21st century policing to bring police, representatives of the community and public officials together to identify best policing practices for local police and other ways to strengthen relations between the community and police departments. No new funds are needed. Exist-

ing funds from the Department of Justice would support local governments establishing the task forces by listing these task forces as an acceptable use of Byrne Justice Assistance Grants. Given the continuing controversy surrounding police shootings of unarmed African American men, with no solutions in sight, this bill is more timely every day.

The task forces, modeled after the federal Task Force on 21st Century Policing, would allow local communities to identify the best ways to create an effective partnership between local law enforcement and the communities they serve, while reducing crime, increasing trust and combating racial profiling. The task forces could create a partnership to implement practical policing practices acceptable to all concerned.

The creation of task forces could be an important step toward easing the tensions between local law enforcement and many communities. In addition, the task forces could serve to engage local law enforcement and local stakeholders in a transparent public problem-solving process instead of the current situation that encourages parties to choose sides.
