HONORING DONALD L. CHRISTIANS

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 17, 2018

Mr. GARAMENDI. Mr. Speaker, I rise today to recognize the incredible life of Donald L. Christians. Donald L. Christians recently marked his 90th birthday. His is an American story of the last century in which an adventurous, generous soul migrates from a small farming community to cities and broader global experience. Don looked back on Grafton, Iowa where he grew up (recent census of 252) and wrote Homer's Whip, that depicted a tiny prairie town with timeless small-town values. At the same time, he embraced the diverse world.

During his second year at Luther College he enlisted in the U.S. Army to fight in World War II, and served 1½ years in the occupational forces in Japan in 1946 when he was just 18. Like so many farm boys, his world was transformed. Upon discharge, Don finished college with a degree in political science from the University of Northern Iowa in 1950 and later earned a Master's Degree from Northern Colorado University.

Don headed to California in 1955, settling in North Beach, living the life of jazz, card playing, bocce ball, horse racing, and writing, while beginning his 29-year career teaching in the San Francisco Unified School District. There he met and married the artist/fellow teacher, Joan Clay, in 1960 and they spent their honeymoon driving a VW Camper Van to Tierra Del Fuego in Chile. Both often taught the most challenging students to whom they devoted their creativity, respect, and good humor.

In 1967, Don was appointed Associate Director of the Peace Corps Program in Ethiopia where Don and Joan lived until 1969 where Don was assigned to support the work of volunteers in a remote region of the country. He was extremely effective in all aspects of this assignment. He mentored volunteers in the classroom and in school protocol and inter-

action, e.g., with headmasters who required extensive memorization even though the students did not have pencils or paper. He also modeled the expected interaction with the broader community. His expertise, life experience, and winning manner made him the ideal person to relate to volunteers, faculty, administrators, townspeople, as well as the Peace Corps bureaucracy. He supported volunteers who undertook ambitious, often impactful projects that departed from the mainstream and served as the trusted confidant of Peace Corps Ethiopia leadership, shaping policy for the Program as a whole.

In 1969, Don was appointed Country Director Peace Corps Dominican Republic. Visitors recall Don selling co-op crafts to tourists on cruises on Christmas Day. Don and Joan remained in the Dominican Republic until they were recalled by President Nixon and Don worked on the Muskie campaign until Don and Joan returned to San Francisco in 1973. Don taught high school Civics for 29 years, retiring from Galileo High School in San Francisco in 1986 where he was beloved as an inspiring teacher by a wide range of students.

Over the years Don made an enormous number of friends from his many interests and vocations, reflecting his enthusiasm and variety of interests. He and Joan owned shares in 22 race horses and had particular success with "Mac Rhapsody" and "Pleasure Grounds". Don worked at Golden Gate Fields as a mutual clerk. He wrote numerous articles for horse magazines and hosted a radio program for 5 years on KWMR in West Marin interviewing authors. After Joan's passing, he met Neva Beach, a book editor, and they were together until her passing in 2010. Don has been living with their dog Cody in San Francisco's colorful Mission District since he met Neva and they were often seen feeding homeless men and women in a local park as well as taking neighborhood children to zoos and museums.

Don loves bridge and bocce ball and excels at both. He was a member of the Marin Bocce Ball team that won the Northern California Seniors championship, and he played in bridge tournaments around the U.S. as a Silver Life Master. He places bets on horseraces and plays bridge online every day when he is able.

On behalf of the people of California's Third District, I commend Donald L. Christians on his distinguished life and wish him the best in the coming years.

AND TORREY COOKMAN FOR
COMPETING AT THE NATURAL
LUGE WORLD CHAMPIONSHIP

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 17, 2018

Mr. BERGMAN. Mr. Speaker, it's my honor to recognize Tristen Vidlund and Torrey Cookman for their participation in the Natural Luge World Championship. Through their perseverance and determination, Tristen and Torrey have distinguished themselves as members of the U.S. Natural Track Luge Team.

Tristen, 17, and Torrey, 13, are both natives to the Upper Peninsula of Michigan and have

competed in Natural Track, or Naturbahn, Luge for several years. They departed Michigan on Christmas Day for the World Championship series, which was held in Austria and Italy in early January. There they raced against world-class competition and represented Michigan and the United States with pride and dignity both on and off the track. Additionally, following this series, Tristen was requested by the International Luge Federation to stay in Europe for further competitions.

Tristen and Torrey are both members of the Upper Peninsula Luge Club. The UPLC's 800 meter, 32-turn track is the only natural luge track in the United States and one of only five lighted natural tracks in the world. Their coach, Keith Whitman, is a native of the Upper Peninsula, a 40-year veteran of the sport, and a former National Luge Champion. The International Luge Federation is in the process of petitioning the International Olympic Committee to make Naturbahn Luge part of the 2022 Winter Olympics in Beijing, China.

Mr. Speaker, it's my honor to congratulate Tristen Vidlund and Torrey Cookman for their participation in the Natural Luge World Championship as members of the US, Natural Track Luge Team. HONORING REV. STEPHEN JASSO ON HIS RETIREMENT

HON. KAY GRANGER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 17, 2018

Ms. GRANGER. Mr. Speaker, I rise today to pay special tribute to one of Texas' truly selfless individuals, Rev. Stephen Jasso.

Father Jasso will soon retire from his position as pastor of All Saints Catholic Church, where he has been serving the Fort Worth community since 1994. Throughout his life, Father Jasso has been a tireless advocate for the poor, the dispossessed, immigrants, and members of his parish. It was in this capacity that I first met and befriended Father Jasso, and asked him to serve as a member of my Advisory Board. His advice and counsel over the years have been invaluable.

As the pastor of All Saints, Father Jasso has been instrumental in growing All Saints Catholic School, which is now serving students from across the Dallas-Fort Worth metroplex. Father Jasso's motto is "the future is going to depend on being well educated and well trained." As a tireless champion of the importance of receiving a good education, Father Jasso tells students that "leadership is not just something that happens . . . it's something you get ready for."

Ask anyone who has had the pleasure of knowing him, and they will tell you stories about Father Jasso—how he was always there for people in need during the loss of a loved one, during challenging personal times, or in moments of serious health issues for family members and friends. Father Jasso has also been a strong advocate for immigrants, always urging those in power to treat diverse communities with dignity and respect. He has also been a man of action, serving on numerous non-profit boards and Fort Worth city task forces.

Father Jasso recently celebrated 50 years as a Franciscan friar. His lifelong commitment to serving others began while in the U.S. Army from 1953 to 1955, where he saw action in the Korean War as a Sergeant First Class in the First Armored Division. Father Jasso was called to the Franciscan Order in 1957 and was ordained a Roman Catholic priest in 1965.

Please join me in thanking Father Jasso for his service and in wishing him well in retirement

HONORING THE LIFE AND SERVICE OF DEPUTY DANIEL MCCARTNEY

HON. DAVID G. REICHERT

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 17, 2018

Mr. REICHERT. Mr. Speaker, I rise today to remember Deputy Daniel McCartney who died in the line of duty on Monday, January 8, 2018.

On that somber day, Washington State's and our nation's law enforcement lost one of their own. Deputy Daniel McCartney from the Pierce County Sheriff's Department lost his life in the line of duty while responding to a call of a reported home invasion. Deputy McCartney was shot while on foot chasing the suspects and died the next morning from the wounds he sustained.

Deputy McCartney lived a life dedicated to serving his country. His career began with six years of service in the United States Navy beginning in 2002 where he served as an electronics technician 2nd class in Afghanistan. Following his military service, Deputy McCartney served with the Hoquiam Police Department for five years. While there, he was selected and awarded the Officer of the Quarter by his peers.

After his time in Hoquiam, Daniel McCartney served with the Pierce County Sheriff's Department for three years. He was well loved and respected by his colleagues and his community. Many of those who worked with him over the years have shared stories over the past week about the kind of man Deputy McCartney was. He was always willing to put others before himself, attending community events on his days off and assisting with extra tasks around the office when help was needed. Deputy McCartney always went above and beyond the call of duty.

Pierce County Sheriff Paul Pastor spoke highly of Deputy McCartney, saying that he always ran toward trouble and he ran to protect. He was a man who helped others with the heart of a servant, spirit, strength and compassion.

Since his passing, Washington State has greatly mourned his loss. Our thoughts and prayers are with his loving family that he leaves behind, his wife and his three young boys. We also remember his colleagues at the Pierce County Sheriff Department as they face the heartbreak of losing a coworker and friend.

Today, in Pierce County, Washington, his family, friends, colleagues, and community will unite to celebrate his life and honor his service to our country. We recognize that same service here in Washington, D.C. today. I join with his family, friends, and community in thanking Deputy McCartney for his service.
