

come together, working as a team, to accomplish a single goal. This teamwork serves as an example for all of us. Congress should take notice of this squad.

The World Schools Debate Championships will be held this summer in Croatia from July 17 to July 27. More than 50 countries compete at this 10 day global competition for high school debate teams each year, discussing 13 diverse topics such as politics, philosophy, technology, and law. This global event promotes excellence, creativity, and critical thinking. Emily and Leila's success in the world class event is inspiring.

As a past patron of the World Schools Debate Championships, Nelson Mandela, said, "A winner is a dreamer who never gives up". Emily and Leila are already winners in my book, and have demonstrated an exceptionally high standard of excellence and talent. These girls have earned the distinction of representing not only Texas, but the United States. I know they will represent us with pride and dignity. Congratulations to Emily and Leila for their outstanding achievements. My best wishes are with them this summer.

Go Team USA, and Kingwood Strong.

And that's just the way it is.

HONORING PAM ROMANO

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2018

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize my friend from Jefferson, Pam Romano—a tireless advocate for adoptive families and children around the world.

In 2012, Pam and her husband Mark began the process of adopting two Russian brothers, Bogdon and Yura. In the same year, though, Russia enforced a ban on adoptions to the United States, separating the Romanos from their sons.

Since then, Pam and her husband Mark have assisted children caught in the crosshairs of this ban—like their two sons—by raising awareness on the issues dividing adoptive families. By meeting with lawmakers and sharing her family's story with others, Pam hopes to one day reunite with Bogdon and Yura.

Last year, the Congressional Coalition on Adoption Institute honored Pam as an Angel in Adoption, a title given to leaders who have made extraordinary strides in helping children in need of a family. Moreover, her efforts inspired me to recently introduce the Inter-country Adoption Information Act—a bill designed to bring transparency to the international adoption landscape, where families often struggle to access up-to-date, accurate information they need to navigate the adoption process.

Pam's efforts to bring her children home reminds us of the unwavering power of a mother's love. I'm grateful for her dedication to bridging the bureaucratic gaps between families and their adopted children.

IN RECOGNITION OF GENERAL H.R. MCMASTER

HON. BRETT GUTHRIE

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2018

Mr. GUTHRIE. Mr. Speaker, I rise today to recognize the retirement of Lieutenant General H.R. McMaster. General McMaster has served in our military honorably for 34 years, and our country is better for it.

I first met General McMaster during our time at the United States Military Academy. General McMaster was my squad leader for Cadet Basic Training, known as "Beast Barracks." General McMaster, being from Pennsylvania, was amused by my then-Alabama accent. He gave me the nickname Huckleberry, which is how I am still referred to by my West Point classmates.

General McMaster was an excellent leader as a senior cadet, and he went on to be a highly decorated soldier as a junior officer in the first Gulf War. As he moved up the ranks in the my, he continued to be an outstanding leader, commanding troops overseas in Iraq. I was pleased when President Trump nominated General McMaster to be National Security Advisor and think he did a fantastic job in that role.

I wholeheartedly agree with those who have called General McMaster the "greatest soldier of his generation." It was an honor to serve under his leadership at West Point and I wish him all the best in his retirement. I hope it includes a lot of time spent reading and enjoying the comfort of his famous Hawaiian shirts.

AGRICULTURE AND NUTRITION
ACT OF 2018

SPEECH OF

HON. DWIGHT EVANS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 16, 2018

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 2) to provide for the reform and continuation of agricultural and other programs of the Department of Agriculture through fiscal year 2023, and for other purposes:

Mr. EVANS. Mr. Chair, I rise in strong opposition to H.R. 2, the Agriculture and Nutrition Act of 2018. When Ranking Member PETERSON, who has done four Farm Bills and is one of the most moderate in our Caucus, is upset with the process and the result, it tells you that the well has been poisoned. But let me tell you a little about me and why I chose to be on the Agriculture Committee.

I came from the Commonwealth of Pennsylvania where I was proud to serve as Chairman of the state legislature's Appropriations Committee for twenty years.

There, I was able to secure billions of dollars for state programs that addressed urban and rural needs, roads and bridges, schools, the first Healthy Food Financing Initiative, and most importantly, many, many Agriculture programs around the entire state of Pennsylvania.

We should be in the business of first doing no harm, but here we are trying to pass off the

Farm Bill as bipartisan, when in fact, this is an assault on the working poor, the disadvantaged, seniors, and veterans.

Mr. Speaker, in Pennsylvania that would translate to an additional 199,000 individuals between the ages of 50 to 59 who would face cuts to their SNAP benefits. It is more difficult for older individuals to find work when unemployed and many people want to work more than 25 hours, but simply cannot due to lack of available hours, children, or age.

Almost 2 million Pennsylvanians benefit from the SNAP, with over 215,000 in my District alone, and with the majority of benefits going to those in great need. This bill before us is unworkable for Philadelphia. It fails them, the process fails them, and for that I give this bill an F.

HONORING LLOYD KNIGHT

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2018

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to recognize Lloyd Knight. Lloyd was recently awarded the Jim Casey Community Service Award—one of the highest awards given to United Parcel Service employees.

Lloyd has been a part of the UPS team for over 10 years, joining the company after spending 20 years in the United States Air Force. Over his time at UPS, he rose to the position of Global Forwarding Freight Director and founded the UPS Veterans Business Resource Group.

A veteran himself, Lloyd helped found VETLANTA, an organization committed to bringing together the business community, non-profits, and government to help make the Atlanta region the best destination in the country for veterans. Additionally, Lloyd dedicates his spare time to veterans through his involvement in Hire Heroes USA and American Corporate Partners.

Lloyd has served both his country and neighbors in Georgia through his tireless service, leaving a lasting impact on local veterans and his community.

Mr. Speaker, I want to thank Lloyd for the compassion he has shown others and congratulate him on this well-deserved honor.

RECOGNIZING THE LIFE AND LEGACY OF MRS. DORIS MARGARET WARD

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2018

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today to honor the life of a passionate civil rights activist, committed community servant, and my dear friend—Doris Margaret Ward. She embodied the ideal of what it means to be a true public servant and to selflessly give of her time and talents for the betterment of others.

The Honorable Doris Ward graduated from Froebel High School, of Gary, Indiana, where she mastered the art of debating, helping her debate team win a championship while serving as team leader. She, later, earned both her Bachelor's and Master's Degrees in Education from the University of Indiana. She continued her education by earning a Master's Degree in Counseling from the San Francisco State University of California. It was there that her passion for social activism blossomed as she joined other students during sit-in protests. This experience led her to become the President of the Indianapolis National Association for the Advancement of Colored People's (NAACP) Metropolitan Council.

Doris also taught in the Indianapolis School District before marrying a law student by the name of John Ward. After moving to San Francisco in 1968, she became a Trustee of the San Francisco Community College District.

Later on, in 1979, Doris was elected to the San Francisco Board of Supervisors. Eleven short years later, she became the San Francisco Board of Supervisors' first African American President.

In 1996, Doris was first appointed to, and then elected as the San Francisco County Assessor Recorder. She retired in 2006 with a remarkable, long-term record of political activism. Doris is a Founding Member of the San Francisco Chapter of 100 Black Women Incorporated, and Black Women Stirring the Waters. She led the African-American Action Network and served as Board Vice President of the Black Coalition on AIDS, which later became the Rafiki Coalition for Health and Wellness. Of Mrs. Ward's numerous accomplishments and accolades, what brought her the most joy was her sponsorship and co-sponsorship of legislation governing minority businesses, rent control mandates for San Francisco apartment vacancies, and the divestiture in South Africa's apartheid.

Our thoughts and prayers are with the entire Ward family, Mrs. Ward's friends, and her admirers. There are many whose lives were greatly enhanced by the endless service, the profound graciousness, and the pure love that she carried in her heart and soul. It is my hope that the outpouring of love that surrounds her loved ones gives you all the strength to embrace each coming day with a spirit of strength and peace.

Mr. Speaker, I would like to again formally recognize Mrs. Doris Ward's 86 years of life and the tremendous impact she has had throughout. Her record of political and social activism is only superseded by her incredible

compassion to fight for those that could not fight for themselves. I ask all my colleagues to join me in celebrating her life and in honoring the outstanding legacy she has left for all of us to remember her by.

CONGRATULATING THE JOHNSON HIGH SCHOOL SOCCER TEAM

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 17, 2018

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to congratulate the Johnson High School boys' soccer team on winning the state title. This honor marks the first state championship in the program's history.

A few years ago, the Knights suffered a tough defeat in the 2014 championship game, and, in 2016, a loss in the first round of the playoffs prevented the team from advancing to the title match up.

Seeking redemption, the Knights powered through the playoffs and earned a rematch against McIntosh High School, a team that bested the Knights during the regular season.

This victory testifies to the team's determination and the support they've received from Gainesville residents.

Mr. Speaker, I am honored to congratulate the Knights on their hard-earned success, and I look forward to seeing what next season has in store for this team.
