

the Interim and Assistant Superintendent of Schools.

In 2003, Don was appointed Conroe ISD's Superintendent of Schools—a posting he has held for fifteen years. Under his leadership, Conroe ISD has reached new levels of success and earned countless performance and achievement awards—becoming the largest school district to ever be named Exemplary by the Texas Education Agency and one of only three school districts with the highest academic achievement rating eight years in a row.

Throughout his time in Montgomery County and the Greater Houston Area, Don has used his talents to serve his community in both Conroe ISD and a wide variety of educational and civic organizations. These tireless efforts have not gone unnoticed. Don's hard work and passion for service have earned him the title of Superintendent of the Year, Citizen of the Year, and many other community and public service awards.

Don dedicated his career to making a difference in his community that reached far beyond the classroom, and thousands of students, families, educators, and staff have been changed for the better due to his efforts.

I am proud to join his wife, Kara; his daughter, Brooke; his friends; and his colleagues in thanking Don for his career of service and wishing him the best as he begins his well-deserved retirement.

HONORING THE LIFE OF LAWRENCE "LARRY" CLARK

HON. TED LIEU

Friday, May 18, 2018

Mr. TED LIEU of California. Mr. Speaker, I rise to celebrate the life of Lawrence "Larry" Clark—a beloved husband and former mayor of Rancho Palos Verdes—who passed away on May 2, 2018 at the age of 69. It was an honor for me to have known Larry.

Larry was born on January 19, 1949 in Orange, California. Larry double majored in both psychology and sociology at California State University, Fullerton. Later, Larry also received an MBA from California State University, Dominguez Hills. After graduating, Larry began a 40-year career with the federal government where he was able to work with several agencies such as the Air Force, the Department of Defense, and the North Atlantic Treaty Organization (NATO) in the communications and information systems field. Before being elected to the Rancho Palos Verdes City Council in 2001, Larry served on the View Commission and Planning Commission. Due to his passion to serve the public and his perseverance seen through his dedication and hard work, Larry was elected for a second term. While in his second term, he was appointed twice to the California State Coastal Commission. Larry was elected as mayor of Rancho Palos Verdes in 2008, and served for two years.

After retiring from the federal government in 2012, Larry was diagnosed with stage 4 pancreatic cancer. Despite his diagnosis, Larry went on to volunteer with the Pancreatic Cancer Action Network (PanCAN), create the PanCAN Survivor Council, and serve on the Executive Committee for PurpleStride Los Angeles. In 2013, Larry received the Spirit of Hope award at the PanCAN's Evening with the Stars gala for his advocacy on behalf of the nonprofit organization and was shortly appointed one of five national ambassadors for PanCAN. Larry fought cancer with tremendous courage, grace and dignity.

Larry is survived by his wife of 24 years, Becky, and their two corgis Milo and Katie, whom I hope take comfort in the way Larry lived his life as a deeply thoughtful, compassionate and moral citizen. May his memory be a blessing to us all.
