JACK CLAWSON

HON. FRANCIS ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Mr. FRANCIS ROONEY of Florida. Mr. Speaker, I rise today to honor the life of Jack Clawson, who recently passed away at the age of 90.

Jack was a highly respected resident of our district, not only as the father of my predecessor, Congressman Curt Clawson, but also as a passionate family man and follower of Jesus Christ. He led a remarkable life, having grown up working on his grandfather's farm in Utah and a shipyard in Seattle. As a member of the greatest generation, he joined the U.S. Army and fought for our country during WWII, in Japan between 1945 and 1947 while serving on the staff of General Douglas MacArthur. For three years thereafter, he would serve as a missionary for the Church of Jesus Christ of Latter-Day Saints in Denmark. His service to his church would continue throughout his life.

A graduate of Brigham Young University and Harvard Business School in the 1950s, he began a successful business career, serving as the President of Thonet Manufacturing Corporation, DeSoto Furniture and Hill-Rom Company. As with every other aspect of his life, Jack instilled a sense of belonging and caring at each of the companies he led. To his friends and family, however, Jack Clawson was known as a devoted husband, father and grandfather. He will be greatly missed by those who knew him and well-remembered by all.

TRIBUTE TO CLAUDIA SCHNAIBLE

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Claudia Schnaible of Council Bluffs, Iowa on her induction into the Thomas Jefferson High School Hall of Fame. Claudia is a 1955 graduate of Thomas Jefferson High School in Council Bluffs.

Claudia has been a lifelong resident of Council Bluffs. She attended the University of Nebraska, but left to join the workforce and start her career. Claudia worked at Phillip's Department Store where she was promoted to clothing line buyer. She owned her own clothing store and ended her career working for Younkers and Von Maur Department Stores. Claudia has always been dedicated to giving back to her community. She has volunteered her time as a youth leader for the Shepherd of the Valley Lutheran Church, served as president of Beta Sigma Phi Sorority, as a member of the Alzheimer's support group at St. Joseph's Villa, Bethany Lutheran Home, and as a member of the Hall of Fame committee.

Mr. Speaker, I applaud and congratulate Claudia on achieving the honor to be a mem-

ber of the Hall of Fame at Thomas Jefferson High School. I am proud to represent her in the United States Congress. I ask that my colleagues in the House of Representatives join me in congratulating Claudia and wishing her nothing but continued success.

BISHOP C. GARNETT HENNING, SR., CHAMPION OF THE AME CHURCH AND OF AFRICAN DEVELOPMENT

HON. KAREN BASS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Ms. BASS. Mr. Speaker, I am saddened to report the passing of the Right Reverend Coral Garnett Henning, Sr., a giant of the African Methodist Episcopal (AME) Church, a devoted defender of the less-fortunate, a tireless advocate for the empowerment of African Americans, and an unfailing friend of Africa.

Elected as the 112th Bishop of the AME Church in 1992, he had already served (and grown) congregations in his native Tennessee, as well as Kansas, Missouri and California, including Ward AME Church in my district. While assigned to Los Angeles from 1972–80, he worked to further economic development, education, the arts and civil rights, and Mayor Tom Bradley appointed him to head the Los Angeles Housing Commission twice. Wherever he went, Bishop Henning devoted his considerable talent, energy and intellect to ecumenical outreach, mentoring, political engagement, and supporting education. He also developed a well-deserved reputation for building and strengthening institutions.

Assigned to Africa in 1992 to serve the 14th Episcopal District—West Africa, he fortified both the church and education all over the region. He built Bethel AME Church in Ghana; in Côte d'Ivoire, he established C. Garnett Henning, Jr. Memorial High School in honor of his late son; and he founded AME University in Monrovia, which today is the second-largest university in Liberia. Assigned to the 19th Episcopal District—South Africa in 1996, he continued to create and build, both programs and structures, including re-opening the nearly century-old Wilberforce Institute (now Wilberforce Community College) which had been closed by South Africa's apartheid government.

Though he would continue to support African projects, he returned to the United States in 2000 when he was assigned to the 8th Episcopal District, which includes Mississippi and Louisiana. There, too, he did what he did best, but was called to extraordinary service when Hurricane Katrina struck in 2005. He would go on to administer millions of dollars to restore damaged churches and sustain ministers and members of the district in the wake of that historic disaster. He was also appointed to the National Bush-Clinton Katrina Fund, a committee that oversaw distribution of more than \$70 million. He successfully supervised the restoration of 49 out of 51 churches damaged by Katrina: In 2008 he received his last assignment, to the 3rd Episcopal District, from which he retired in 2012, freeing him to continue advocacy matters close to his heart, which is what he was doing the last time he came to see me.

His considerable legacy will benefit generations to come. I mourn with his widow, Ernestine Lee Henning, a leader in her own right, and his family, friends and colleagues. I am grateful to have known him, and grateful for all he has left us.

HONORING AUDREY KENT AND HER SON MIKE KENT

HON. JOHN R. CURTIS

OF UTAH

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Mr. CURTIS. Mr. Speaker, I stand before you today to honor Audrey Kent and her son Mike Kent for their sacrifices on behalf of our nation.

Audrey Kent served as an army nurse for three years in San Francisco during the height of World War II. Working in an operating room, Audrey helped injured soldiers from the Pacific recover before being transferred home. In this capacity, Audrey alleviated the suffering of soldiers exposed to the horrors and carnage of war.

Mike Kent also heeded the call of duty and served in the Vietnam War. As a door gunner on a helicopter, Mike held an especially dangerous position that was often the focus of enemy fire. For eleven rigorous months, Mike inserted troops into the field, resupplied them, and conducted reconnaissance, besides other duties.

Doug Kent, Mike's brother and Audrey's son, also served during the Vietnam War repairing helicopters. Tragically, Doug was killed in a helicopter accident on the same day that Mike arrived in Vietnam. Doug's name is now inscribed upon the Vietnam Veterans Memorial with the names of other fallen heroes. Until now, neither Audrey nor Mike have had the opportunity to view Doug's name in person. Thanks to the generosity of the Utah Honor Flight program, both veterans will now have that opportunity.

As Audrey and Mike look forward to paying their respects to Doug, I honor them for their dedication to freedom and our country. The good that both have accomplished during their military service and throughout their civilian lives is immeasurable.

Mr. Speaker, please join me in honoring the service of Audrey and Mike to their country.

IN HONOR OF FORMER GEORGIA REPRESENTATIVE ROBERT F. RAY

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Mr. BISHOP of Georgia. Mr. Speaker, it is with a heavy heart and solemn remembrance that I rise today to pay tribute to a remarkable statesman, farmer, and public servant, former Representative in the Georgia General Assembly Mr. Robert F. Ray. Sadly, Representative Ray passed away on Tuesday, May 29, 2018. His passing marks the close of a long and prolific life, and his departure leaves a void in the hearts of many Georgians. A memorial service for Representative Ray was held on Friday, June 1, 2018, at First Baptist Church in Fort Valley, Georgia.

Robert Franklin Ray was born in Crawford County, Georgia to the union of William McCrary Ray and Thelma Crutchfield Ray on their family-owned farm. Robert's passion for farming and agriculture began during his childhood, as he helped his family plant and harvest crops on their farm, which is now a pecan orchard.

Robert's passion for farming and agriculture motivated him to build an impressive career which began at the age of 19 when he was elected President of the Crawford County Farm Bureau. By age 22, he had served as a member of the Crawford County Board of Commissioners before going on to serve two terms on the Crawford County Board of Education. He also served as the Assistant Commissioner for Marketing for the Georgia Department of Agriculture and the Manager of the State Farmers Market in Macon, Georgia. In 1982, Robert was elected to the Georgia General Assembly, where he served 12 terms and represented Crawford County and portions of Bibb, Houston, Lamar, Monroe, Peach, and Upson counties.

During his 24 year tenure, Representative Ray served as a member on the Agriculture and Consumer Affairs, Appropriations, Industry and Rules, House Journals, and Small Business Committees as well as the Chairman of the Agriculture and Consumer Affairs Committee. Representative Ray made agriculture his first priority as he worked diligently to ensure that the interests of farmers were supported and protected and led the charge to give poultry farmers rights in contract negotiations. His legacy also includes spearheading legislation and funding to support education and economic development, which was instrumental in the establishment of Georgia's system of tourism routes and the creation of toll-free calling zones in the Middle Georgia area.

In addition to his political career, Robert was actively involved in the communities that he served. He presided on a variety of boards, served in a number of organizations at the local and state levels, and received numerous awards and commendations.

Robert accomplished much throughout his life, but none of this would have been possible without his enduring faith in God and the love and support of his wife, Jennifer; his children, Lisa, Robin, Bob, and Adam; and his siblings and grandchildren.

On a personal note, Representative Ray and I served in the State House together and I was blessed with his friendship, counsel, and support over the years. Representative Ray was a great representative for Middle Georgia and a stellar example of how a public servant should serve his constituents.

Mr. Speaker, I ask my colleagues to join me, along with my wife, Vivian, and the more than 730,000 residents of Georgia's Second Congressional District in paying tribute to former Representative Robert F. Ray for his remarkable leadership in our great State of Georgia. He shall be remembered as an outstanding statesman, a champion of education, and an advocate for hard-working farmers. We extend our deepest sympathies to his family, friends and, loved ones during this difficult time and we pray that they will be comforted by an abiding faith and the Holy Spirit in the days, weeks, and months ahead.

IN RECOGNITION OF THE 30TH ANNIVERSARY OF THE DELAWARE & LEHIGH NATIONAL HERITAGE CORRIDOR

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2018

Mr. CARTWRIGHT. Mr. Speaker, I rise to remark on a notable milestone in the history of the Pennsylvania 17th Congressional District. Thirty years ago, a group of thoughtful and committed citizens took the region's case for national historic significance to Congress. The result is the Delaware & Lehigh National Heritage Corridor (D&L).

Today, the D&L Corridor is a lively, vibrant place to live. Towns and cities are revitalized, and their historic districts have been preserved. Technology, culture, and innovation have replaced the industrial past, while agrarian roots are still visible in the surrounding countryside. The D&L Trail connects people to our industrial heritage, health and wellness, economic development, and nature and the environment.

The D&L's unique combination of industry and natural resources helped it fuel America's 19th Century Industrial Revolution. The discovery of anthracite, and later the manufacturing of iron ore and its historic transportation path from Wilkes-Barre to Bristol, catapulted the region into an internationally-recognized hub of production. Without a doubt, the Delaware and Lehigh Canals and the Lehigh Valley Railroad were essential in this process. It is their history that the D&L works to preserve and celebrate as a Smithsonian Affiliate through the National Canal Museum and aboard the Josiah White II mule-drawn canal boat.

With the support of the National Park Service, the Pennsylvania Department of Conservation and Natural Resources, the William Penn Foundation, countless volunteers, and like-minded partner organizations, the D&L is continuing its commitment to inspiring connections by revitalizing towns, restoring its beautiful landscape, celebrating and preserving its heritage, and planning its future for generations to come in Luzerne, Carbon, Lehigh, Northampton and Bucks County. The history of the D&L is still in the making.
