IN REMEMBRANCE OF MR. BENJAMIN HENRY BASCUM HUBBARD

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 12, 2018

Mr. WITTMAN. Mr. Speaker, I rise today in solemn remembrance of the life of Mr. Benjamin Henry Bascum Hubbard, or "B.H." as he was affectionately known. B.H. served as a dedicated lawyer in the Northern Neck, and was a tireless advocate for his community as a member of numerous boards and organizations that greatly benefited the region.

B.H. was born January 19, 1946 in White Stone, a small town in Virginia's Tidewater. He graduated from the University of Virginia with a degree in English and earned his J.D. from the University of South Carolina. He was a founding member of the firm Hubbard, Terry, and Britt, in Irvington, and demonstrated total dedication to his clients through his work. Beyond his firm, B.H. was always striving to improve the quality of life for his neighbors and the community he loved dearly. Most notably, he was chairman of the board of Rappahannock General Hospital and a member of the Board of Directors of Chesapeake Health Services. He also served on the Board of Directors for Bon Secours Richmond Health System. One of his greatest achievements was the successful merger of Rappahannock General Hospital with Bon Secours. Beyond his work, he was known by all for his compassion, his deeply caring spirit, and his incredible capacity for service.

I am fortunate to have called B.H. a friend and I extend my deepest condolences to his wife of over 50 years, Terry; daughters Emory and Elizabeth; son, Beau; and the rest of his family. B.H. leaves a lasting legacy in the Northern Neck that has been felt by all of its residents. As it says in the book of Matthew, "Well done, thou good and faithful servant: thou has been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord."

Mr. Speaker, I implore you and my colleagues to join me as we honor the memory of Mr. B.H. Hubbard.

RECOGNIZING THE LIFE OF FALLEN U.S. ARMY SOLDIER JULIUS E. MCKINNEY

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 12, 2018

Mr. KELLY of Mississippi. Mr. Speaker, I rise today in memory of Army Sergeant Julius E. McKinney who paid the ultimate sacrifice while defending our nation during the Korean War. SGT McKinney was a member of the Heavy Mortar Company, 32nd Infantry Regiment, 7th Infantry Division. While engaged in heavy battle at the Chosin Reservoir in North

Korea on December 2, 1950, SGT McKinney became unaccounted for and was later declared Missing in Action.

Many years after the Korean War, permission to excavate burial sites in the areas where fighting occurred around the Chosin Reservoir led to the recovery of human remains. More years would pass before the use of DNA technology would help unite families with their loved ones. Eight years ago, retired Mississippi State Guard Colonel Bill Huff, SGT McKinney's nephew, submitted DNA samples along with two relatives to the U.S. Army. In March 2018, SGT McKinney's remains were identified. "For 67 years, we waited for answers," Mr. Huff said. "It has been so hard for all of us in the family. It was hardest on our uncle's youngest sister, Effie. For years, she would not eat much for fear her brother was starving. She would remove the bed cover at night because she worried that her brother was shivering somewhere."

On Wednesday, June 6, 2018, members of the Patriot Guard Riders escorted members of the family to the Memphis International Airport to bring SGT McKinney's remains to Corinth, Mississippi. Friends and loved ones attended the funeral. Internment was held at the Corinth National Cemetery. SGT McKinney was buried with full military honors. Mr. Huff recently said the family finally has closure. "We are so grateful that DNA technology helped us find Uncle Julius," Mr. Huff said. "We will share our story with the public every chance we get in hopes that others will not give up on the search for their loved ones."

Joyce Tanner, SGT McKinney's niece, expressed her gratitude in a written tribute to her uncle. "We are thankful the U.S. Army did not abandon their search for you until they were able to find and identify portions of your body after 67 years," Mrs. Tanner wrote. "They have pieced together records and information that has brought a sense of rest and peace to our hearts, minds, and souls. And to them, we are forever grateful for their diligent efforts."

SGT McKinney's awards include the Purple Heart, National Defense Service Medal, Korean Service Medal, United Nations Medal and the Combat Infantryman's Badge.

SGT McKinney's service will always be remembered. It is through the blood of our patriots that we are free.

RECOGNIZING GLORIA CORDES LARSON

HON. KATHERINE M. CLARK

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 12, 2018

Ms. CLARK of Massachusetts. Mr. Speaker, today, I rise to recognize Gloria Cordes Larson, who will step down as the first-ever female president of Bentley University on June 30, 2018.

Throughout her esteemed career, Ms. Larson has been a pioneer in higher education, a dedicated civil servant, and a champion for gender equity. During her 11 years as Bentley University President, Ms. Larson guided the Waltham school through the Great Recession, facilitated its transition from a college to a university, and ultimately, secured a 97 percent job placement rating for the institution's graduates. In 2011, she helped found the Bentley

Center for Women and Business, a program designed to advance shared leadership among women and men at all levels of the corporate world. Most recently, under her leadership, Bentley University was ranked fourth in U.S. News & World Report's 2018 "Best Value Schools".

Prior to her tenure as Bentley University president, Ms. Larson served as Secretary of Economic Affairs for the administration of Governor Bill Weld; acted as Deputy Director of Consumer Protection at the Federal Trade Commission; was the first-ever woman to chair the Greater Boston Chamber of Commerce; and led a business advisory cabinet for former Massachusetts Governor Deval Patrick.

Upon being asked what her personal priority as President of Bentley University was, she reportedly said that it was "to help women breakthrough in the business world." In every facet of her accomplished career, she has unchained the impossible and shepherded the way for the next generation.

In recognition of her impact on the university, Massachusetts, and the advancement of women in business, Bentley University is honoring her legacy by naming the Center for Women and Business after Ms. Larson. I couldn't think of a worthier recipient and a better inspiration for students.

The trail that Ms. Larson has blazed for women and students in our Commonwealth and across the country cannot be understated. We thank her for her dedication, and wish her the best of luck as "president-in-residence" of Bentley University's School of Education.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 12, 2018

Mrs. DINGELL. Mr. Speaker, I rise today to recognize the opening of the Ypsilanti YMCA Child Development Center. The facility will provide childcare and educational programming to local children.

An affiliate of the Ann Arbor YMCA, the Ypsilanti branch is an association of men, women and children that seeks to promote health and the growth of children and teens. Due to the success and size of the Ann Arbor facility, the YMCA expanded its reach into the Ypsilanti community in 2009. The local organization seeks to support Michigan residents of all ages, incomes and backgrounds through its extensive programming and activities. Specializing in youth development, the Ypsilanti YMCA continually adds new programming to reach and nurture children throughout southeast Michigan. Currently, the Ypsilanti location hosts camps throughout the summer, including a free learn-to-swim program and leader-in-training opportunity for middle schoolers. As it opens an early childhood development center, the Ypsilanti YMCA will continue to better the lives of local youth through its programming.

The Ypsilanti YMCA's Child Development Center was established in partnership with the Ann Arbor YMCA, Eastern Michigan University, Ypsilanti Schools and the Ypsilanti Housing Commission. The center will provide childcare for children 18 months to 5 years old

from 6:30 a.m. to 6:30 p.m. on weekdays. Financial assistance will be available to Ypsilanti residents, allowing for low-income community members to provide childcare to their children in a safe and nurturing environment. The facility consists of three classrooms, a playground and a gymnasium, and is located within the former Chapelle Elementary School. This visionary center will offer children and parents quality childcare in our local community, and we are grateful for the YMCA's ongoing commitment to Ypsilanti residents.

Mr. Speaker, I ask my colleagues to join me in honoring the Ypsilanti YMCA's years of service to our southeast Michigan community. Their newly opened childhood development center will create a brighter and more healthy future for local youth.

SPEECH OF

HON. BRAD SHERMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 7, 2018

Mr. SHERMAN. Mr. Speaker, I support the idea of rescissions. Some of the rescissions

proposed by the Republicans are a good idea, but Republican leadership would not allow us to vote on the proposals separately. Therefore, I have no choice but to oppose the entire rescissions package. I hope to work with my colleagues to make fiscally responsible decisions moving forward.
