HONORING THE BOROUGH OF BLOOMINGDALE'S 100TH ANNIVERSARY

HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 20, 2018

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the Borough of Bloomingdale, County of Passaic, New Jersey, on the occasion of its 100th Anniversary.

As early as 1700, the Dutch began settling — what is now known today as Bloomingdale, named after the town of Bloomingdale in Holland. In 1734, mineral resources were discovered in Bloomingdale by Cornelius Board. Board was shown the iron deposits by local natives near the Ringwood River by the Sterling Forest. After locating the ore, Board built the first ever small iron furnace in the region. German miners were brought over to work the mine. The mine would change hand two times, first to John and Uzal Ogden and Newark associates, and then to the American Iron Company. This company was London-based, bringing in immigrants from England.

Bloomingdale is most known for its important role it played in the Revolutionary War. One can find a plaque on the Federal Hill Historic Site that commemorates the Pompton Mutiny on Federal Hill in what is today Bloomingdale. On January 20, 1781, 200–300 Continental soldiers mutinied. Their plan was to march to Trenton to make their demands, which included complaints about food, clothing, and pay. General George Washington decided to make an example of these mutinous soldiers, and they were met by General

Howe's army on their way to Trenton. Although they were dealt with harshly, Washington did concede to their demands, admitting that there was a truth behind them.

The aforementioned mining activities in Bloomingdale increased in 1807 when Martin J. Ryerson purchased the mining area from American Iron Company and greatly developed the area by building more furnaces and rolling mills. When he died in 1839, his grandson who shared his name, Martin J. Ryerson, continued the work. He further established the family name in the town by opening a company general store where the Bloomingdale Laundromat is today. A large portion of the store's produce came from the animals of the Ryerson farm, especially pigs. As a result, many "old timers" refer to this area of the town as "Porktown".

In April 1871, Ryerson continued to expand Bloomingdale's reputation by introducing the New Jersey Midland Railway to the town. The citizens happily celebrated the first train that came into the town. Bloomingdale did not become its own borough until February 23, 1918, when Pompton Township split up to create the three towns of Bloomingdale, Ringwood, and Wanaque.

After World War II, Bloomingdale constructed a housing duplex on borough-owned property to be sold to veterans. In order to honor the men from this region who went to war, a World War II Memorial was constructed by the Borough and the American Legion.

Bloomingdale today is a small town with about 8,000 residents, most of whom are of modest means who own their own homes and are employed by small local businesses. Bloomingdale is proud about its "American Small Town" history, as stated by Mayor Jonathon Dunleavy.

Mr. Speaker, I ask that you and our colleagues join me in congratulating the Borough of Bloomingdale on the occasion of its Centennial Anniversary.

PROVIDING RELIABLE OPTIONS FOR PATIENTS AND EDUCATIONAL RESOURCES ACT OF 2018

SPEECH OF

HON. ERIK PAULSEN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 19, 2018

Mr. PAULSEN. Madam Speaker, the opioid crisis is an epidemic that is impacting every community across the country. It is a crisis that is getting worse and worse.

The chances are that everyone knows someone who has been personally affected—wrestling with addiction, providing support to a loved one in recovery, or simply offering comfort to a friend who may be dealing with loss.

For the second consecutive year, American life expectancy has actually declined. Opioid-related overdoses caused more than 33,000 deaths in 2015 and more than 40,000 in 2016.

It's no coincidence that most people are just prescribed opioids to manage their pain even though the government will also pay for hundreds of medical devices, physical therapy and non-opioid medications.

The fact is many people and providers simply aren't aware of other, equally effective

therapies like medical devices, non-opioid medications and physical therapy. We need to change that.

That's why I authored the Medicare CHOICE Act with my colleague Representative KIND. It which is one of the bills in this package H.R. 5775, the PROPER Act.

The CHOICE Act will require Part D drug plans to inform seniors about other, non-addictive pain management therapies that Medicare covers so that when they get injured or have some other type of pain, they will be able to ask their doctor the right questions to make sure that they receive the most effective and least harmful pain management therapy.

Education is important and can be an effective tool for providers and can help make a difference in the fight against opioid addiction.

Representatives BLACK, O'HALLERAN and CROWLEY also have an initiative included in the PROPER Act package to educate seniors about ways they should safely dispose of unused opioids and how providers should take into account the whole patient when discussing pain. I thank them for their important work.

This package has strong bipartisan support and I want to thank my colleagues for working together to get these initiatives moving for action on the House floor.

It will make a difference in addressing an epidemic that continues to bring tragedy and sadness to so many families.

Madam Speaker, I am glad that we are taking action to educate seniors on their alternative pain management therapies, how they can safely get rid of unused opioids, and how providers should look at the whole patient when delivering advice for pain management.

IN RECOGNITION OF SECOND BETHESDA MISSIONARY BAPTIST CHURCH'S 115TH ANNIVERSARY

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 20, 2018

Mr. BISHOP of Georgia. Mr. Speaker, it is my honor and pleasure to extend my sincere congratulations to the congregation of Second Bethesda Missionary Baptist Church in Albany, Georgia as the church's membership and leadership celebrate a remarkable 115 years. The congregation of Second Bethesda Missionary Baptist Church will celebrate this very significant anniversary with celebratory events from July 9 to July 15 at the church in Albany, Georgia.

Second Bethesda Missionary Baptist Church was founded in 1903 as "New Church" by Reverend Dan Mosley; Deacons Peter Scott, William Jackson, and Frank Murray; and several faithful others.

Over the years, the church has been served by a number of spiritual leaders, each leaving their lasting mark on the church in some form or fashion. These leaders include Reverends Dan Mosley, Elbert Thomas, Dozier Scott, William Boyd, Charles Carr, and Jimmy Ewings, Sr.

The strength of the congregation was tested on July 7, 1994, their 91st anniversary, by the horrific flood that devastated Albany, Georgia. Many of the roads were closed and several members were unable to make it to the church, but by the grace of God, none of the church's members were harmed.

In 2001, Pastor Rance Pettibone, Sr. accepted the pastoral invitation and continues to serve as pastor today. He has overseen many internal changes, including the development of the Mission and Vision statements and several new ministries, renovation of numerous areas in the church, installation of the church's sign, and dedication of the church's New Fellowship and Education Building. He and his family not only serve the church's 150 members, but also work hard to serve the surrounding community through their active and expansive ministries.

The story of Second Bethesda Missionary Baptist Church, which began 115 years ago

as a small group of people walking in the words of Philippians 4:13 "I can do all things through Christ who strengthens me.", is truly an inspiring one of the dedication and perseverance of a faithful congregation of people who put all their love and trust in the Lord.

Mr. Speaker, today I ask my colleagues to join me in paying tribute to the membership of Second Bethesda Missionary Baptist Church in Albany, Georgia for their long history of coming together through the good and difficult times to praise and worship our Lord and Savior Jesus Christ and for serving the community through Him.

HONORING SALVATORE LUCIANO ON THE OCCASION OF HIS RETIREMENT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 20, 2018

Ms. DELAURO. Mr. Speaker, I am pleased to rise today to join the family, friends, and colleagues who have gathered to extend my deepest thanks and appreciation to Salvatore Luciano as he celebrates his retirement, mark-

ing the end of a nearly 50-year career in public service and Connecticut's union movement.

Sal has dedicated a lifetime to Connecticut's working families. Beginning his career in 1980 as a social worker with the Connecticut Department of Children and Youth Services, Sal spent many years working on behalf of some of our most vulnerable children. Investigating cases of abuse and neglect, Sal worked to ensure their safety and protection. It was also at this time that he began his involvement with the American Federation of State, County and Municipal Employees (AFSCME).

First serving as a steward in Local 2663, Sal was elected the chapter's President in 1989 and of AFSCME Council 4 in 1999. In 2001, he left state service when he was appointed Executive Director of Council 4 to fill a vacancy. He would go on to win the election outright in 2002 and has held the position he has served in ever since. Headquartered in New Britain, Connecticut, Council 4 represents 35,000 workers in state and local government as well as the private non-profit sector. Sal has led the fight on behalf of his membership, striving to ensure a fair wage, quality, affordable health benefits, and security in their retirement. Sal has been a vocal and tenacious advocate and his presence at Council 4 will most certainly be missed.

Sal's involvement with Connecticut's Labor movement extends beyond his work at Council 4. He is also the Executive Vice President of the Connecticut AFL-CIO and a member of the International Executive Board of AFSCME. He serves as a Vice President of the United Labor Agency, (AFL-CIO) and is a Board Member of the State of Connecticut Retirement Commission. Sal has dedicated much of himself to improving the quality of life of Connecticut's working family—a legacy that will serve as an inspiration to future labor leaders.

I have had the pleasure of knowing Sal for many years and have always considered myself fortunate to have benefitted from his experience and guidance and to call him my friend. Today, as he celebrates his retirement and begins a new chapter, I am honored to have this opportunity to join family, friends, and colleagues in thanking Salvatore Luciano for his outstanding service to Connecticut and our working families. I wish him all the best for many more years of health and happiness.

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the First Presbyterian Church of Hanover, located in the Township of East Hanover, New Jersey, on the occasion of its 300th Anniversary.

While the current First Presbyterian Church of Hanover standing today was built in 1835, the earliest record of the church dates back to September 2, 1718. This church has a long, rich history, and was placed on the New Jersey and National Registers of Historic Places in 1977.

As the state and country grew, more churches were established in the area, as
