

The Clinton campaign was the principal subject of these leaks and was harmed by these leaks.

We know this because the FBI did not start its counterintelligence investigation of Trump until late July 2016 and we know through this report that a major portion of the investigation was the leaks from New York through October 2016.

At the conclusion of the report, the IG's office lists a series of recommendations that it believes the FBI should follow when it comes to lessons learned from this saga.

One of them is ensuring a uniform system of ensuring that only those with the authority to speak on a topic do so.

This is the first of many steps needed to ensure the errors of this oversight of the FBI and DOJ are not repeated in the future.

Mr. BUCK. Mr. Speaker, I rise today to recognize two high school students who were chosen by the National Academy of Future Scientists and Technologists to represent the State of Colorado as Delegates at the Congress of Future Science and Technology Leaders. These students' acceptance to this prestigious program is an incredible feat, and it is my honor to rise today and recognize the outstanding accomplishment of these future leaders. TRIBUTE TO MR. MINOR J. ALLEN,  
SR., OUTSTANDING BUSINESS-  
MAN AND SOCIAL/POLITICAL AC-  
TIVIST

**HON. DANNY K. DAVIS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 21, 2018*

Mr. DANNY K. DAVIS of Illinois. Mr. Speaker, having grown up in the state of Arkansas, when I meet people from Arkansas I am generally glad to meet them, when I discovered that Mr. Minor Allen was from Blytheville I was ecstatic and we became great friends and we often would talk about Harrison High School. In addition to having a wonderful family and being a great friend, he was one of the smoothest and greatest business people that I have ever known. He exuded friendship and was as much of a social activist as I have known. I did not know that he was so closely connected to Bishop Willie James Campbell and his family. Bishop Campbell preached my ordination service when I became a deacon at a Baptist church (smile). Mr. Minor Allen was a true servant of God and of the people. May he continue to rest in peace. He and Bishop Campbell must have been cut from the same cloth, both are great humanitarians.

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 21, 2018*

Mr. BUCK. Mr. Speaker, I rise today to celebrate the 100th Anniversary of the Weld County Fair. Growing as an annual event since 1918, the Weld County Fair has fulfilled its mission well, which states in part that the fair serves as a source of community pride among county residents by providing an educational showcase for 4-H and FFA members, members of other youth groups, and residents to exhibit their accomplishments in the areas of agriculture, general and natural sciences, family consumer sciences, and county projects.

The Weld County Fair is supported by countless businesses and local organizations that recognize the profound impact the fair has, not only on the participants and families, but on the community and the economy as a whole. Weld County is the largest Agricultural producing county in the state and ranks among the highest in the country. It is imperative that the young people of today have a greater understanding of the role of agriculture and the economy in day-to-day life.

On behalf of the 4th Congressional District of Colorado, I applaud the Weld County Fair for the dedication to preserving the rich history of Weld County. We look forward to their success as they keep this important tradition alive. Mr. Speaker, it is an honor to celebrate the centennial celebration of the Weld County Fair.
