□ 1706

So (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

ENDANGERED SALMON PREDATION PREVENTION ACT

Mr. LAMBORN. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the bill (S. 3119) to allow for the taking of sea lions on the Columbia River and its tributaries to protect endangered and threatened species of salmon and other nonlisted fish species, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Mr. HIGGINS of Louisiana). Is there objection to the request of the gentleman from Colorado?

There was no objection.

The text of the bill is as follows:

S. 3119

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Endangered Salmon Predation Prevention Act".

SEC. 2. SENSE OF CONGRESS.

It is the sense of the Congress that—

(1) preventing predation by sea lions, recovery of listed salmonid stocks, and preventing future listings of fish stocks in the Columbia River under the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.) is a vital priority; and

(2) the Federal Government should continue to fund lethal and nonlethal removal, and deterrence, measures for preventing such predation.

SEC. 3. TAKING OF SEA LIONS ON THE COLUMBIA RIVER AND ITS TRIBUTARIES TO PROTECT ENDANGERED AND THREATENED SPECIES OF SALMON AND OTHER NONLISTED FISH SPECIES.

Section 120(f) of the Marine Mammal Protection Act of 1972 (16 U.S.C. 1389(f)) is amended to read as follows:

"(f) TEMPORARY MARINE MAMMAL REMOVAL AUTHORITY ON THE WATERS OF THE COLUMBIA RIVER OR ITS TRIBUTARIES.—

"(1) REMOVAL AUTHORITY.—Notwithstanding any other provision of this Act, the Secretary may issue a permit to an eligible entity to authorize the intentional lethal taking on the waters of the Columbia River and its tributaries of individually identifiable sea lions that are part of a population or stock that is not categorized under this Act as depleted or strategic for the purpose of protecting—

"(A) species of salmon, steelhead, or eulachon that are listed as endangered species or threatened species under the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.); and

"(B) species of lamprey or sturgeon that are not so listed as endangered or threatened but are listed as a species of concern.

"(2) PERMIT PROCESS.—

"(A) IN GENERAL.—An eligible entity may apply to the Secretary for a permit under this subsection.

"(B) TIMELINES AND PROCEDURES OF APPLICATION.—The timelines and procedures described in subsection (c) shall apply to applications for permits under this subsection in the same manner such timelines apply to applications under subsection (b).

"(C) COORDINATION.—The Secretary shall establish procedures to coordinate issuance of permits under this subsection, including application procedures and timelines, delegation and revocation of permits to and between eligible entities, monitoring, periodic review, and geographic, seasonal take, and species-specific considerations.

"(D) DURATION OF PERMIT.—A permit under this subsection shall be effective for a period of not more than 5 years, and may be renewed by the Secretary.

"(3) LIMITATIONS ON ANNUAL TAKINGS.—The Secretary shall apply the process for determining limitations on annual take of sea lions under subsection (c) to determinations on limitations under this subsection, and the cumulative number of sea lions authorized to be taken each year under all permits in effect under this subsection shall not exceed 10

percent of the annual potential biological removal level for sea lions.

"(4) QUALIFIED INDIVIDUALS.—Intentional lethal takings under this subsection shall—

"(A) be humane within the meaning of such term under section 3(4);

"(B) require that capture, husbandry, transportation, and euthanasia protocols are based on standards propagated by an Institutional Animal Care and Use Committee and that primary euthanasia be limited to humane chemical methods; and

"(C) be implemented by agencies or qualified individuals described in subsection (c)(4), or by individuals employed by the eligible entities described in paragraph (6).

"(5) SUSPENSION OF PERMITTING AUTHORITY.—If, 5 years after the date of the enactment of the Endangered Salmon Predation Prevention Act, the Secretary, after consulting with State and tribal fishery managers, determines that lethal removal authority is no longer necessary to protect salmonid and other fish species from sea lion predation, the Secretary shall suspend the issuance of permits under this subsection.

"(6) ELIGIBLE ENTITY DEFINED.—

"(A) DEFINITION.—In this subsection, the term 'eligible entity' means—

"(i) with respect to removal in the mainstem of the Columbia River, from river mile 112 to the McNary Dam and its tributaries in the State of Washington, and its tributaries in the State of Oregon above Bonneville Dam, the State of Washington, the State of Oregon, and the State of Idaho;

"(ii) with respect to removal in the mainstem Columbia River from river mile 112 to the McNary Dam and its tributaries within the State of Washington and in any of its tributaries above Bonneville Dam within the State of Oregon, the Nez Perce Tribe, the Confederated Tribes of the Umatilla Indian Reservation, the Confederated Tribes of the Warm Springs Reservation of Oregon, and the Confederated Tribes and Bands of the Yakama Nation; and

"(iii) with respect to removal in the Willamette River and other tributaries of the Columbia River within the State of Oregon below Bonneville Dam, a committee recognized by the Secretary under subparagraph (D).

"(B) DELEGATION AUTHORITY.—The Secretary may allow eligible entities described in clause (i) or (ii) of subparagraph (A) to delegate their authority under a permit under this subsection to the Columbia River Intertribal Fish Commission for removal in the mainstem of the Columbia River above river mile 112 and below McNary Dam, in the Columbia River tributaries in the State of Washington, or in tributaries within the State of Oregon above Bonneville Dam and below McNary Dam.

"(C) ADDITIONAL DELEGATION AUTHORITY.—The Secretary may allow an eligible entity described in subparagraph (A)(i) to delegate its authority under a permit under this subsection to any entity described in subclause (i) or (ii) of subparagraph (A) with respect to removal in the mainstem of the Columbia River above river mile 112 and below McNary Dam, in the Columbia River tributaries in the State of Washington, or in tributaries in the State of Oregon above Bonneville Dam and below McNary Dam.

"(D) COMMITTEE REQUIREMENTS.—

"(i) IN GENERAL.—The Secretary shall recognize a committee established in accordance with this subparagraph as being eligible for a permit under this subsection, for purposes of subparagraph (A)(iii).

"(ii) MEMBERSHIP.—A committee established under this subparagraph shall consist of the State of Oregon and each of the following:
