In order to achieve this kind of revolutionary improvement in technology, we need foundational knowledge in the advanced computing and materials science required to construct quantum systems.

The Department of Energy (DOE) Office of Science is the leading federal sponsor of basic research in the physical sciences and funds robust quantum technology research. At Lawrence Berkeley National Lab, the National Energy Research Scientific Computing Center (NERSC) allows scientists to run simulations of quantum architectures. At Argonne National Lab's Center for Nanoscale Materials, researchers study atomic-scale materials in order to engineer the characteristics of quantum information systems. And at Fermi National Accelerator Laboratory, scientists are applying their experience in high energy physics to the study of quantum materials. Earlier this year, I invited several of my colleagues to ioin me on a visit to Argonne and Fermi labs, and we had the privilege of speaking with the scientists conducting this groundbreaking research

Support for basic research in computer science and for computational partnerships between industry, academia, and the national labs is necessary to develop the technology needed for future commercial quantum systems.

For these reasons, I encourage my colleagues to join me in supporting H.R. 6227.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas (Mr. SMITH) that the House suspend the rules and concur in the Senate amendment to the bill, H.R. 6227.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. SMITH of Texas. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from California (Mr. McCLINTOCK) and the gentleman from Arizona (Mr. GRIJALVA) each will control 20 minutes.

The Chair recognizes the gentleman from California.

GENERAL LEAVE

Mr. McCLINTOCK. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. McCLINTOCK. Mr. Speaker, I yield myself such time as I may consume.

The New Jersey Coastal Heritage Trail Route was authorized by Congress in 1988, and it runs along the entire eastern coast of New Jersey.

The National Park Service, the State of New Jersey, the Pinelands Commission, and other local organizations have partnered to promote recreation and appreciation of New Jersey's coastal areas along that route. The route links wildlife refuges, historic sites, and natural areas to tell the story of New Jersey's role in shaping U.S. history and in providing important habitat for birds and other wildlife. The coalition's efforts to enhance public enjoyment and access bring more visitors to these special places from New Jersey and beyond.

H.R. 6602 will reauthorize the Secretary of the Interior's authority to comanage the New Jersey Coastal Heritage Trail Route through 2025 and to provide technical assistance. This authority expired in 2011.

Congressman Frank Lobiondo should be commended for his support for his constituents and for the Coastal Heritage Trail, and I am pleased to move this legislation before his retirement from the House.

Mr. Speaker, I urge adoption of the measure, and I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 6602 would reauthorize the New Jersey Coastal Heritage Trail Route through 2025.

H.R. 6602 would also instruct the Secretary of the Interior to draft a strategic plan to enhance the trail route for the future, providing opportunities to sustain this very worthwhile program.

I congratulate Representative LoBI-ONDO for his hard work on this legislation. I urge my colleagues to support the legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. McCLINTOCK. Mr. Speaker, Congressman LoBiondo is going to be retiring from this House after many, many years of distinguished service at the close of this session, and it has been my distinct honor and pleasure to serve with him.

Mr. Speaker, it is my distinct honor and pleasure to yield such time as he may consume to the gentleman from New Jersey (Mr. Lobiondo).

Mr. LoBIONDO. Mr. Speaker, I thank my colleague from California for the kind words and for his service to our country, and I say ditto about an honor to serve with him and everyone else in this body.

I rise today to urge passage of H.R. 6602, to reauthorize the New Jersey Coastal Heritage Trail. This was something that I worked on with the late Senator Frank Lautenberg a number of years ago.

Since its inception in 1988, the Coastal Heritage Trail has been a major success throughout my district, as well as the entire State.

Now, although there are 12 Members of Congress from the State of New Jersey, the Second Congressional District, which I have had the honor of representing, is about 40 percent of the State geographically, so this trail spans nearly 300 miles, covering much of New Jersey's coastline. It was designed to provide an educational and enjoyable understanding of the natural, maritime, and cultural sites of our coast, which, I must admit, are many.

The Coastal Heritage Trail is divided into five regions linked by the common heritage of life on the Jersey shore, as well as the Raritan and Delaware Bays.

Finally, this trail has been a great example of the work that can be done through collaboration with public and private partnerships, and I think the success of the trail is really because of these collaborations and the different various groups that have come together to understand how working together can really make a difference.

Through partnership with the National Park Service, Congress, and local organizations, the Coastal Heritage Trail has received support and has been beautifully maintained until authorization recently lapsed. With this lapse of authorization, the public sector groups and the private sector

groups were not able to maintain the trail, which they had most of the resource to take care of this. So it has been a big problem with the lapse.

Mr. Speaker, it is time to redesignate this trail so it can be enjoyed by countless residents and visitors to New Jersey for many years to come. I urge passage of H.R. 6602. I thank my colleagues for considering this, and I very much appreciate the opportunity to move this bill.

Mr. GRIJALVA. Mr. Speaker, I have no further speakers. I urge a "yes" vote for this legislation.

I yield back the balance of my time. Mr. McCLINTOCK. Mr. Speaker, I join Mr. GRIJALVA in asking for the support of this Chamber of this measure.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from California (Mr. McCLINTOCK) that the House suspend the rules and pass the bill, H.R. 6602.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. McCLINTOCK. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

Mr. MASSIE. Mr. Speaker, I request the yeas and nays.

The SPEAKER pro tempore. That request is not in order at this time.

### POINT OF ORDER

Mr. MASSIE. Mr. Speaker, point of order.

The SPEAKER pro tempore. The gentleman will state his point of order.

Mr. MASSIE. When a quorum is not present, under the rule, the yeas and nays are automatic. Will there be a vote of the yeas and nays?

The SPEAKER pro tempore. When business resumes, pursuant to clause 8 of rule XX, a demand for the yeas and nays will be in order.

## STIGLER ACT AMENDMENTS OF 2018

Mr. McCLINTOCK. Mr. Speaker, I move to suspend the rules and concur in the Senate amendments to the bill (H.R. 2606) to amend the Act of August 4, 1947 (commonly known as the Stigler Act), with respect to restrictions applicable to Indians of the Five Civilized Tribes of Oklahoma, and for other purposes.

The Clerk read the title of the bill.

The text of the Senate amendments is as follows:

Senate amendments:

(1)On page 3, line 12, strike [, as of said date,] and insert: , as of the date of enactment of the Stigler Act Amendments of 2018,

(2) At the end of the bill, add the following: SEC. 5. RULE OF CONSTRUCTION PROVIDING FOR NO RETROACTIVITY.

Nothing in this Act, or the amendments made by this Act, shall be construed to revise or extend the restricted status of any lands under the Act of August 4, 1947 (61 Stat. 731, chapter 458) that lost restricted status under such Act before the date of enactment of this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from California (Mr. McCLINTOCK) and the gentleman from Arizona (Mr. GRIJALVA) each will control 20 minutes.

The Chair recognizes the gentleman from California.

### GENERAL LEAVE

Mr. McCLINTOCK. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. McCLINTOCK. Mr. Speaker, I yield myself such time as I may consume.

I rise today in support of the Senate amendments to H.R. 2606. This bill would amend the 1947 Stigler Act to remove the Indian blood quantum requirement for certain land to be maintained in restricted fee status for any member of the Five Civilized Tribes of Oklahoma.

Under H.R. 2606, restricted fee land currently owned by members of the Five Tribes would remain in restricted status regardless of the blood quantum of the owners.

H.R. 2606 passed the House on September 12, 2018, by voice vote. A clarifying amendment was adopted before being passed by the Senate on December 13, 2018.

I thank the sponsor of the legislation, the gentleman from Oklahoma (Mr. Cole), for his work on this bill.

I urge adoption of the measure, and I reserve the balance of my time.

Mr. GRIJALVA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 2606 seeks to amend the 1947 Stigler Act by removing the arbitrary blood quantum levels it established for Indian land ownership. This will ensure that lands currently owned by the citizens of the Five Tribes of Oklahoma will remain in restricted fee status, regardless of their blood quantum levels or that of their heirs.

The House has already passed this measure once, and I am happy to agree to the changes that the Senate made to Mr. COLE's bill.

Upholding the sanctity of a Tribe's land base should be of utmost importance to Congress and the Federal Government as a whole. A tribal land base is not just about tax-exempt status or economic development, both of which are vitally important to tribal commu-

nities. It is also about construction of housing, schools, clinics, and eldercare facilities, things that are extremely vital to the health and the well-being of tribal members.

It is also about recognizing a tribe's historical, cultural, and spiritual connection to the land, land that they called their own until it was forcibly or wrongly taken from them.

We need to ensure that tribal sovereignty and self-governance are more than just talking points. There are real-world decisions that we make that have very real consequences, so it is shameful that a dark chapter in history is now repeating itself. I am referring to the dire situation that is facing the Mashpee Tribe of Massachusetts.

The Mashpee have inhabited present-day Massachusetts and eastern Rhode Island for more than 12,000 years. Their ancestors are the ones who welcomed the Pilgrims who landed at Plymouth Rock, as well as the people who aided these Pilgrims through the hard times of 1621 that we now refer to as our First Thanksgiving.

Like many tribes, the Mashpee were intentionally and systematically rendered landless through various actions by the States and the Federal Government.

### □ 1700

They have fought long and hard since that time to reestablish that which was taken from them: their homeland. They fought first for Federal recognition, which they finally received in 2009 after a 30-year struggle. They then fought to establish a homeland for their people, which they finally did in 2015, when Interior approved their application to take 320 acres into trust for the Tribe.

Things were looking optimistic for the Mashpee people. They constructed a government center, which includes a school, courtrooms, and multipurpose rooms, and they established a medical clinic facility. They were planning to embark on economic development opportunities that would help sustain the Tribal people and ensure their prosperity for future generations. Then the rug was cruelly pulled out from beneath them.

In 2017, the Department of Justice, under the Trump administration, inexplicably refused to continue to defend the status of the Tribe's reservation in court.

Then on September 7, 2018, the Department of the Interior issued its first Carciary decision, in which it refused to reaffirm its own authority to confirm the status of the Tribe's reservation. Interior rejected clear evidence that the Mashpee were indeed under Federal jurisdiction, evidence that was accepted as sufficient in prior agency decisions.

This decision is devastating and unprecedented. It would mark the first time since the dark days of the termination era that the United States acts to de-establish an Indian reservation and make a Tribe landless.
