

Mr. Speaker, this bill honors the late Congresswoman Louise Slaughter's 30 years of service to this country. The bill has bipartisan support. I urge all Members to support it, and I yield back the balance of my time.

Mr. RASKIN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am proud to join my colleagues in considering H.R. 7293, which will designate the facility of the United States Postal Service located at 770 Ayrault Road in Fairport, New York, as the Louise and Bob Slaughter Post Office.

Representative Slaughter was a pioneering, ebullient, and groundbreaking Member of this body whose energetic service on the Rules Committee changed the dynamics and the culture of the House of Representatives.

She served here for 31 years, was the first woman ever to chair the Rules Committee, and coauthored the landmark Violence Against Women Act.

Mr. Speaker, I yield 2 minutes to the gentleman from New York (Mr. MORELLE) for a further brief statement on her remarkable life and career.

Mr. MORELLE. Mr. Speaker, I thank the gentleman for yielding me this time.

Mr. Speaker, I rise today to recognize someone we all know well, a true American patriot, the Honorable Louise M. Slaughter. It is truly a privilege to have introduced H.R. 7293 honoring Louise and her husband, Bob Slaughter. It is particularly fitting to do so in the 115th Congress, with so many colleagues who worked side by side with this remarkable woman.

Louise loved Monroe County and everyone who called it home. Through her dedicated work in public service, she made immeasurable contributions to our region, our State, and our Nation.

That is why I am proud to sponsor this legislation to dedicate the United States Post Office located at 770 Ayrault Road in Fairport to Louise Slaughter and her devoted husband, Bob Slaughter.

The new Louise and Bob Slaughter Post Office Building, located in their hometown just blocks from their house, will be a fitting tribute to a truly remarkable couple.

On a personal note, it was Louise Slaughter who counseled me at a young age and encouraged me to run for public office. Louise, Bob, and their family remained dear friends for nearly 40 years.

Our entire community grieves her loss and misses her dearly, but Louise left behind an incredible legacy that everyone in this room witnessed firsthand.

She was the first and only woman to chair the Rules Committee of the House. Louise was not only a fierce and influential legislator but a true champion for those in our Nation in real need of champions.

From landmark healthcare legislation to education and infrastructure

projects that have strengthened our local and national economy, Louise was a trailblazer who, with every success, shattered glass ceilings.

She was a friend, a colleague, a mentor, and a role model for so many people, both in this room and in my community back home in Rochester, New York. She and Bob Slaughter are more than deserving of this honor, and I look forward to the day when the Louise and Bob Slaughter Post Office is open for business to serve Fairport residents and honor their memory.

I am grateful to my colleagues in the New York delegation who have joined me in cosponsoring this legislation. Its widespread bipartisan support is a testament to the profound impact Louise Slaughter has had on all of us and will have on us all for many years to come.

Mr. RASKIN. Mr. Speaker, as the former majority leader of the New York Assembly, Representative MORELLE is a fitting and worthy successor to Representative Slaughter, whom we all miss. I thank the gentleman for bringing this legislation forward.

I urge passage of H.R. 7293.

Mr. Speaker, I have no further speakers at this time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. WALKER) that the House suspend the rules and pass the bill, H.R. 7293.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. MASSIE. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

“(i) AUTHORITY OF CONGRESS.—Nothing in this subchapter shall be construed to affect the authority of the Congress, including its committees, members, or agents, to obtain data or information for a statistical purpose, including for oversight of an agency’s statistical activities.

“PART B—CONFIDENTIAL INFORMATION PROTECTION**“§3571. Findings**

“The Congress finds the following:

“(1) Individuals, businesses, and other organizations have varying degrees of legal protection when providing information to the agencies for strictly statistical purposes.

“(2) Pledges of confidentiality by agencies provide assurances to the public that information about individuals or organizations or provided by individuals or organizations for exclusively statistical purposes will be held in confidence and will not be used against such individuals or organizations in any agency action.

“(3) Protecting the confidentiality interests of individuals or organizations who provide information under a pledge of confidentiality for Federal statistical programs serves both the interests of the public and the needs of society.

“(4) Declining trust of the public in the protection of information provided under a pledge of confidentiality to the agencies adversely affects both the accuracy and completeness of statistical analyses.

“(5) Ensuring that information provided under a pledge of confidentiality for statistical purposes receives protection is essential in continuing public cooperation in statistical programs.

“§3572. Confidential information protection

“(a) PURPOSES.—The purposes of this section are the following:

“(1) To ensure that information supplied by individuals or organizations to an agency for statistical purposes under a pledge of confidentiality is used exclusively for statistical purposes.

“(2) To ensure that individuals or organizations who supply information under a pledge of confidentiality to agencies for statistical purposes will neither have that information disclosed in identifiable form to anyone not authorized by this subchapter nor have that information used for any purpose other than a statistical purpose.

“(3) To safeguard the confidentiality of individually identifiable information acquired under a pledge of confidentiality for statistical purposes by controlling access to, and uses made of, such information.

“(b) USE OF STATISTICAL DATA OR INFORMATION.—Data or information acquired by an

agency under a pledge of confidentiality and for exclusively statistical purposes shall be used by officers, employees, or agents of the agency exclusively for statistical purposes and protected in accordance with such pledge.

“(c) DISCLOSURE OF STATISTICAL DATA OR INFORMATION.—

“(1) Data or information acquired by an agency under a pledge of confidentiality for exclusively statistical purposes shall not be disclosed by an agency in identifiable form, for any use other than an exclusively statistical purpose, except with the informed consent of the respondent.

“(2) A disclosure pursuant to paragraph (1) is authorized only when the head of the agency approves such disclosure and the disclosure is not prohibited by any other law.

“(3) This section does not restrict or diminish any confidentiality protections in law that otherwise apply to data or information acquired by an agency under a pledge of confidentiality for exclusively statistical purposes.

“(d) RULE FOR USE OF DATA OR INFORMATION FOR NONSTATISTICAL PURPOSES.—A statistical agency or unit shall clearly distinguish any data or information it collects for nonstatistical purposes (as authorized by law) and provide notice to the public, before the data or information is collected, that the data or information could be used for nonstatistical purposes.

“(e) DESIGNATION OF AGENTS.—A statistical agency or unit may designate agents, by contract or by entering into a special agreement containing the provisions required under section 3561(2) for treatment as an agent under that section, who may perform exclusively statistical activities, subject to the limitations and penalties described in this subchapter.

“(f) FINES AND PENALTIES.—Whoever, being an officer, employee, or agent of an agency acquiring information for exclusively statistical purposes, having taken and subscribed the oath of office, or having sworn to observe the limitations imposed by this section, comes into possession of such information by reason of his or her being an officer, employee, or agent and, knowing that the disclosure of the specific information is prohibited under the provisions of this subchapter, willfully discloses the information in any manner to a person or agency not entitled to receive it, shall be guilty of a class E felony and imprisoned for not more than 5 years, or fined not more than \$250,000, or both.

“PART C—STATISTICAL EFFICIENCY**“§3575. Findings**

“The Congress finds the following:

“(1) Federal statistics are an important source of information for public and private decision-makers such as policymakers, consumers, businesses, investors, and workers.

“(2) Federal statistical agencies should continuously seek to improve their efficiency. Statutory constraints limit the ability of these agencies to share data and thus to achieve higher efficiency for Federal statistical programs.

“(3) The quality of Federal statistics depends on the willingness of businesses to respond to statistical surveys. Reducing reporting burdens will increase response rates, and therefore lead to more accurate characterizations of the economy.

“(4) Enhanced sharing of business data among the Bureau of the Census, the Bureau of Economic Analysis, and the Bureau of Labor Statistics for exclusively statistical purposes will improve their ability to track more accurately the large and rapidly changing nature of United States business. In particular, the statistical agencies will be able to better ensure that businesses are consistently classified in appropriate industries, resolve data anomalies, produce statistical samples that are consistently adjusted for the entry and exit of new businesses in a timely manner, and correct faulty reporting errors quickly and efficiently.

“(5) Congress enacted the International Investment and Trade in Services Survey Act

(Public Law 94-472), which allowed the Bureau of the Census, the Bureau of Economic Analysis, and the Bureau of Labor Statistics to share data on foreign-owned companies. The Act not only expanded detailed industry coverage from 135 industries to over 800 industries with no increase in the data collected from respondents but also demonstrated how data sharing can result in the creation of valuable data products.

“(6) With part B of this subchapter, the sharing of business data among the Bureau of the Census, the Bureau of Economic Analysis, and the Bureau of Labor Statistics continues to ensure the highest level of confidentiality for respondents to statistical surveys.

“§3576. Designated statistical agencies

“(a) PURPOSES.—The purposes of this section are the following:

“(1) To authorize the sharing of business data among the Bureau of the Census, the Bureau of Economic Analysis, and the Bureau of Labor Statistics for exclusively statistical purposes.

“(2) To reduce the paperwork burdens imposed on businesses that provide requested information to the Federal Government.

“(3) To improve the comparability and accuracy of Federal economic statistics by allowing the Bureau of the Census, the Bureau of Economic Analysis, and the Bureau of Labor Statistics to update sample frames, develop consistent classifications of establishments and companies into industries, improve coverage, and reconcile significant differences in data produced by the three agencies.

“(4) To increase understanding of the United States economy, especially for key industry and regional statistics, to develop more accurate measures of the impact of technology on productivity growth, and to enhance the reliability of the Nation’s most important economic indicators, such as the National Income and Product Accounts.

“(b) RESPONSIBILITIES OF DESIGNATED STATISTICAL AGENCIES.—The head of each of the Designated Statistical Agencies shall—

“(1) identify opportunities to eliminate duplication and otherwise reduce reporting burden and cost imposed on the public in providing information for statistical purposes;

“(2) enter into joint statistical projects to improve the quality and reduce the cost of statistical programs; and

“(3) protect the confidentiality of individually identifiable information acquired for statistical purposes by adhering to safeguard principles, including—

“(A) emphasizing to their officers, employees, and agents the importance of protecting the confidentiality of information in cases where the identity of individual respondents can reasonably be inferred by either direct or indirect means;

“(C) implementing appropriate measures to assure the physical and electronic security of confidential data;

“(D) establishing a system of records that identifies individuals accessing confidential data and the project for which the data were required; and

“(E) being prepared to document their compliance with safeguard principles to other agencies authorized by law to monitor such compliance.

“(c) SHARING OF BUSINESS DATA AMONG DESIGNATED STATISTICAL AGENCIES.—

“(1) IN GENERAL.—A Designated Statistical Agency may provide business data in an identifiable form to another Designated Statistical Agency under the terms of a written agreement among the agencies sharing the business data that specifies—

“(A) the business data to be shared;

“(B) the statistical purposes for which the business data are to be used;

“(C) the officers, employees, and agents authorized to examine the business data to be shared; and

“(D) appropriate security procedures to safeguard the confidentiality of the business data.

“(2) RESPONSIBILITIES OF AGENCIES UNDER OTHER LAWS.—The provision of business data by an agency to a Designated Statistical Agency under this section shall in no way alter the responsibility of the agency providing the data under other statutes (including sections 552 and 552b of title 5) with respect to the provision or withholding of such information by the agency providing the data.

“(3) RESPONSIBILITIES OF OFFICERS, EMPLOYEES, AND AGENTS.—Examination of business data in identifiable form shall be limited to the officers, employees, and agents authorized to examine the individual reports in accordance with written agreements pursuant to this section. Officers, employees, and agents of a Designated Statistical Agency who receive data pursuant to this section shall be subject to all provisions of law, including penalties, that relate—

“(A) to the unlawful provision of the business data that would apply to the officers, employees, and agents of the agency that originally obtained the information; and

“(B) to the unlawful disclosure of the business data that would apply to officers, employees, and agents of the agency that originally obtained the information.

“(4) NOTICE.—Whenever a written agreement concerns data that respondents were required by law to report and the respondents were not informed that the data could be shared among the Designated Statistical Agencies, for exclusively statistical purposes, the terms of such agreement shall be described in a public notice issued by the agency that intends to provide the data. Such notice shall allow a minimum of 60 days for public comment.

“(d) LIMITATIONS ON USE OF BUSINESS DATA PROVIDED BY DESIGNATED STATISTICAL AGENCIES.—

“(1) GENERAL USE.—Business data provided by a Designated Statistical Agency pursuant to this section shall be used exclusively for statistical purposes.

“(2) PUBLICATION.—Publication of business data acquired by a Designated Statistical Agency shall occur in a manner whereby the data furnished by any particular respondent are not in identifiable form.

“(e) DESIGNATED STATISTICAL AGENCY DEFINED.—In this section, the term ‘Designated Statistical Agency’ means each of the following:

“(1) The Census Bureau of the Department of Commerce.

“(2) The Bureau of Economic Analysis of the Department of Commerce.

“(3) The Bureau of Labor Statistics of the Department of Labor.”

GENERAL LEAVE

Mr. WALKER. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

Mr. WALKER. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, the Foundations for Evidence-Based Policymaking Act sponsored by Speaker RYAN would improve government data collection and transparency, while bolstering privacy protections, to better inform policymaking.

This bill previously passed the House on suspension. Mr. Speaker, I urge all Members to support it, and I yield back the balance of my time.

Mr. RASKIN. Mr. Speaker, I yield myself such time as I may consume.

The Foundations of Evidence-Based Policymaking Act, as amended, would establish a framework to support greater access and use of government data.

I thank Speaker RYAN, Senator MURRAY, and Representative KILMER for their constructive and collaborative bipartisan work on this issue.

The goal of the bill is to ensure that Congress and the executive branch are able to make important policy decisions based on evidence, facts, and science.

We are in very strong support of this legislation.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. WALKER) that the House suspend the rules and concur in the Senate amendment to the bill, H.R. 4174.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. MASSIE. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

GOOD ACCOUNTING OBLIGATION IN GOVERNMENT ACT

Mr. WALKER. Mr. Speaker, I move to suspend the rules and pass the bill (S. 2276) to require agencies to submit reports on outstanding recommendations in the annual budget justification submitted to Congress.

SECTION 1. SHORT TITLE.

This Act may be cited as the “Good Accounting Obligation in Government Act” or the “GAO-IG Act”.

SEC. 2. REPORTS ON OUTSTANDING GOVERNMENT ACCOUNTABILITY OFFICE AND INSPECTOR GENERAL RECOMMENDATIONS.

(a) DEFINITION.—In this section, the term “agency” means—

(1) a designated Federal entity, as defined in section 8G(a)(2) of the Inspector General Act of 1978 (5 U.S.C. App.);

(2) an establishment, as defined in section 12(2) of the Inspector General Act of 1978 (5 U.S.C. App.); and

(3) legislative branch agencies, including the Government Publishing Office, the Library of Congress, the Office of the Architect of the Capitol, and the United States Capitol Police.

(b) REQUIRED REPORTS.—In the annual budget justification submitted to Congress, as submitted with the budget of the President under section 1105 of title 31, United States Code, each agency shall include—

(1) a report listing each public recommendation of the Government Accountability Office that is designated by the Government Accountability Office as “open” or “closed, unimplemented” for a period of not less than 1 year preceding the date on which the annual budget justification is submitted;

(2) a report listing each public recommendation for corrective action from the Office of Inspector General of the agency that—

(A) was published not less than 1 year before the date on which the annual budget justification is submitted; and

(B) for which no final action was taken as of the date on which the annual budget justification is submitted; and

(3) a report on the implementation status of each public recommendation described in paragraphs (1) and (2), which shall include—

(A) with respect to a public recommendation that is designated by the Government Accountability Office as “open” or “closed, unimplemented”—

(i) that the agency has decided not to implement, a detailed justification for the decision; or

(ii) that the agency has decided to adopt, a timeline for full implementation, to the extent practicable, if the agency determines that the recommendation has clear budget implications;

(B) with respect to a public recommendation for corrective action from the Office of Inspector General of the agency for which no final action or action not recommended has been taken, an explanation of the reasons why no final action or action not recommended was taken with respect to each audit report to which the public recommendation for corrective action pertains;

(C) with respect to an outstanding unimplemented public recommendation from the Office of Inspector General of the agency that the agency has decided to adopt, a timeline for implementation;

(D) an explanation for any discrepancy between—

(i) the reports submitted under paragraphs (1) and (2);

(ii) the semiannual reports submitted by the Office of Inspector General of the agency under section 5 of the Inspector General Act of 1978 (5 U.S.C. App.); and

(1) in paragraph (1), by striking “61st” and inserting “181st”; and

(2) in paragraph (2), by striking “60” and inserting “180”.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from North Carolina (Mr. WALKER) and the gentleman from Maryland (Mr. RASKIN) each will control 20 minutes.

The Chair recognizes the gentleman from North Carolina.

GENERAL LEAVE

Mr. WALKER. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

Mr. WALKER. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, the Good Accounting Obligation in Government, or GAO-IG, Act would improve transparency and oversight of the executive branch. This bill enjoys bipartisan support. I urge

all Members to support it, and I yield back the balance of my time.

Mr. RASKIN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I support the bill, which is designed to promote the transparency and accountability of Federal agencies. It would require agencies to include in their budget justifications to Congress a summary of the recommendations made by GAO or the agency's inspector general in the prior year.

Agencies also would be required to explain what steps they are actually taking to address these recommendations by GAO or their IG or, if they disagree with those recommendations, why.

The GAO and inspectors general provide critical oversight of the executive branch of government and provide Congress with invaluable assistance in helping hold any Presidential administration accountable for its actions and policies.

Knowing what agencies are doing or not doing to address GAO and IG recommendations will definitely assist us in Congress in conducting our constitutional oversight responsibilities.

This is a commonsense measure that all Members should support. I am delighted to advance it on a bipartisan basis.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. WALKER) that the House suspend the rules and pass the bill, S. 2276.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. MASSIE. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.
