COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER pro tempore (Mr. RUTHERFORD) laid before the House the following communication from the Clerk of the House of Representatives:

> OFFICE OF THE CLERK. HOUSE OF REPRESENTATIVES, Washington, DC, March 14, 2018.

Hon. PAUL D. RYAN, Speaker, House of Representatives,

Washington, DC.

DEAR MR. SPEAKER: Under Clause 2(g) of Rule II of the Rules of the U.S. House of Representatives, I herewith designate Mr. Robert Reeves, Deputy Clerk, and Mr. Christopher Donesa, Legal Counsel, to sign any

and all papers and do all other acts for me under the name of the Clerk of the House which they would be authorized to do by virtue of this designation, except such as are provided by statute, in case of my temporary absence or disability.

This designation shall remain in effect for the 115th Congress or until modified by me. With best wishes, I am

Sincerely.

KAREN L. HAAS, Clerk of the House.

IN MEMORY OF SERGEANT MARK J. BASERMAN

(Mr. ROTHFUS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROTHFUS. Mr. Speaker, today I rise in remembrance of a remarkable community servant, a faithful friend and husband, and a brave veteran: Sergeant Mark J. Baserman.

A corrections officer who devoted many years of service at the State Correctional Institute in Somerset, Pennsylvania, Mark tragically lost his life in the line of duty on February 26, 2018. Known throughout Johnstown and by colleagues as a man of integrity, bravery, and strength, thousands attended his remembrance service to pay their respects to Mark and his family.

A 1975 graduate of Greater Johnstown Vo-Tech High School, as a young man, Mark volunteered many years with the Oakland Volunteer Fire Company and he served in the Army. Before becoming a corrections officer, Mark worked more than 20 years as a first responder with East Hills Ambulance Service.

Mark's life history of public service is evident. Putting others first, including his wife, Rebecca, and mother, Lucille—both who have physical disabilities—is a powerful testimony and a shining example.

Mr. Speaker, as we grieve the loss of this honorable man, I offer my deepest condolences to Mark's family, friends, and the Johnstown community.

SCHOOL AND GUN VIOLENCE PREVENTION

(Ms. BONAMICI asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BONAMICI. Mr. Speaker, I rise today to say that we must refuse to accept gun violence as normal. Today, I stand with students from Oregon to Florida, who are courageously and peacefully demanding that their elected leaders take real action to prevent gun violence in their communities.

This past weekend I met Madeline, a high school student from Beaverton, Oregon. She said that now when she enters a classroom, her first thought is: where can she hide, and how could she escape.

As a mom, that broke my heart. And I heard from students in McMinnville, Oregon. They told me they are terrified when they hear a fire alarm because

that is how the Parkland, Florida, massacre started

How have we become a country where our students are afraid in their class-rooms?

Mr. Speaker, we owe it to Madeline and to all of the students around the country to protect them from violence and to keep them safe in school and in their communities.

The STOP School Violence Act is a modest first step, but we must do more. We must listen to the voices of the students and work toward creating a safer future for them and for everyone.

FEDERAL COURT DISRESPECTS WORLD WAR I VETERANS

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, in 1925, the American Legion erected a memorial in Bladensburg, Maryland, to honor the 49 men who were killed in World War I. The mothers of those who died decided to erect a large cross to mirror the cross-shaped grave markers in the foreign cemeteries where their sons were buried. The 40-foot-tall memorial became known as the Peace Cross.

Even though the monument is secular, and after almost 100 years, an agnostic Federal court ruled the historic monument must be torn down, all because it is in the shape of a cross.

The wrong-headed decision to tear down the 93-year-old monument is proof that this Federal court has no respect for the sacrifices of Americans killed in World War I. Instead of destroying monuments, we should erect more.

What is next? Are Federal judges going to chisel off the crosses on grave markers at veterans' cemeteries?

We will see.

Keep the Memorial Peace Cross memorial. Heaven forbid, don't remove the cross.

And that is just the way it is.

HAPPY PI DAY

(Mr. McNERNEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. McNerney. Mr. Speaker, every year on March 14, mathematicians and dessert lovers around the world come together to celebrate a shared constant in our lives. It may sound irrational, but it is actually transcendental.

Pi Day is a day dedicated to celebrating everything fascinating in the world of mathematics by recognizing its most famous number: 3.14.

Pi represents the ratio of a circle's circumference to its diameter, and has been calculated to over 1 trillion digits. It was first discovered in Ancient Greece and has captivated mathematicians like myself for over 1,000 years.

While Congress officially recognized Pi Day in 2009, it was in 1988 that the

transcendental number got its day of dedication, when physicist Larry Shaw organized the first Pi Day at the San Francisco Exploratorium science museum.

Today, pi is used in all kinds of applications and can be found throughout our lives.

So to my fellow mathematicians, dessert lovers, and all of those celebrating today, I wish you a happy Pi Day.

CONGRATULATING MINNESOTA STATE WRESTLING CHAMPIONS

(Mr. LEWIS of Minnesota asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LEWIS of Minnesota. Mr. Speaker, although Minnesota is known for hockey, I rise today to recognize the impressive high school wrestling programs in Minnesota's Second District.

This season, Shakopee and Apple Valley continued their strong, outstanding records in wrestling. In fact, Apple Valley held 12 straight State titles until this year, when Shakopee edged them out in the sectionals.

And while Shakopee did not bring home the State title, wrestlers from both Apple Valley and Shakopee put up some extraordinary victories.

Trey Rogers from Hastings finished his season with a perfect record.

Shakopee's Alex Lloyd won his third State championship.

And Apple Valley's Gable Steveson concluded his high school career with a winning percentage of 0.986, the best in State history.

I am proud to have such driven State athletes in my district. Their dedication and hard work will continue to bring them success for years to come, and I look forward to seeing future victories from our Second District wrestlers

CHILDREN OF OUR NATION

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, the children of our Nation are raising their voices. In the last couple of days in my district, many young people representing the 140,000 DACA-status young people in Texas and 800,000 in the Nation walked and shouted and asked and cajoled and spoke eloquently about the ridiculous malaise of this Congress, where we have not reauthorized DACA when there is a bill ready to move.

Do we care about our children? Do we care about the doctors, lawyers, and astronauts? Do we care about the teachers? Do we care about the parents—mothers and fathers—all DACA-status individuals who love this Nation?

And then today we heard from the voices of those who raised their hands
