REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H. RES. 774

Mr. DENHAM. Mr. Speaker, I ask unanimous consent that the gentleman from Texas (Mr. CULBERSON) be removed as a cosponsor of H. Res. 774.

FRANKLIN-SIMPSON SPORTS ANNOUNCERS

(Mr. COMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COMER. Mr. Speaker, I rise today to recognize Mr. James Mooneyhan and Mr. Steve Thurmond for their contributions to Simpson County in the First Congressional District of Kentucky.

These two community leaders have not only served as ambassadors for Franklin-Simpson High School throughout their careers and collectively witnessed over 33 years of sports history, but have contributed to the economic development and well-being of their fellow citizens during their careers in public service.

Off air, Steve Thurmond is the executive director of the Franklin-Simpson Chamber of Commerce, and James Mooneyhan has served as Simpson County's jailer. From state championship titles to their children's successes, their commentary continually showcased the fervent pride Simpson Countians hold for their community.

The excitement and spirit resulting from the unique blend of their personalities will be extremely difficult to replace, and their retirement marks the end of an era for this storied program.

Although the voices of Franklin-Simpson athletics will soon be broadcast throughout the region for the last time, I join with the entire community to thank them for the laughs and unforgettable memories they have provided over the last 25 years. I look for-

ward to seeing these Wildcat fans on the sidelines for years to come.

RUSSIAN CHEMICAL ATTACK IN THE UNITED KINGDOM

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, I rise to strongly condemn the March 4 chemical attacks conducted by the Kremlin in Salisbury, England, against former Russian intelligence officer Sergei Skripal and his daughter Yulia. Detective Sergeant Nick Bailey, the first on the scene, has also been hospitalized.

Mr. Speaker, Vladimir Putin continues to display a pattern of interfering with and undermining the democratic processes and institutions in contravention of the rules-based international order. We have seen that in Russia's frequent disruptive cyber operations and now chemical warfare.

How far will they push things?

Mr. Speaker, that is why I, along with Representatives MEEKS, WILSON, COLE, HOLDING, and SIRE, introduced a resolution this afternoon condemning this attack, calling for accountability for this and all chemical and biological attacks and standing in firm partnership with our friends and allies in the United Kingdom.

Mr. Speaker, I hope my colleagues will join me in cosponsoring this important statement of solidarity in condemnation and also in praying for the health of Sergei, Yulia, and Nick.

THANKING PENN STATE STUDENTS FOR THEIR FIGHT AGAINST PEDIATRIC CANCER

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to thank Penn State students for their fight against pediatric cancer.

THON, a 46-hour dance marathon, took place February 16 through 18, and students raised \$10,151,663 for the Four Diamonds Fund at Penn State Children's Hospital. Four Diamonds ensures that families that are battling pediatric cancer are not faced with any costs, allowing them to fully focus on the needs of their child.

THON is the largest student-run student philanthropy in the world, but it all began in 1973 by a group of students looking to add excitement to a dreary February in central Pennsylvania and for a way to give back to the community. Today, THON engages more than 15,000 students each year and has inspired other university, high school, middle school, and elementary school students across the Nation to start dance marathons of their own, all in hopes of conquering pediatric cancer.
