

volunteered more than 570 hours and helped distribute more than \$720,000 in donations in the past year brought in by Soldiers' Angels.

There is no one more deserving of this award, and I am proud to have such a dedicated member of my district volunteering and helping our veterans.

RECOGNIZING THE LIFELONG SERVICE OF ESTHER CRAWFORD AND EMMA WILBERT

Mr. HILL. Mr. Speaker, I rise today to recognize the lifelong service of two constituents of mine, Esther Crawford and Emma Wilbert, both of whom were recently inducted into the North Little Rock, Arkansas, Senior Citizens Hall of Fame.

Esther serves as a board member for the North Little Rock Education Foundation and the William F. Laman Public Library. She has earned the designation of Most Vital Pal at the Winthrop P. Rockefeller Cancer Institute for all of her help to their multiple myeloma patients.

Emma serves as activity director at the Campus Towers' senior public housing facility in North Little Rock, after she retired from a 28-year career with the U.S. Postal Service. She was elected as vice queen for the Hays Senior Citizens Center's Red Hat Society chapter for 7 years and serves in both the sanctuary choir and nursing home ministry of Greater Second Baptist Church in Little Rock.

Senior Hall of Fame selections are bestowed every 2 years on individuals for their significant contributions to North Little Rock, Arkansas' senior citizens. I congratulate them.

75TH ANNIVERSARY OF
ROSENSTIEL SCHOOL OF MARINE
AND ATMOSPHERIC SCIENCE

The SPEAKER pro tempore. The Chair recognizes the gentlewoman from Florida (Ms. ROS-LEHTINEN) for 5 minutes.

Ms. ROS-LEHTINEN. Mr. Speaker, this year, my alma mater, the University of Miami, celebrates the 75th anniversary of the Rosenstiel School of Marine and Atmospheric Science.

Early on, in 1943, UM recognized the need to advance the field of oceanographic research, establishing what was known then as the UM Marine Laboratory in a small boathouse on Belle Isle in Miami Beach.

Fast-forward to today. UM's Rosenstiel School has transformed into one of the world's premier marine and atmospheric research institutions, including developing state-of-the-art approaches to tackling some of today's most pressing environmental problems.

This vital research includes coral reef restoration and sustainable fishing studies that have had a positive impact on south Florida as a community and as stewards of our fragile environment. UM's efforts help ensure that future generations enjoy our unique and beautiful oceans for centuries to come.

I would like to congratulate UM Rosenstiel students and the staff, both

past and present, for their commitment to oceanographic and atmospheric research and for the work that has made it this wonderful institution that it is today.

So happy 75th. Go Canes.

HONORING THE CONTRIBUTIONS OF STANLEY TATE

Ms. ROS-LEHTINEN. Mr. Speaker, I rise today to recognize a prominent figure of not only our south Florida community, but of the entire Nation, Mr. Stanley Tate. A Miami-Dade County native, Stanley Tate has been successful in many roles, including businessman, civic leader, and public servant.

Not long after Stanley graduated from college, he founded a general contracting firm building private homes and apartment buildings. As a young and driven newcomer to the industry, Stanley quickly became well-known and respected for his quality work, and he has continuously expanded upon his success.

Stanley also knew that he could make a great, positive impact in our community and beyond by involving himself in public service. He served with the city council of Bay Harbor Islands in several capacities, including mayor and assistant mayor for 20 years. He also served on the board of directors of the Florida League of Cities and is a former chairman of the housing resource team for Metro-Dade County.

It is because of his vast knowledge and proficiency that Stanley was invited several times to testify here in D.C. before committees in both the House and the Senate regarding housing and banking issues. Stanley was also appointed by President George Herbert Walker Bush to be the chairman of the National Advisory Board of the Resolution Trust Corporation, and he was then nominated by President Clinton to be the president of the RTC.

Stanley and I share the belief that every family should be provided a way to save for their child's higher education, so I was proud to partner with Stanley to help his vision become a reality with the Florida Prepaid College Plan. It was his tenure in the early developments of the program that helped ensure the program's viability and success. In recognition of Stanley's efforts, then-Governor Jeb Bush renamed the program the Stanley G. Tate Florida Prepaid College Program.

As a believer in the Jewish faith, Stanley has always been active in the Miami Jewish community and was a strong and early supporter of our ally, the democratic Jewish State of Israel. Stanley served as chairman of the Greater Miami Jewish Federation and has been heavily involved in the American Israel Public Affairs Committee, or AIPAC, since the very start.

Mr. Speaker, throughout his life, Stanley has selflessly devoted himself to give back to others. So, thank you, Stanley Tate, for your commitment to bettering the lives of so many in our community and our great Nation. I am

so proud to call you mi amigo, my friend.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until 2 p.m. today.

Accordingly (at 12 o'clock and 12 minutes p.m.), the House stood in recess.

□ 1400

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. WILSON of South Carolina) at 2 p.m.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

Eternal God, we give You thanks for giving us another day.

You look upon our world: men and women being born and being laid to rest, some getting married and others getting divorced, the old and the young, the rich and the poor, the happy and the sad. There are so many who are aimless, despairing, hateful, and killing, so many sick and undernourished, so many struggling with life who find it hard to see meaning.

Send us Your spirit, that the issues of our day might be met with compassion by the Members of this House, and all who serve to improve the conditions of our shared humanity.

May all that is done this day be for Your greater honor and glory.

Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Indiana (Mr. BANKS) come forward and lead the House in the Pledge of Allegiance.

Mr. BANKS of Indiana led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

REPEAL OF WATERWAY
REGULATION

(Mr. BANKS of Indiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BANKS of Indiana. Mr. Speaker, as we debate the farm bill this week,

the House has an opportunity to permanently eliminate one of the worst examples of runaway government and unaccountable bureaucracy by the Obama administration.

The 2015 waters of the United States rule, better known as WOTUS, is harmful to farmers and agricultural producers in Indiana and across the country. This rule gives unelected bureaucrats at the EPA the power to broadly interpret what is a navigable waterway. This rule can be interpreted in a way that even a puddle can be considered a navigable waterway subject to Federal regulation.

I am proud to represent nearly 12,000 farms in northeast Indiana, and each and every one of these operations could be subject to this overreaching rule. At a time of falling commodity prices, the last thing that Hoosier farmers need is an ambiguous, broad, and costly government decree that seeks to regulate nearly every aspect of their operation.

I applaud efforts by the Trump administration to delay this damaging rule, but it is time to permanently repeal WOTUS. I urge my colleagues to support its elimination as Congress considers the farm bill this week.

ALLOWING DEAF CITIZENS TO SERVE IN THE MILITARY

(Mr. TAKANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TAKANO. Mr. Speaker, Keith Nolan's dream was to be a military officer. He excelled at the first two levels of Army ROTC and was preparing to take the next step when he was told that he could not continue because he failed the hearing portion of a military medical exam.

This is not at all surprising, because Keith Nolan is deaf. The United States does not allow the deaf community to serve in the military, unlike other nations that allow deaf citizens to serve.

Despite Keith's passion and despite our attempts to establish a demonstration program to prove that the deaf community is entirely capable of contributing to our military, Keith does not have the opportunity to serve his country.

Today, I am mourning for Keith and for the country, which lost out on his service. But I want to celebrate his passion and his dedication to expanding civil rights for the deaf community.

He has taken this rejection in stride, creating an ROTC program at the Maryland School for the Deaf. I am once again calling for a demonstration program that gives the deaf community a chance to defend the country they love.

HISTORIC EMBASSY IN JERUSALEM

(Mr. WILSON of South Carolina asked and was given permission to ad-

dress the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, this weekend I was grateful to lead a congressional delegation to Jerusalem, where we met yesterday with Prime Minister Benjamin Netanyahu and Knesset Foreign Affairs Chairman Avi Dichter, while we attended the opening of the U.S. Embassy in Jerusalem, ably coordinated by Ambassador David Friedman with Ivanka Trump and Jared Kushner.

Sadly, some threaten Israel's legitimacy, but the opening of the U.S. Embassy in Jerusalem, with the courage of President Donald Trump, provides validity to the State of Israel and their inherent right to determine their own capital.

America's bond with Israel is unique. And its strength is the foundation of American leadership in the Middle East for peace. By moving the embassy to Jerusalem and promoting Israel's permanency, the world is safer for American families. And I appreciate the opportunity to have been there for this historic achievement with President Trump fulfilling his promises.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

Best wishes for a speedy recovery for the Congressman from Maryland, ANTHONY BROWN.

RECOGNIZING DETECTIVE MIOSOTIS FAMILIA

(Mr. ESPAILLAT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ESPAILLAT. Mr. Speaker, I rise today in recognition of New York City Police Department Detective Miosotis Familia. Unfortunately, Miosotis was the first Dominican-American female officer killed in the line of duty in New York City.

During National Police Week and Peace Officers Memorial Day, I want to celebrate and commemorate Detective Familia. She, along with her law enforcement peers in New York and across the country, was memorialized at the National Law Enforcement Officers Memorial.

Detective Familia, as a Dominican-American coming from a family of immigrants to the United States, and her commitment to public service speaks volumes of the benefits and sacrifice that she and fellow immigrants and people of color continue to make in the United States, despite the overwhelming anti-immigrant rhetoric that exists in today's political climate.

Immigrant communities continue to play a vital role in every aspect of American life. As the first Dominican-American elected to Congress, I understand that service to country and community is not limited by one race or ethnicity, as did Defective Familia.

I have represented the Familia family for over 22 years, both in the State

legislature and now in Congress. This is a somber moment, but one that demands our recognition of the tremendous service that Detective Familia gave to her community.

RECOGNIZING NATIONAL POLICE WEEK

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, I rise today to join so many of my colleagues in recognizing National Police Week.

These days, it seems like our uniformed officers don't always receive the respect and admiration they deserve, making this week all the more important in my mind.

I am especially thankful for Officers David Bailey and Crystal Griner, who, as everyone in this Chamber knows, saved many lives when they took down an armed gunman at last year's baseball practice.

Our law enforcement officers now deal with this type of threat on a daily basis, sometimes even from deranged individuals who specifically want to kill cops. There were 135 officers killed in the line of duty last year, but unlike me and you, they know the risks when they go to work in the morning, and they accept them.

For these men and women who wear the badge each day and dedicate their lives to making our communities a better place, it must often feel like a thankless job.

Well, not today. I want every law enforcement officer around the country to know that you are appreciated and you are admired. Thank you for everything you do, and God bless you and keep you safe in your duties.
