

I don't believe, has seen the data. We have been digging it out for months on end, and I think I will soon be able to make it public. Some of them were brought here at 3 years old. Some of them were girls at that age. Some of them, it was their mother. But that doesn't represent that universe of DACA recipients.

And what I do know is, of those large numbers, especially of males that came here illegally, they were 14, 15, 16, and been more years old, that they knew what they were doing and they were responsible for what they were doing. I want to restore the rule of law, pass the farm bill, and I want to get people back to work, and I want to have allies on this floor that support work, whether they are Democrats or Republicans.

Mr. Speaker, I yield back the balance of my time.
